

Globalization of Religion

At the end of this module, you are expected to:

1. Explain how globalization affects religious practices and beliefs;
2. Analyze the relationship between religion and global conflict, and conversely, global peace.

WHAT IS RELIGION?

The English word *religion* is from the Latin verb *religare*, which means "to tie" or "to bind fast". A contemporary scholar defines religion as "a system of beliefs, rituals, and practices, usually institutionalized in one manner or another, which connects this world with the beyond. It provides the bridge that allows humans to approach the divine, the universal life force that both encompasses and transcends the world". This substantive definition of religion limits religion to the belief in supernatural or divine force. However, for its functional definition, religion is anything that provides an individual
