

A close-up photograph of a Christmas tree branch. The branch is covered in dense green needles. Several ornaments are visible: a large red one in the center, a smaller white one to its left, and another red one below it. The background is slightly blurred, showing more of the tree and other ornaments.

*I still place your
present under the
tree, hoping on
Christmas morning
I'll come downstairs
and see your smiling
face opening it.
I miss you so much*

Walker, Luke Bretherton, 2013-01-16 How the issues of the past affect the future of Deep Church a concept conceived by C S Lewis Orthodox Catholic and Protestant traditions drink from the well of a common tradition rooted in the early church Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today Remembering the past is essential for facing the future In Remembering Our Future leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past What is the place of tradition in the church s life How should we interpret the Bible How should we worship What in other words might Deep Church look like

Remembering Your Creator Matthew Mead, C. Matthew McMahon, 2020-11-13 Remember now thy Creator in the days of thy youth while the evil days come not nor the years draw nigh when thou shalt say I have no pleasure in them Ecclesiastes 12 1 Puritan minister Matthew Mead delivers a stirring call to awaken the soul to its greatest duty remembering and honoring God while strength and time remain With unwavering clarity he lays before the reader the weight of Solomon s charge urging men and women especially in their youth to set their hearts fully upon the Lord Jesus Christ before the cares of this world harden them to eternal things This is no idle sermon nor a mere call to moral living It is a rich and masterful work of scriptural exposition driving deeply into the text and unfolding the full measure of God s claim upon the soul Mead does not deal in half hearted religion nor does he flatter the reader with excuses for delay He sets forth Christ as the only refuge the only hope and the only rightful object of a life well spent Whether you are young and standing at the threshold of life or older and in need of renewed zeal Remembering Your Creator is a call to fix your thoughts upon the Lord to seek Him early and to live in the light of eternity

Remembering: the Soul of You Meyrene Cowell, 2021-10-27 In 1998 someone asked me to contemplate the question Who am I When I removed all the labels such as daughter wife mother and teacher and then even my name too I realised how vulnerable I was I wondered what was left of me That was the catalyst that began my search for the Greater Me my eternal Spirit self As I searched listened and read I gained new belief systems that were wider than religion and more liberating than

my social conditioning The greatest freedom came though when I finally understood the language of symbols especially those used in the ancient Marseilles Tarot Pack I spent almost twenty years exploring the blueprint of the archetypes that are embedded in these cards Each of the 22 major arcana cards took me on a deep souljourney towards consciousness knowledge and a change of heart What I discovered was that I am more than I could ever have imagined and so are you When we become conscious of painful and inhibiting beliefs that no longer serve us we begin a journey into loving acceptance of self and others too

Remembering the Sabbatical Years of 2016 Joseph F. Dumond,2013-02-21 Remembering the Sabbatical years of 2016 was written as simply as possible to explain how anyone could prove fro their own Bibles when the Sabbatical and Jubilee Years are Having written The Prophecies of Abraham in 2010 many people struggled to understand the chronology which is crucial in order to know precisely where we are in these last days now Because so many struggled we wrote Remembering the Sabbatical years of 2016 so that even an 8 year old could then explain it Remembering the Sabbatical year of 2016 shows you all the known biblical historical and artifacts that mention the Sabbatical years Then we show you how they all line up with each other and from that you can count down to our time now We also show you where the Sabbatical years were derailed in history and taken away from the proper time of observing them Once you have read this book and proven these facts for yourself then you will understand we are in the 120th Jubilee cycle Then once you see the curses that have been set out in a specific order of events the nightly news becomes surreal as you can then see these curses happening on the news Order you copy of Remembering the Sabbatical year of 2016 today and begin to understand these last days unlike anyone else ever has
