Religion in the Liberal Polity Terence Cuneo, 2005 A collection of essays on the subject of religion public discourse and modern liberal democracy The essays are divided into two sections including a number of well known contributors 1

Foundations Rights and Authorities 2 Religious Reasons and Virtuous Conduct

Free Exercise of Religion in the Liberal Polity Emily R. Gill, 2019-08-21 This book addresses the challenge of providing for the free exercise of religion

without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage

Religious Conviction in Liberal Politics Christopher J. Eberle, 2002-05-02 What role should a citizen's religious convictions play in her political activities Is she for example permitted to decide on the basis of her religious convictions to support laws that criminalize abortion or discourage homosexual relations Christopher Eberle is deeply at odds with the dominant orthodoxy among political theorists about the relation of religion and politics His argument is that a citizen may responsibly ground her political commitments on religious beliefs even if her only reasons for her political commitments are religious in nature His ideal of citizenship allows citizens to engage in politics without privatizing their religious commitments and yet does not license mindless and intransigent sectarianism An inherently controversial book that offers a substantial challenge to political liberalism it will be read by students and professionals in philosophy political science law and religious studies and general readers seeking insight into the relationship between religious commitments and liberal politics

The Politics of Patriotism Jonathan Parry, 2006-11-30 Parry offers an analysis of the ideas that influenced the Liberal political coalition between the 1830s and 1880s

Contemporary Political Philosophy and Religion Camil Ungureanu, Paolo Monti, 2017-12-12 What is the place of religion in a pluralist democracy

The continuous presence of religion in the public sphere has raised anew normative and practical issues related to the role of religion in a democratic polity generating spirited political debates in Western and non Western contexts Contemporary Political Philosophy and Religion provides an advanced introduction to and a critical appraisal of the major schools of political thought with a focus on the relationship between democracy and religion Key features of this book include Analyses

of different political traditions liberalism republicanism deliberative democracy feminism postmodernism multiculturalism and interculturalism Critical discussions of key contemporary philosophers such as John Rawls Jürgen Habermas Richard Rorty Charles Taylor Susan Moller Okin Martha Nussbaum Will Kymlicka Chandran Kukathas and Bhiku Parekh A pluralist approach that questions the strict divide between analytical and continental political philosophy Discussion on the place of religion in politics from multiple perspectives by drawing on a plurality of political contexts both Western and non Western Analyses of legal and political cases related to different religious traditions for example Islam Confucianism Buddhism Christianity and Hinduism This comprehensive text will be of great use to students of religion and politics in the fields of political and legal theory and religious and theological studies while also offering critical insights and arguments that will be of interest to the experts in the field

Liberalism's Religion Cécile Laborde, 2017-09-25 Cécile Laborde argues that religion is more than a statement of belief or a moral code It refers to comprehensive ways of life theories of justice modes of association and vulnerable collective identities By disaggregating these dimensions she addresses questions about whether Western secularism and religion can be applied more universally

Roots of Theological Anti-Semitism (paperback) Anders Gerdmar, 2008-12-31 As Adolf Hitler strategised his way to power he knew that it was necessary to gain the support of theology and the Church This study begins two hundred years earlier however looking at roots of theological anti-Semitism and how Jews and Judaism were constructed positively and negatively in the biblical interpretation of German Protestant theology Following the two main streams of German theology the salvation historical and the Enlightenment oriented traditions it examines leading exegetes from the 1750s to the 1950s and explores how theology legitimises or delegitimises oppression of Jews in part through still prevailing paradigms This is the first comprehensive analysis of its kind and the result of the analysis of the interplay between biblical exegesis and attitudes to Jews and Judaism is a fascinating and often frightening portrait of theology as a servant of power

Cultural Policy Review of Books Oliver Bennett, 2014-06-11 Cultures are shaped by many institutions and agencies including governments corporations education and the media In recent years research into these culture shaping activities has been increasingly associated with the developing field of cultural policy studies The Cultural Policy Review of Books offers a fascinating insight into the intellectual formation of many of the leading figures that have contributed to this field Invited to write a short review essay on the book that had most influenced their thinking 41 academics and researchers from around the world reveal what they consider to be essential reading Including essays on Bourdieu de Certeau Foucault Gramsci Habermas and Williams as well as many lesser known writers the collection throws new light on the intellectual underpinning of cultural policy studies It will be of interest not only to researchers students and teachers in this field but to all those looking to understand the forces that shape the culture of modern societies

