Reluctant Saviour Australia Indonesia And The Independence Of East Timor:

Reluctant Saviour Clinton Fernandes, 2004 No Marketing Blurb **Reluctant Saviour: Australia, Indonesia, and the Independence of East Timor, (by) Clinton Fernandes** Clinton Fernandes, 2004 A Not-so-distant Horror Joseph Nevins, 2005 In his view much if not all of the horror that plagued East Timor in 1999 and in the 24 preceding years could have been avoided had countries like Australia Japan the United Kingdom and especially the United States not provided Indonesia with valuable political economic and military assistance as well as diplomatic cover East Timor Intervention John Blaxland, 2015-09-01 Australia's involvement in the liberation of East Timor in 1999 was the most decisive demonstration of Australian influence in the region since World War II and the largest military contribution since the Vietnam War Australian diplomacy and leadership shaped the events that led to the birth of Asia's newest nation East Timor Intervention looks at the crisis through the prism of key participants and observers on the ground and abroad including Indonesia's martial law commander Kiki Syahnakri defending his record the country's first president Xanana Gusmão on the resolution and poise of Timor's resistance fighters Australia's Chief of Defence Force Chris Barrie on cobbling the force together commander of the International Force Peter Cosgrove on the operation and key policy adviser Hugh White on Canberra's policy contortions in the lead up to the intervention This impressive collection includes significant new perspectives on Southeast Asian security affairs and the role Australia can play in regional security and stability **East Timor, René Girard and Neocolonial Violence** Susan Connelly, 2022-01-13 In a new historical interpretation of the relationship between Australia and East Timor Susan Connelly draws on the mimetic theory of René Girard to show how the East Timorese people were scapegoated by Australian foreign policy during the 20th century Charting key developments in East Timor's history and applying three aspects of Girard's framework the scapegoat texts of persecution and conversion Connelly reveals Australia's mimetic dependence on Indonesia and other nations for security She argues that Australia's complicity in the Indonesian invasion and occupation of East Timor perpetuated the sacrifice of the Timorese people as victims thus calling into question the traditional Australian values of egalitarianism and fairness Connelly also examines the embryonic conversion process apparent in levels of recognition of the innocent victim and of the Australian role in East Timor's suffering as well as the consequent effects on Australian self-perception Emphasising Girardian considerations of fear suffering forgiveness and conversion this book offers a fresh perspective on Australian and Timorese relations that in turn sheds light on the origins and operations of human violence **Reluctant Indonesians** Clinton Fernandes, 2006 Surveys the rise of the West Papuan independence movement its potential to succeed and its likely impact on Australia Indonesia and the region He looks to the lessons that can be learnt from East Timor and offers tactical insights into the challenges that Australia faces as it negotiates its future in the region **Timor-Leste's Long Road to Independence** Zelia Pereira, Rui Graça Feijó, 2025-10-01 From a much neglected Portuguese colony to independence Timor-Leste travelled a belated long and

troubled journey that included a 24 year Indonesian occupation A classic process of European decolonization 1974 1975 was followed by a nationalist struggle against Third World Colonialism 1975 1999 and a final phase under the direct aegis of the United Nations 1999 2002 More than a direct relation between coloniser and colonised this turbulent process involved the participation of many different actors scattered around the world The Timor Issue brought to the scene a martyred people s determination the diplomacy of several nations friends or foes the involvement of the United Nations and the activism of solidarity networks This collection adopts a transnational approach that highlights the complexity of Timor Leste s road to independence *Human Rights in Twentieth-Century Australia* Jon Piccini, 2019-10-10 Human rights in Australia have a

contested and controversial history the nature of which informs popular debates to this day **International Terrorism Post-9/11** Asaf Siniver, 2010-04-05 This edited volume brings together both western and non western approaches to counter terrorism in the post 9 11 era This multi cultural study of counter terrorism strategies identifies common lessons from failed and successful attempts to counter the terrorist threat and provides guidelines for an effective counter terrorism strategy The book explores the changing dynamics of terrorism from a range of perspectives from the global threat posed by home grown terrorism in North Africa and the larger security dimensions in the Middle East to the various strategies employed by western and non western societies in their efforts to develop effective counter terrorism strategies Core themes in the book include the divergent dynamics of the phenomena categorised under the terrorism label and the domestic national and regional variants of international terrorism As such the book offers in depth analysis of the relationship between the local and the global both in the root causes of and responses to terrorism since 9 11 This book will be of much interest to students of terrorism and political violence security studies and IR Asaf Siniver is Lecturer in International Security in the Department of Political Science and International Studies at the University of Birmingham **Genocide and Mass Atrocities in Asia**

