The Story of Charlie Mullins Jim Wygand, 2012-08-12 Charlie Mullins a divorced executive at a large company falls in love with a woman who he initially doesn t know could destroy his entire career Charlie is convinced that she is his true soul mate and will not give her up even though it would mean the loss of his job and career if it became public knowledge The company he works for has military defense contracts and he would not be given a security clearance once his relationship to Gina was known He will have to choose between the woman and his career While he faces this choice a couple of busybody housewives from the small town in which he was raised and still lives have taken to stalking him because of his secret relationship and their interest in marrying him off to a local woman They feel threatened by his behavior and their response threatens his ability to keep the relationship secret while he devises a plan to marry the woman of his dreams If the relationship becomes known before Charlie is ready and has worked out his plan all will be lost About the Author This is Jim Wygand s third book and his first novel Jim is a business consultant who has worked in and with large corporations during his long and varied career In his first novel Jim has pitted parochial small town gossips against the desire for privacy of a native son and the inner workings and politics of a large multinational corporation The admixture could prove disastrous to Charlie Mullins and his professional and personal plans *Summary of Poor Charlie's Almanack* SellWave Audio, 2025-09-23 Spend each day trying to be a little wiser than you were when you woke up Charles T Munger advises in Poor Charlie s Almanack First published in 2005 this remarkable collection brings together eleven talks delivered by the legendary Berkshire Hathaway vice chairman between 1986 and 2007 Over time it has become an essential guide for investors entrepreneurs and lifelong learners eager to absorb the enduring wit insight and wisdom of one of the great minds of the 20th and 21st centuries Edited by Peter D Kaufman chairman and CEO of Glenair and longtime friend of Munger whom he calls this generation s answer to Benjamin Franklin this abridged Stripe Press edition of Poor Charlie s Almanack also includes a brand new foreword by Stripe cofounder John Collison It provides a fresh entry point into the rich body of Munger s thought while preserving the essence of his teachings Drawing on Munger s encyclopedic knowledge of business finance history philosophy physics and ethics Poor Charlie s Almanack introduces readers to the latticework of mental models that underpin his rigorous

Flom,2015-07-11 Charles Chaplin s sound films have often been overlooked by historians despite the fact that in these films the essential character of Chaplin more overtly asserted itself in his screen images than in his earlier silent work Each of Chaplin s seven sound films City Lights 1931 Modern Times 1936 The Great Dictator 1940 Monsieur Verdoux 1947 Limelight 1952 A King in New York 1957 and A Countess from Hong Kong 1967 is covered in a chapter length essay here The comedian s inspiration for the film is given along with a narrative that describes the film and offers details on behind the scenes activities There is also a full discussion of the movie s themes and contemporary critical reaction to it **Westworld and Philosophy** James B. South,Kimberly S. Engels,2018-04-03 We can t define consciousness because consciousness does not exist Humans fancy that there s something special about the way we perceive the world and yet we live in loops as tight and as closed as the hosts do seldom questioning our choices content for the most part to be told what to do next Dr Robert Ford Westworld Have you ever questioned the nature of your reality HBO s Westworld a high concept cerebral television series which explores the emergence of artificial consciousness at a futuristic amusement park raises numerous questions about the nature of consciousness and its bearing on the divide between authentic and artificial life Are our choices our own What is the relationship between the mind and the body Why do violent delights have violent ends Could machines ever have the moral edge over man Does consciousness create humanity or humanity consciousness In Westworld and Philosophy philosophers filmmakers scientists activists and ethicists ask the questions you re not supposed to ask and suggest the answers you re not supposed to know There s a deeper level to this game and this book charts a course through the maze of the mind examining how we think about humans hosts and the world around us on a journey toward self actualization Essays explore different facets of the show s philosophical puzzles including the nature of autonomy as well as the pursuit of liberation and free thought while levying a critical eye at the human example as Westworld s hosts ascend to their apotheosis in a world scarred and defined by violent acts The perfect companion for Westworld fans who want to exit the park and bend their minds around the philosophy behind the scenes Westworld and Philosophy will enrich the experience of the show for its viewers and shed new light on its enigmatic twists and turns *The Children's paper* ,1879 **Royal Marines Musicians at War** Brian Short,2025-01-30 The peerless musicians of the Royal Marines Band Service are no strangers to war as the Author Brian Short himself a musician reminds us in his book Brian Short has an engaging style and sense of humour combined with a shrewd assessment of his fellow human beings His description of his training and early years in the Band Service provide a vivid and necessary prelude to what follows setting