Faith in Politics Bryan T. McGraw, 2014-05-14 Explores the relationship between religion and liberal democracy and the roles religion can play in modern democratic orders

Of the laws of ecclesiastical polity. Book V-VIII. A supplication

made to the council by Master Walter Travers. Master Hooker's answer to the supplication that Master Travers made to the council. A learned discourse of justification, works, and how the foundation of faith is overthrown. A learned sermon of the nature of pride. A remedy against sorrow and fear, delivered in a funeral sermon. Of the certainty and perpetuity of faith in the elect: ... Two sermons upon part of St. Jude's epistle. A sermon upon Matt. vii. 7,8 Richard Hooker,1825 *Works in Eight Books of the Laws of Ecclesiastical Polity* Richard Hooker (théologien),1723

Habermas and Religion Craig Calhoun,Eduardo Mendieta,Jonathan VanAntwerpen,2013-12-17 To the surprise of many readers Jürgen Habermas has recently made religion a major theme of his work Emphasizing both religion's prominence in the contemporary public sphere and its potential contributions to critical thought Habermas's engagement with religion has been controversial and exciting putting much of his own work in fresh perspective and engaging key themes in philosophy politics and social theory Habermas argues that the once widely accepted hypothesis of progressive secularization fails to account for the multiple trajectories of modernization in the contemporary world He calls attention to the contemporary significance of postmetaphysical thought and postsecular consciousness even in Western societies that have embraced a rationalistic understanding of public reason Habermas and Religion presents a series of original and sustained engagements with Habermas's writing on religion in the public sphere featuring new work and critical reflections from leading philosophers social and political theorists and anthropologists Contributors to the volume respond both to Habermas's ambitious and well developed philosophical project and to his most recent work on religion The book closes with an extended response from Habermas itself a major statement from one of today's most important thinkers The Province of the Intellect in Religion Deduced from Our Lord's Sermon on the Mount, and Considered with Reference to Prevalent Errors ... Thomas Worsley (Master of Downing College, Cambridge.),1845 The Province of the Intellect in Religion Deduced from Our Lord's Sermon on the Mount, and Considered with Reference to Prevalent Errors. [With a Synoptical Table.] Thomas WORSLEY (Master of Downing College, Cambridge.),1845 **The Task of Theology** Anselm Min ,2014-09-11 A rare opportunity to read and reflect upon the thought of some of the most prominent voices in contemporary theology in one volume this collection offers informative indicators of the state of theology today Together these provocative essays offer a resource for teachers and a chance to facilitate conversation among those working in different areas of an increasingly fragmented discipline Publisher **Inspiring Faith in Schools** Marius Felderhof,2016-05-23 Inspiring Faith in Schools addresses the privileging of secularism that appears to affect RE in countries influenced by modern western thought The authors argue that a more engaging form of RE would emerge if religious life were to inhabit centre stage Currently religious faith is made to hover in the wings awaiting the call to face the inquisitorial challenge of the modern day enquirer The consequent relationship between pupil and the Divine as the purpose of study is then already intrinsically irreligious as indicated in the Book of Job by putting God in the dock whereas it is the pupil who should be cross examining his or her life

Democracy and Tradition Jeffrey Stout,2004 Asking how the citizens of modern democracy can reason with one another this book carves out a controversial position between those who view religious voices as an anathema to democracy and those who believe democratic society is a moral wasteland because such voices are not heard Theology, Political Theory, and Pluralism Kristen Deede Johnson,2007-01-25 How can we live together in the midst of our differences This is one of the most pressing questions of our time Tolerance has been the bedrock of political liberalism while proponents of agonistic political thought and radical democracy have sought an answer that allows a deeper celebration of difference Kristen Deede Johnson describes the move from tolerance to difference and the accompanying move from epistemology to ontology within political theory Building on this ontological turn in search of a theological answer to the question she puts Augustine into conversation with recent political theorists and theologians This theological option enables the Church to envision a way to engage with contemporary political society without losing its own embodied story and practices It contributes to our broader political imagination by offering a picture of rich engagement between the many different particularities that constitute a pluralist society
