Remember We Come From Good Stock:

Family from Good Wholesome Stock Norma Love Becker, 2022-04-27 The 1700 1800 s was a period of drastic change for those that immigrated to the U S from their own homelands Leaving family members behind for a long and bold migration trip was often out of desperation They were willing to face overwhelming challenges and risks for successfully paving the way for you and me today My families came to America to seek refuge from Ireland and England with inspired optimism driven by a dream to own their own land and to seek independent liberty and freedom They saw potential in trying new adventures and to accept new things The journeys were difficult and dangerous for the people and the animals They pushed boundaries to advance a cause and had determination in succeeding by overcoming those great challenges I want to preserve what my ancestors did for me and continue their good morals and faith I m curious about where my ancestors came from and the origin of Love my last name I know family ties and morals from good wholesome stock led me as I grew up But change happens so it is up to me to preserve what my life was like and accept the new changes that comes But as I approach the winter of my life I find it has caught me by surprise that I m in it How did it get here so fast Where did the years go It seems like yesterday that I was young But by reminiscing my memories through people I knew old snapshots newspaper clippings and stories told I feel the joy in being just a little younger by writing my life for you I hope you can relate P S This is a follow up story to my first book Four Generations on the Love Farm I want my children to know the impact families have by knowing one another They were important to me Today distance interferes with that and I wanted my children to realize they also came from good wholesome stock *The Letter* Christine Gardner, **All That I Am with Thoughts and Dreams** Tanya Lynn Walker, 2010-05-21 In understanding who I am and the journey it took to get me from one point in my life to another I have written this book of poetry as the link to a creative process of true and honest emotions I am the force behind my own energy and fate Through purpose and passion it is with joy and happiness I share my unshakeable truths My world revolves around interpretations of rhythm and rhyme While some may view these poems as thought provoking they are merely words of beauty and power that surround me in my space and time The passion and light reflected in this book are responses to inspirations tragedies love and faith a way that helps me to connect with the modern reader They are words that I have spoken and thought of in my mind and heart Poetry is love in any language and because I am in love with life I have written these love songs to those that have achieved something greater than the power of words Poetry is wisdom and the humility that comes from wisdom All the knowledge that I have gained from wisdom comes from heaven I am but a lonely dreamer

God's Diet Dr. Dorothy Gault-McNemee,2010-04-07 Dorothy Gault McNemee is a medical doctor who had tried every diet she could find to control the weight gains that had plagued her throughout her life As the founding physician of a busy health clinic she also saw that overweight patients who were suffering from a variety of diseases were far worse off than those who had their weight under control As a result Dr Gault McNemee began to examine

what we eat and what our slimmer healthier ancient forebears ate They didn't have processed foods and access to sugar they weren't consuming alcohol and foods that had been mixed with artificial ingredients they couldn't pronounce They were eating what God put on this earth meat fish fruit vegetables grains and nuts And thus was God's Diet born In other words if you can't pick it pluck it pull it from the earth or scale it don't eat it If you pick up a can or a package of food that includes even one ingredient that you can't identify don't eat it Dr Gault McNemee also cautions that far too many foods contain sugar as an additive from cereal to bread to canned vegetables Prepare foods simply and avoid sugar but while you're at it have a steak and a baked potato with butter and sour cream In God's Diet Dr Gault McNemee has compiled numerous case studies from her own practice inspiring advice from people like herself whose lives have been changed for the better information on vitamins minerals and cholesterol and menu planning advice and delicious recipes The doctor has also prepared three lists of foods those which you can eat all you reasonably want those you should avoid and a swing list of foods that you may enjoy occasionally and with limitations God's Diet enables you to lose weight simply and naturally without having to remember any complex diet regimen By incorporating simple habits into our lives paying attention to food labels drinking eight to ten glasses of water a day and exercising reasonably we can easily and radically change the way we live while becoming healthier and living longer Never has there been a simpler or more logically thought out weight control guide There is nothing to count or exchange no special foods to buy Everything you need to live a slimmer healthier life is in your supermarket if you follow the advice of Dr Gault McNemee whose vast experience with fad diets and overweight patients led her to conceive this brilliant little book This truly is the last diet book you'll ever buy Remember if God didn't make it don't eat it

