Schubert's Reputation from His Time to Ours Geoffrey Block,2024-12-30 The composer Franz Schubert 1797 1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert's major instrumental works finally and fully emerged from Beethoven's shadow Critics and scholars began to reinterpret Schubert's departures from Beethoven's formal and stylistic characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert's alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert's approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert's Reputation from His Time to Ours tells the story of how and why this has happened **Focus On: 100**

Virtuosi Mark Mitchell, 2000-11-22 Virtuosi A Defense and a Sometimes Erotic Celebration of Great Pianists Mark Mitchell A bravura performance Vigorous opinionated and always entertaining here is a personal essayist of great charm and sincerity Mitchell's erudition his collection of odd and illuminating bits of knowledge is always a delight and adds a sauce piquante to the whole dish Edmund White a literary work of real lan vibrancy and grace the very qualities that in his view define the virtuoso Mr Mitchell explores the traditional linking of musical and sexual virtuosity the ethical implications of the original instruments movement the near deification of Mozart in Anglo Saxon culture and in a particularly witty section the relationship of the virtuoso to his stool Throughout Mr Mitchell's prose is humorous intimate and unapologetically polemical Cynthia Ozick The artistic merit of performers with superior technique has long been almost ipso facto denied At last Mark Mitchell launches a counterattack In essays crackling with pianistic lore Mitchell takes on topics such as encores prodigies competitions virtuosi in film and literature and the erotics of musical

performance Liszt Horowitz and Argerich share these pages with the eccentric Pachmann Ervin Nyiregyh the skid row pianist and Liberace The illustrations include rare portraits of long forgotten girl prodigies historic concert programs and stills from a lost 1927 film on Beethoven Punctuating this celebration of personal voice are vignettes running from the beginnings of the author s obsession with the piano to the particularities of concert going in Italy where he now lives Mark Mitchell s piano studies led to a friendship with Vladimir Horowitz and other pianistic luminaries With David Leavitt he co authored *Italian Pleasures* and co edited *Pages Passed from Hand to Hand* He also edited *The Penguin Book of International Gay Writing*
