

Good Morning

A vibrant yellow bird is perched on a branch, surrounded by several large white flowers with yellow centers and green leaves. The background is a soft, light yellow color.

Friends,
remember
life is
short,

Grudges are a waste of time, laugh when you can,
apologize when you should, let go of what you
can't change. Love deeply and forgive quickly.

God bless you!

Remember The Morning:

Father and Son Marcos Giralt Torrente,2014-09-09 This is a story about two people but I m the only one telling it Many authors have wrestled with the death of a father in their writing but few have grappled with the subject as fiercely or as powerfully as the brilliant Spanish writer Marcos Giralt Torrente does in *Father and Son* the mesmerizing and discomfiting memoir that won him Spain s highest literary award the Spanish National Book Award Giralt Torrente is best known for his fiction but it is in this often savage memoir that he demonstrates the full measure of his gifts In the months following his father s death from cancer Giralt Torrente could not write until he began to write about his father In many ways they were strangers to each other after his parents relationship ended when he was quite young Giralt Torrente s father remained in contact with him but held himself at a distance Silences began to linger prompted by Giralt Torrente s anger at his father s lies and absences and perpetuated by their inability to speak about the sources of the conflicts between them But despite their differences they had a strong bond and in the months leading up to his father s death from cancer they groped toward reconciliation Here the author commits to exploring it all sparing neither his father nor himself conscious of their flaws but also understanding of them Weaving together history and personal narrative Giralt Torrente crafts a startlingly honest account of a complex relationship and an indelible portrait of both father and son Beautifully translated by Natasha Wimmer the award winning translator of Roberto Bola o and as lyrical and clear eyed on mourning as Joan Didion s *The Year of Magical Thinking* *Father and Son* is an uncommonly gripping memoir by an uncommonly talented writer **All The People** Annalisa Conti,2014-11-25 Who is really Sylvia Fischer Psychoanalyst Alexander Williams will have to unveil the truths and the mysteries behind his patient s disappearance in this women s fiction novel All patients have problems and Doctor Alexander Williams knows it that s why they come back every week they sit on a sofa in his psychoanalysis practice and they tell him their stories But what is it about Sylvia Fischer that he has never been able to quite grasp Maybe the way she never mentions her life before deciding to marry her husband a boring cheating rich New York boy Or the way she talks with a deep voice and a British accent even if she was born in Texas Or maybe Dr Williams can feel the pale halo of depression that surrounds her One day Sylvia Fischer tells Dr Williams a new story there s a man she s been in love with for many years who now wants her to run away with him And away she goes Sylvia Fischer doesn t simply leave though she disappears no words are left for her husband her two year old daughter her parents No one knows anything about that man from Sylvia s past but Alexander Williams wants to believe that she has found her happiness Until everything collapses New York is the host and the beating heart of this novel the city will guide the reader through its streets rivers and parks inhabited by living souls and roaming ghosts of the past Reviewers off ALL THE PEOPLE say you cannot put it down it is capturing reader s attention since the very first lines and it has a very deep and accurate psychological perspective **Official Report of the ...** **International Christian Endeavor Convention** ,1896 **Ruby in the Sky** Jeanne Zulick Ferruolo,2019-02-05 A
