Rebellion In Nineteenthcentury China:

Rebellion in Nineteenth-century China Albert Feuerwerker,1975 An examination of nei luan domestic disorder in late Ching China The George Hicks Collection Eunice Low,2016-07-18 The George Hicks Collection at the National Library Singapore comprises about 6 900 books and materials donated between 200 and 2015 by Mr George Lyndon Hicks The Collection focuses on four main subject areas Southeast Asia China Japan and overseas Chinese spanning the disciplines of history sociology economics political science and anthropology The body of works in the Collection reveals Mr Hicks profound interest in Asia and his scholarly pursuits over the decades This volume written and compiled by Eunice Low presents an annotated bibliography of selected works from the Collection and highlights significant titles Also included are an overview of the life and career of Mr Hicks a list of his authored and edited works as well as essays introducing the chapters **China's Political Economy in Modern Times** Kent G Deng,2011-10-04 This book examines Chinese political economy spanning from 1800 to to the dawn of the 21st century shedding new light on our understanding of the reasons and impact of socio political and socio economic changes in China Crossing over the three disciplines of history politics and economics the analyses China s ideology politics and the economy using state building as the key theme and puts the emphasis on China s internal factors and mechanisms instead of the influence from Western imperialism or Japanese colonialism It pays close attention to the movers and shakers inside Chinese society and carefully reveals historical contingencies which lend the reader a unique and radically different re interpretation of China s recent history *Library of Congress Subject Headings* Library of Congress,Library of Congress. Subject Cataloging Division,Library of Congress. Office for Subject Cataloging Policy,2013 *A History of Chinese Civilization* Jacques Gernet,1996-05-31 When published in 1982 this translation of Professor Jacques Gernet s masterly survey of the history and culture of China was immediately welcomed by critics and readers This revised and updated edition makes it more useful for students and for the general reader concerned with the broad sweep of China s past *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office,2007 Nineteenth century Israel Smith Clare,1893 Design in the Borderlands Eleni Kalantidou,Tony Fry,2014-05-09 This book makes a significant contribution to advancing post geographic understandings of physical and virtual boundaries It brings together the emergent theory of border thinking with innovative thinking on design and explores the recent discourse on decoloniality and globalism From a variety of viewpoints the topics engaged show how design was historically embedded in the structures of colonial imposition and how it is implicated in more contemporary settings in the extension of epistemological colonialism The essays draw on perspectives from diverse geo cultural and theoretical positions including architecture design theory and history sociology critical theory and cultural studies The authors are leading and emergent figures in their fields of study and practice and the geographic scope of the chapters ranges across Europe the Middle East Africa South America Asia and the Pacific In recognition of the complexity of

challenges that are now determining the future security of humanity Design in the Borderlands aims to contribute to thinking futures by adding to the increasingly significant debate between design in the context of the history of Western modernity and decolonial thought **Global History and New Polycentric Approaches** Manuel Perez Garcia, Lucio De

Sousa, 2017-12-06 This book is open access under a CC BY 4.0 license Rethinking the ways global history is envisioned and conceptualized in diverse countries such as China Japan Mexico or Spain this collection considers how global issues are connected with our local and national communities It examines how the discipline had evolved in various historiographies from Anglo Saxon to southern European and its emergence in Asia with the rapid development of the Chinese economy motivation to legitimate the current uniqueness of the history and economy of the nation It contributes to the revitalization of the field of global history in Chinese historiography which have been dominated by national narratives and promotes a debate to open new venues in which important features such as scholarly mobility diversity and internationalization are firmly rooted putting aside national specificities Dealing with new approaches on the use of empirical data by framing the proper questions and hypotheses and connecting western and eastern sources this text opens a new forum of discussion on how global history has penetrated in western and eastern historiographies moving the pivotal axis of analysis from national perspectives to open new venues of global history **A History of East Asia** Charles Holcombe, 2017-01-11 Charles

Holcombe begins by asking the question what is East Asia In the modern age many of the features that made the region now defined as including China Japan Korea and Vietnam distinct have been submerged by the effects of revolution politics or globalization Yet as an ancient civilization the region had both an historical and cultural coherence This shared past is at the heart of this ambitious book which traces the story of East Asia from the dawn of history to the twenty first century The second edition has been imaginatively revised and expanded to place emphasis on cross cultural interactions and connections both within East Asia and beyond with new material on Vietnam and modern pop culture The second edition also features a Chinese character list additional maps and new illustrations