the scene and introducing the reader to aspects of life in the Royal Marines Band Service and the Band's experiences at war. From time to time the future existence of Royal Marines Bands is questioned by politicians. They should read this book perhaps they will come to appreciate what a splendid contribution the Royal Marines Band Service has made to our country by land and sea and will continue to do so. Major General Julian Thompson, Royal Marines. The Royal Marines Band Service are well known for their professional musical performances around the world and at all Royal and major high profile public engagements in the UK. Arguably one of the finest military bands perhaps they are less well known for their military deployments in war zones around the globe along with their humanitarian work in times of need. These fine musicians can turn their talented hands to a multitude of non-musical tasks bringing enthusiasm and musical intellect to whatever is asked of them. Held in high regard by Royalty, the Royal Marines and the anyone in the public who has seen them perform, the book *Royal Marines musicians at war* shows them in a different light as they show their worth in the likes of Afghanistan, Kosovo, The Falklands and many more areas of conflict besides.

Beauty Way Bette Rush, 2015-01-01. Charlie, a lonely Miami travel writer, takes a rockhounding journey to the northwestern Nevada wilderness to find solace after the death of Link, her writing partner. Alone in the vast Black Rock Desert, she has an unexpected otherworldly visit from Link followed by a gift of two Clovis points that turn up in the white sands beneath her feet. Convinced that these arrowheads are conveying an important message, Charlie is drawn into a spiritual force which she follows into the world of the Dineh and an adventure that is exciting, uplifting, and at times dangerous. Meanwhile, Shash, a lonely Dineh elder, traverses the Sandia Mountains of New Mexico. With him, he carries his worn leather medicine pouch filled with all the right prayers to satisfy the spirits to help him lead his family back to the old ways to the beauty way.

These oral histories allow us to understand the events of the past from a first-hand perspective and remain connected with those interviewed. Each of these interviews contributes to the broader history of Philadelphia and recognizes the lasting legacy of each of the interviewees.

To Trace Familiarity William Flewelling, 2015-02-28. Life is encountered in events and images in what is overheard and what is noticed in some little corner of awareness. Some of these flickers in life become as muses tickling the imagination and inviting a wisp of verse. These become the familiarity that entertains the poet's mind and become in turn the poets for another mind.

Chaplin's "Limelight" and the Music Hall Tradition Frank Scheide, Hooman Mehran, Dan Kamin, 2006-10-12. Charles Spencer Chaplin was a stage performer before he was a filmmaker and it was in English music hall that he learned the rudiments of

his art The last film he made in the United States *Limelight* was a tribute to the music hall days of his youth As a parallel to Chaplin's past the film was set in 1914 the year he left the stage for a Hollywood career This collection of essays examines *Limelight* and the history of English music hall Featuring contributions from the world's top Chaplin and music hall historians as well as previously unpublished interviews with collaborators who worked on *Limelight* the book offers new insight into one of Chaplin's most important pictures and the British form of entertainment that inspired it Essays consider how and why Chaplin made *Limelight* other artists who came out of English music hall and the film's international appeal among other topics The book is filled with rare photographs many published for the first time sourced from the Chaplin archives and the private collections of other performers and co stars Joe Tom's Gift Jerry Alexander, 2021-10-18 Who among us hasn't spent hours allowing our minds to fantasize that we have won the lottery or in some way suddenly become wealthy beyond our dreams We appease and excuse ourselves by planning how we would share with our family and somehow make the lives of countless needy people so much better by handing them wads of cash As our daydream finally resolves into reality we know it was just a dream having no basis in the real world However what if we allow our mind to consider for a moment that God who we would agree can do whatever he desires might find an unworthy but available person to receive a gift that would surpass most of us daydreamers wildest imagination This book follows the receiver of the Gift as he is forced to leave his birth home in East Texas with a bullet hole in his side and follows him through many terrible troubles and heartaches including a stint with the U S Marines in Viet Nam that costs him a foot However as he begins to exercise the Gift he transforms from a starving young man eating from garbage cans to the richest man on the planet He faces multiple hardships and abuse and faces his personal fears In the end he overcomes all that and learns to use his wealth to benefit others **A Holiday to Remember** Lynnette Kent, 2009-11-01 Tonight Chris Hammond is getting the truth even if it means crashing the snowy gates of the HawkrIDGE School Chris is convinced he's found his childhood sweetheart a girl he loved and lost twelve years ago in the Smoky Mountains of North Carolina It's her he's sure Only she doesn't seem to know him at all Jayne Thomas's past is a mystery even to her But as HawkrIDGE's headmistress Jayne knows her future is clear She'll be spending Christmas snowed in with seven cranky students and an intrusive though quite attractive stranger At least he's handy with an ax and his lips Chris knows he can't force her to remember or himself to forget He must love Jayne for the woman she's become Or risk losing her all over again *The Folded World* Amity Gaige, 2011-03-29 From the author of the critically acclaimed *Sea Wife* Praised for her exquisite prose and crystalline insights Amity Gaige returns with *The Folded World* the story of an idealistic young social worker drawn into the lives of his mentally ill clients Charlie Shade was born into a quiet prosperous life but a sense of injustice dogs him He feels destined to leave his life of bread and laundry to work instead with people in crisis On his way he meets his kindred spirit in Alice a soulful young woman living helplessly by laws of childhood superstition Charlie's empathy with his clients troubled souls like Hal the high school wrestling champion who

