Religious Sentimentalism In The Age Of Johnson 1740 1780:

1740 - 1780 Hoxie Neale Fairchild,1942 1740-1780 ,1949 *Religious trends in English poetry. 2 : 1740 - 1780.*
Religious sentimentalism in the age of Johnson Hoxie Neale Fairchild,1958 **Religious Trends in English Poetry** Hoxie Neale Fairchild,1942 Religious Trends in English Poetry Hoxie Neale Fairchild,1950 The Cambridge History of English Literature, 1660-1780 John Richetti,2005-01-06 The Cambridge History of English Literature 1660 1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume s guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully **Religious trends in English poetry. 2 : 1740 - 1780. Religious sentimentalism in the age of Johnson** Hoxie Neale Fairchild,1958 *A Companion to Eighteenth-Century Poetry* Christine Gerrard,2014-02-10 A COMPANION TO EIGHTEENTH CENTURY POETRY A COMPANION TO EIGHTEENTH CENTURY POETRY Edited by Christine Gerrard This wide ranging Companion reflects the dramatic transformation that has taken place in the study of eighteenth century poetry over the past two decades New essays by leading scholars in the field address an expanded poetic canon that now incorporates verse by many women poets and other formerly marginalized poetic voices The volume engages with topical critical debates such as the production and consumption of literary texts the constructions of femininity sentiment and sensibility enthusiasm politics and aesthetics and the growth of imperialism The Companion opens with a section on contexts considering eighteenth century poetry s relationships with such topics as party politics religion science the visual arts and the literary marketplace A series of close readings of specific poems follows ranging from familiar texts such as Pope s *The Rape of the Lock* to slightly less well known works such as Swift s *Stella* poems and Lady Mary Wortley Montagu s *Town Eclogues* Essays on forms and genres and a series of more provocative contributions on significant themes and debates complete the volume The Companion gives readers a thorough grounding in both the background and the substance of eighteenth century poetry and is designed to be used alongside David Fairer and Christine Gerrard s *Eighteenth Century Poetry An Annotated Anthology* 3rd edition 2014 **Religious Trends in English Poetry** H. N. Fairchild,2010-06-01 **Religious Trends in English Poetry The Eighteenth Century** James Sambrook,2014-07-15 This is an impressive and lucid survey of eighteenth century intellectual life providing a real sense of the complexity of the age and of the cultural and intellectual climate in which imaginative literature flourished It reflects on some of the dominant themes of the period arguing against such labels as Augustan Age Age of Enlightenment and Age of

Reason which have been attached to the eighteenth century by critics and historians **English Literature, Volume 2**

Louis A. Landa, 2015-12-08 Two volumes containing the annual bibliographies of 18th century scholarship published in the Philological Quarterly An excellent aid to the student of 18th century literature Saturday Review Volume 2 1939 1950 includes consolidated index for both volumes Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *English Congregational Hymns in the Eighteenth Century* Madeleine Forrell Marshall, Janet M. Todd, 2014-07-15 Historians of the English congregational hymn focusing on its literary or theological aspects have usually found the genre out of step with the rationalist era that produced it This book takes a more balanced approach to the work of four writers and concludes that only eighteenth century Britain with its understanding of public verse common truth and the utility of poetry could have invented the English hymn as we know it The early hymns sought to inspire teach stir and entertain congregations The essential purpose shifted slightly in line with each poet's setting and in accord with the poetic thought of his day For Isaac Watts's Independents powerful traditional imagery was appropriate Charles Wesley's enthusiasm proceeded from and served the spirit of the revival John Newton's prophetic vision particularly suited the impoverished community at Olney William Cowper's masterful handling of formal conventions and his idiosyncratic personal hymns reflect his poetic rather than clerical vocation Despite such temporal variations the great poetry by each man displays themes of general Christian relevance suggesting common experience showing normative features of the genre and bearing a complex and intriguing relationship to secular literature *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 Religious Trends in English Poetry Hoxie Neale Fairchild, 1942-11 This collection of short stories focuses on the Scottish civil war of 1644-45 in which the Marquis of Montrose led his royalist forces in a series of stunning victories against the odds before his final defeat at Philiphaugh Each of Hogg's five tales centres on one of the five major battles of Montrose's brilliant but ultimately futile campaign Each tale is utterly different from the others in genre and tone but taken together they build up a composite picture of what it was like to experience the anarchy and confusion of the time at first hand **Religious Trends in English Poetry** Hoxie Neale Fairchild, 1964 **Religious Trends in English Poetry: 1780-1830: Romantic faith** Hoxie Neale Fairchild, 1939 **The Silent Revolution and the Making of Victorian England** Herbert Schlossberg, 2000 Schlossberg senior research associate the Ethics and Public Policy Center argues that by the time Victoria became queen in 1837 Victorian culture was already in place Focusing on the period between the 1790s and the 1840s he shows how the religious revival that took hold of England's culture constituted a silent revolution that formed the basis of Victorian culture He

