

10 Gentle Reminders

Making others feel at ease is the essence of etiquette,
yesterday and today

There are few words more elementary or welcomed than
please and *thank you*

Good moods are contagious
hopefully yours will be pleasantly catching

Be aware and considerate of other peoples personal space
physical, visual, and aural

Showing respect is a gift
one that costs nothing and is endlessly appreciated

Think of your tone of voice as a telegraph
as a listener it speaks volumes

A short fuse does nothing but burn,
should you find yourself with one, steer clear of others

Never underestimate the message that is sent by
your poise and posture

Clothes Count. Appropriate attire is not only respectful,
but refreshing.

Let common sense be your guide
and graciousness your goal
