gate and narrow is the way that leads to life and few there be that find it The consideration of these things has long engaged me to attend to this matter with the utmost diligence and care and exactness of search and inquiry that I have been capable of It is a subject on which my mind has been peculiarly intent ever since I first entered on the study of divinity But as to the success of my inquiries it must be left to the judgment of the reader of the following treatise Religious Affections Jonathan Edwards,2013-12 Jonathan Edwards published A Treatise Concerning Religious Affections more commonly known as Religious Affections in 1746 to explain how true salvation occurs The work was born out of a concern for outbursts of emotion that were common during the Great Awakening which had begun in Edwards' church in 1734 In this work Edwards explains how emotion and intellect may both be present but are inadequate for salvation A show of emotion is neither evidence of or evidence against one's salvation It is God's converting grace that leads people to recognize and accept salvation through Jesus Christ Edwards systematically explains that the true religious affections are the Fruits of the Spirit all of which must flow out of love
