Reception Of Laurence Sterne In Europe

Peter Jan de Voogd, John Neubauer

Reception Of Laurence Sterne In Europe:

The Reception of Laurence Sterne in Europe Peter Jan de Voogd, John Neubauer, 2004-06-18 A comprehensive volume of international research on the European reception of Laurence Sterne *The Reception of Ossian in Europe* Howard

Gaskill, 2008-12-22 Collection of international research surveying the reception of James Macpherson's Ossian poems in European literature and culture **The Reception of Jane Austen in Europe** Anthony Mandal, Brian Southam, 2007-10-13

This volume of international research provides a wide ranging account of Jane Austen's reception across the length and breadth of Europe from Russia and Finland in the North to Italy and Spain in the South In historical terms the survey ranges from the near contemporary since Austen's novels were available in French very soon after their original publication to modern times in those countries which for various reasons linguistic historical or ideological have taken up the novels only in recent years For many Austen's novels are valued for their romantic content as love stories but increasingly they are being perceived as sophisticated ironic narratives In this the quality of translation has been a significant factor and the many film and television adaptations have played an important part in establishing Austen's reputation amongst the public at large It will be seen from this that across Europe Austen's reception history is far from uniform and has been shaped by a complex of extra literary forces *The Cambridge Companion to European Novelists* Michael Bell, 2012-06-14 A survey of 25 major

European novelists from Cervantes to Kundera highlighting their contributions to the genre **The Reception of James Joyce in Europe** Geert Lernout, Wim Van Mierlo, 2009-07-22 A major scholarly collection of international research on the

reception of James Joyce in Europe *The Reception of George Eliot in Europe* Elinor Shaffer, Catherine Brown, 2016-02-11

George Eliot born Mary Ann Evans 1819 1880 was one of the most important writers of the European nineteenth century as well as a pioneering translator of challenging and controversial Continental thinkers and an influential editor and essayist

Although such novels of provincial life as *Adam Bede* *The Mill on the Floss* and *Middlemarch* have seen her characterised as a thoroughly English writer her reception and immersion in the literary intellectual and political life of Europe was

remarkable Written by a team of leading international scholars *The Reception of George Eliot in Europe* is the first comprehensive and systematic survey of Eliot's place in European culture Exploring Eliot's deep knowledge of German literature and thought her galvanizing influence on women novelists and translators in countries as diverse as Sweden and Spain her travels in Holland Germany Switzerland Austria the Czech Lands Italy and Spain and her friendship with leading figures such as Mazzini Turgenev and Liszt this study reveals her full stature as a cosmopolitan writer and thinker A film of her Italian Renaissance novel *Romola* was one of the first to circulate in Europe Including an historical timeline and a comprehensive bibliography of primary and secondary sources and translations *The Reception of George Eliot in Europe* is an essential reference resource for anyone working in the field of Victorian Literature or the European nineteenth century

The Reception of Charles Dickens in Europe Michael Hollington, 2013-08-29 *The Reception of Charles Dickens in Europe*

offers a full historical survey of Dickens's reception in all the major European countries and many of the smaller ones filling a major gap in Dickens scholarship which has by and large neglected Dickens's fortunes in Europe and his impact on major European authors and movements. Essays by leading international critics and translators give full attention to cultural changes and fashions such as the decline of Dickens's fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism and the subsequent upswing in the period of Modernism in part as a consequence of the rise of film in the era of Chaplin and Eisenstein. It will also offer accounts of Dickens's reception in periods of political upheaval and revolution such as during the communist era in Eastern Europe or under fascism in Germany and Italy in particular.

The Reception of H.G. Wells in Europe Patrick Parrinder, John S. Partington, 2013-02-14 H.G. Wells was described by one of his European critics as a seismograph of his age. He is one of the founding fathers of modern science fiction and as a novelist, essayist, educationalist and political propagandist, his influence has been felt in every European country. This collection of essays by scholarly experts shows the varied and dramatic nature of Wells's reception including translations, critical appraisals, novels and films on Wellsian themes and responses to his own well-publicized visits to Russia and elsewhere. The authors chart the intense ideological debate that his writings occasioned particularly in the inter-war years and the censorship of his books in Nazi Germany and Francoist Spain. This book offers pioneering insights into Wells's contribution to 20th-century European literature and to modern political ideas including the idea of European union.

Reception of H.G. Wells in Europe Review

Laurence Sterne's A Sentimental Journey W. B. Gerard, M-C. Newbould, Melvyn New, 2021-03-12