Cavetime Jeff Voth,2012-08-21 A guide for any man to deal effectively with the difficulties and assaults waged against him in this life Through no fault of his own King David of Israel lost all of his support systems and even his dignity He responded by

escaping to the cave of Adullam There he met with God and was transformed along with the four hundred beleaguered men who joined him there He left us a record of his struggles and triumphs in certain Psalms composed in the time of his cave dwelling days There was a clear pattern in the habits of David and those men that can build us up today so that we might become the masculine wall of security for the people in our day that they were said to have been in theirs Jeff Voth has proven the positive impact of these habits in the lives of men in his doctoral thesis and communicates these truths in clear language Become a mighty man of God Become a Caveman **Soaring Above Life's Storms...** Joyce A.

Henderson,2025-11-12 As children of God people are watching to see how we hold up under pressure anxiety stress or fear If we are spiritually prepared when a crisis arises there will be no need to panic but simply call on the name of Jesus and He will deliver us from fear In the Bible the book of Esther God's purpose was accomplished through Esther in the times in which she lived Esther was a Jewish maiden who was eventually chosen to be Queen of Persia Mordecai Esther's cousin urged Esther to take action to save her people and points to her higher purpose Who knows whether you have not attained royalty for such a time as this Esther 4:14 Esther's courage came from her faith in God She stepped up at the right time and saved her people We may not have as much power and influence as Esther but God places us where he wants us to be for such a time as this Your influence may only be to your family your neighbors your co workers or your close friends but we must recognize our purpose and use our influence wherever God assigns us for such a time as this This book tells of Joyce's preparation for handling her such a time as this storm when she was thrust into temporary homelessness following a car crash into her home Only God knows our such a time as this whether it's a serious illness financial difficulties job loss loss of loved ones loss of material things etc God has brought Joyce through them all How are you preparing for your such a time as this Will you be ready Will you pass the test *Clever Girls* Jackie Goode,2019-11-28 Winner of the Working Class Studies Association's Jake Ryan and Charles Sackrey Award for a Book about the Working Class Academic Experience This collection by three generations of women from predominantly working class backgrounds explores the production of the classed gendered and racialized subject with powerful engaging funny and moving stories of transitions through family relationships education friendships and work The developments that take place across a life in processes of becoming are examined through the fifteen autoethnographies that form the core of the book set within an elaboration of the social educational and geo political developments that constitute the backdrop to contributors' lives *Clever Girls* discusses the status of personal experience as research data and the memory work that goes into the making of autoethnography as poesis The collection illustrates the huge potential of autoethnography as research method mode of inquiry and creative practice to illuminate the specificities and commonalities of experiences of growing up as clever girls and to sound a call to action against inequality and discrimination *A Word for My Sisters* Louise Campbell,2001 *A Word for My Sisters* Empowered for Change is my personal journey to a positive self image a search for acceptance within a society that gives false images of reality which can

keep the best of us down My life was filled with self hatred and devastation for many years I was on a road to total freedom and I am compelled to share my experiences with other women who just might be going through the same things I have written this book to encourage my Sisters to celebrate who they are where they are and where they are about to go Life is a journey filled with mountain highs and valley lows It is a wonderful thing to experience the mountaintop but the valley is where we grow My prayer is that the Holy spirit will reveal to you truths concerning you and take you to the place predestined for you My Sisters God says that you are Blessed and highly favored It is left up to you to walk in those blessings Peace and love to you all Louise **Railway News, Finance and Joint-stock Companies' Journal** ,1865 Proceedings of the ...