undergoes a psychotic break and Opal the isolated young woman who claims various philosophies have confused my life is both admirable and nearly fatal An adoring husband and new father Charlie risks his own cherished private domestic world to help Hal Opal and others move beyond their haunted inner worlds into the larger world of love and connection A collision of extraordinary characters The Folded World addresses the universal dilemma of love wherein giving to another can seem like the death of the world of oneself With an unerring eye for both the joys and devastations of life Amity Gaige once again reminds us of the pleasures and depths to be found in her fiction Stealing Home (bundle set) Tom Mendicino,2017-01-31 As young men on the cusp of life Charlie Beresford and Kevin KC Conroy forged an unlikely friendship Though the years have lead them down unexpected paths the bonds of an enduring love will bring them back to where they have always belonged In the summer before college hauling furniture is the last thing Charlie Beresford wants do with his time Then Kevin Conroy the Mighty KC joins the moving crew A star baseball player bound for the big leagues Charlie is shocked when KC reveals another side of his jock persona and suddenly Charlie finds the long summer coming to a bittersweet end But as Charlie moves on to Dartmouth KC never makes it to the majors He finds himself in Oregon no longer defined by his physical gifts but building a new life with new friends and learning to play by the heart At twenty two Charlie has a degree in hand and an entry level job in radio But sometimes he feels like the only thing he learned in college was that he s already made the biggest mistake of his life So when he runs into his old high school crush he s more than ready to make up for lost time even if the odds are long Because the one thing Charlie and KC know too well is that the only thing worse than striking out is never taking a chance at all Praise for Tom Mendicino s Probation Thoughtful textured and poignant an exciting impressive debut Time Out NY A smart engaging witty sad and unusual book about the complicated nature of family and love Bart Yates author of Leave Myself Behind A potent debut Publishers Weekly Achingly honest Vestal McIntyre author of Lake Overturn Cruel Nights Jason Nahrung,2024-05-21 Australia s master of undead horror returns with a grunge soaked tale of love and vampirism in 90s Seattle Charlie died in Nevada 1973 after seeing Led Zeppelin live on stage and making the wrong choice on the long drive home Corey meets him at a TAD gig seventeen years later and feels an immediate attraction They both swear their night together will be a onetime thing but neither can stay away Corey and Charlie spend two decades building a life together a mortal and vampire in love but there are some things Corey s not willing to give up She can move cities when Charlie s eternal youth raises suspicion and she can rebuild her career as a music journalist after every disruption to their life but as she gets older it s harder and harder to be satisfied with their nocturnal existence Then a moment of weakness delivers Charlie and Corey the one thing they never expected to have and their relationship gets more complicated than either of them ever dreamed A punk noir Only Lovers Left Alive Edgy bloody and surprising Cruel Nights shows Nahrung s just getting better and better Angela A G Slatter award winning author of The Briar Book of the Dead No one writes vampires like Nahrung A bloody perfect cocktail of grunge love and angry hearts this book sings Trent Jamieson

author of Day Boy and The Stone Road Compelling dark and bittersweet I've never read or loved a vampire story quite like Cruel Nights Nahrung takes familiar horror tropes and creates something completely new injecting them with grunge love and intrigue It's extraordinary Steven Paulsen author of Shadows on the Wall and Dream Weaver *The Speed of Perception* Tom B. Bacon, 2002-07-17 Until now man's division of the atom so quick and barely detectable has lacked true purpose to create as we were created The frequency of human thought was simply too slow But after the splitting of matter the technology to split time must naturally follow The frequency of human thought is but a singular point between infinite ends With the proper technology one human mind can incorporate others and reside in a thousand skulls Geniuses in every discipline can be subordinated to a single common mind one man thinking and living through others Each man's entirety can be learned his soul probed and upon death the mental sequences that return him to his eternal origins decoded Thus can a host of souls be stolen and stored for the right moment Driven by a high speed processor the frequency of human thought can be altered Its bandwidth can be expanded deepened and accelerated until it takes the form of a white light of consciousness that only god's own From such reference points matter begins to slow its spinning And when the atom is next divided one man can inject his host of souls watch in slow motion and be lord of a new creation Unless of course he can be stopped