Deborah Mayersen, Annie Pohlman, 2013-06-03 The twentieth century has been labelled the century of genocide and according to estimates more than 250 million civilians were victims of genocide and mass atrocities during this period This book provides one of the first regional perspectives on mass atrocities in Asia by exploring the issue through two central themes Bringing together experts in genocide studies and area specialists the book looks at the legacy of past genocides and mass atrocities with case studies on East Timor Cambodia and Indonesia It explores the enduring legacies of trauma and societal divisions the complex and continuing impacts of past mass violence and the role of transitional justice in the aftermath of mass atrocities in Asia Understanding these complex legacies is crucial for the region to build a future that acknowledges the past The book goes on to consider the prospects and challenges for preventing future mass atrocities in Asia and globally It discusses both regional and global factors that may impact on preventing future mass atrocities in Asia and highlights the value of a regional perspective in mass atrocity prevention Providing a detailed examination of genocide and mass atrocities through the themes of legacies and prevention the book is an important contribution to Asian Studies and

Security Studies *Modern Genocide* Paul R. Bartrop, 2019-09-12 This book provides an indispensable resource for anyone researching the scourge of mass murder in the 20th and 21st centuries effectively using primary source documents to help them understand all aspects of genocide This illuminating primary source collection closely examines and analyzes primary documents related to genocides focusing on genocidal events from the beginning of the 20th century to the present Thematically organized into eight sections each document comes with an introduction and analysis written by the author that helps provide the crucial historical background for the users of this title to learn about the complexities of genocide The first section considers a range of definitional matters relating to genocide crimes against humanity and war crimes the second section relates to warnings of impending genocide and how they have been received the third considers atrocities and how they have been perpetrated the fourth is an examination of examines a range of resistance initiatives that have been taken in response to genocide the fifth looks at reactions to genocide from outside actors the sixth considers the ways in which states have intervened to stop genocide the seventh relates to post genocide justice measures and the eighth section relates to how states and NGOs have sought to prevent genocide

Resisting Violence and Victimisation Joel Hodge, 2016-03-23 The reality and nature of religious faith raises difficult questions for the modern world questions that re present themselves when faith has grown under the most challenging circumstances In East Timor widespread Christian faith emerged when suffering and violence were inflicted on the people by the state This book seeks a deeper understanding of faith and violence exploring how Christian faith and solidarity affected the hope and resistance of the East Timorese under Indonesian occupation in their response to state sanctioned violence Joel Hodge argues for an understanding of Christian faith as a relational phenomenon that provides personal and collective tools to resist violence Grounded in the work of mimetic theorist Ren Girard Hodge contends that the experience of victimisation in East Timor led to an important identification with Jesus Christ as self giving victim and formed a distinctive communal and ecclesial solidarity The Catholic Church opened spaces of resistance and communion that allowed the Timorese to imagine and live beyond the violence and death perpetrated by the Indonesian regime Presenting the East Timorese stories under occupation and Girard s insights in dialogue this book offers fresh perspectives on the Christian Church s ecclesiology and mission

Australia and the Insular Imagination S. Perera, 2009-10-26 This book maps the seascape borders of Australia s insular imagination It explores how the boundaries and contours of the nation were made and remade in the first years of the war on terror offering a striking reassessment of the territoriality of the island continent

Narrative of Denial Peter Job, 2021-06-01 The Indonesian invasion of East Timor in 1975 led to a prolonged conflict severe human rights abuses and a large loss of life From 1975 to 1983 the Indonesian military s campaign of encirclement and annihilation destroyed rural food resources creating the famine that took most of the lives lost during the occupation The Australian governments of Gough Whitlam and Malcolm Fraser presented themselves as advocates for human rights and the international rule of law while viewing relations with Indonesia as key to their foreign