describes various manifestations of the religious revival focusing on the main renewal movements in the Church of England and the spread of evangelicalism to dissenting religious groups Annotation copyrighted by Book News Inc Portland OR

The Problem of Slavery in Western Culture David Brion Davis, 1988-10-20 Winner of several national awards including the 1967 Pulitzer Prize this classic study by David Brion Davis has given new direction to the historical and sociological research of society's attitude towards slavery Davis depicts the various ways different societies have responded to the intrinsic contradictions of slavery from antiquity to the early 1770s in order to establish the uniqueness of the abolitionists' response While slavery has always caused considerable social and psychological tension Western culture has associated it with certain religious and philosophical doctrines that gave it the highest sanction The contradiction of slavery grew more profound when it became closely linked with American colonization which had as its basic foundation the desire and opportunity to create a more perfect society Davis provides a comparative analysis of slave systems in the Old World a discussion of the early attitudes towards American slavery and a detailed exploration of the early protests against Negro bondage as well as the religious literary and philosophical developments that contributed to both sides in the controversies of the late eighteenth century This exemplary introduction to the history of slavery in Western culture presents the traditions in thought and value that gave rise to the attitudes of both abolitionists and defenders of slavery in the late eighteenth century as well as the nineteenth century

The Problem of Slavery in the Age of Revolution, 1770-1823 David Brion Davis, 1999 David Brion Davis's books on the history of slavery reflect some of the most distinguished and influential thinking on the subject to appear in the past generation The Problem of Slavery in the Age of Revolution the sequel to Davis's Pulitzer Prize winning The Problem of Slavery in Western Culture and the second volume of a proposed trilogy is a truly monumental work of historical scholarship that first appeared in 1975 to critical acclaim both academic and literary This reprint of that important work includes a new preface by the author in which he situates the book's argument within the historiographic debates of the last two decades

The Death of Christian Britain Callum G. Brown, 2013-04-15 The Death of Christian Britain uses the latest techniques to offer new formulations of religion and secularisation and explores what it has meant to be religious and irreligious during the last 200 years By listening to people's voices rather than purely counting heads it offers a fresh history of de-christianisation and predicts that the British experience since the 1960s is emblematic of the destiny of the whole of western Christianity Challenging the generally held view that secularization has been a long and gradual process beginning with the industrial revolution it proposes that it has been a catastrophic short term phenomenon starting with the 1960s Is Christianity in Britain nearing extinction Is the decline in Britain emblematic of the fate of western Christianity Topical and controversial The Death of Christian Britain is a bold and original work that will bring some uncomfortable truths to light

This is likewise one of the factors by obtaining the soft documents of this **Religious Sentimentalism In The Age Of Johnson 1740 1780** by online. You might not require more mature to spend to go to the ebook initiation as well as search for them.