policy objectives These positions came into conflict due to the Indonesian invasion of East Timor Based upon an extensive study of Australian foreign affairs archives as well as interviews A Narrative of Denial demonstrates how the Australian government responded to the conflict by propagating a version of events that denied the reality of the catastrophe occurring in East Timor It worked to protect the Suharto regime internationally thereby allowing it to continue its repression relatively unhindered This remarkable story will unsettle existing perceptions of how Australia operates in world affairs *Journalism and Conflict in Indonesia* Steve Sharp,2013 This book examines through the case study of Indonesia over recent decades how the reporting of violence can drive the escalation of violence and how journalists can alter their reporting practices in order to have the opposite effect and promote peace It discusses the nature of press freedom in Indonesia from 1966 onwards considers the relationship between the press and politicians and explores journalistse tm working methods It goes on to outline in detail the communal wars in eastern Indonesia in the period 1999 2000 arguing that communication as much as physical preparations for violence were key to bringing about the wars with journalistse tm rigid professional routines and newswriting conventions causing them to reproduce and enlarge the battle cries of those at war The book concludes by advocating a development communication approach to journalism in transitional settings in order to help journalists to counter the disintegrative tendencies of failing states and the communal strife that can result **Zombie Myths of Australian Military History** Craig A. J. Stockings,2010 In this fascinating account leading Australian military historians tackle 10 of the most enduring historical zombies or national myths that have staggered their way through the halls of military history for more than 200 years From Aboriginal resistance and invasion to Australia s recent involvement in East Timor this record disproves the incorrectly memorialized and so called gallant deeds of past Australian servicemen Provocative and opinionated this record attempts to correct the historical record *Reflections on War, Diplomacy, Human Rights and Liberalism* Adam Hughes Henry,2020-12-01 For most people the idea that extremist ideologies glorify themselves through warfare and commit crimes against humanity and genocide is the natural extension of their moral and philosophical failings As this volume outlines liberal democracies such as Australia and others also glorify in war and they may also at various times engage in support or turn a blind eye to crimes against humanity or genocide However liberal democracies such as Australia the US and the UK among others routinely present themselves as arbiters of liberal values defenders of human rights and guardians of virtue This book explores the obvious contradiction between the ideals of liberalism and how liberal democracies ignore and at times even justify their failure to uphold the principles they espouse *Violence after War* Michael J. Boyle,2014-04-15 Developing a better understanding of the dynamics of violence in post war states can lead to a more durable peace The end of one war is frequently the beginning of another because the cessation of conflict produces two new challenges a contest between the winners and losers over the terms of peace and a battle within the winning party over the spoils of war As the victors and the vanquished struggle to establish a new political order incidents of low level violence

frequently occur and can escalate into an unstable peace or renewed conflict Michael J Boyle evaluates the dynamics of post conflict violence and their consequences in *Violence after War* In this systematic comparative study Boyle analyzes a cross national dataset of violent acts from 52 post conflict states and examines in depth violence patterns from five recent post conflict states Bosnia Rwanda Kosovo East Timor and Iraq In each of the case studies Boyle traces multiple pathways through which violence emerges in post conflict states and highlights how the fragmentation of combatants especially rebel groups produces unexpected and sometimes surprising shifts in the nature type and targets of attack His case studies are based on unpublished data on violent crime including some from fieldwork in Kosovo East Timor and Bosnia and a thorough review of narrative and witness accounts of the attacks The case study of Iraq comes from data that Boyle obtained directly from U S Central Command published here for the first time *Violence after War* will be essential reading for all those interested in political violence peacekeeping and post conflict reconstruction

René Girard and Creative Reconciliation

Vern Neufeld Redekop, Thomas Ryba, 2014-01-09 The contribution of this book to the field of reconciliation is both theoretical and practical recognizing that good theory guides effective practice and practice is the ground for compelling theory Using a Girardian hermeneutic as a starting point a new conceptual Gestalt emerges in these essays one not fully integrated in a formal way but showing a clear understanding of some of the challenges and possibilities for dealing with the deep divisions enmity hatred and other effects of violence By situating discourse about reconciliation within the context of Girardian thought it becomes clear that like Peter who vowed he would never deny Jesus but ended up doing it three times any of us is susceptible to the siren call of angry resentment and retaliation It is with a profound awareness of the power of violence that the emergence of mimetic discourse around reconciliation takes on particular urgency

Third World Colonialism and

Strategies of Liberation Awet Tewelde Weldemichael, 2013 This book shows how Eritrea and East Timor developed sophisticated strategies to liberate their countries from colonialism and emphasizes that these insurgencies avoided terrorism
