Rooted in Jesus Christ Daniel Izuzquiza,2009-04-06 Offers a Christian proposal for radical social transformation Daniel Izuzquiza here proposes a vibrant interdisciplinary theology from the unique perspective of the least of these the poor and extends an invitation to mystical political and ecclesial engagement In Rooted in Jesus Christ Izuzquiza analyzes the language of theology the role of social sciences the transformation of culture and the church's approach to politics To that end he dialogues with some of the main theological proposals of the late twentieth century from Latin American liberation theology to radical theology in the English speaking world to European political theology He also offers a more systematic development of radical ecclesiology analyzing the sources of the proposal as alternative Christian practices The result is a groundbreaking call to action and change for the entire church In this groundbreaking book Daniel Izuzquiza offers a vibrant Christian proposal for radical social transformation His wide ranging study explores the relationship between church and society by dialoguing critically and constructively with major theological currents of our day Izuzquiza's interdisciplinary theology from the perspective of the poor is truly radical at once in a political ecclesial and mystical sense We need a way forward beyond our well worn and tired debates Daniel Izuzquiza offers just that His splendid book engages and assesses postliberalism radical orthodoxy Anabaptist witness liberation theology and the role of the Jesuits in Christianity in order to show the need for a radical ecclesiology that is unapologetically Christocentric socially attuned and ecumenically generous For anyone not invested in the current structures of power in the church university or nation state this book offers wisdom For those of us so invested this book shows a viable alternative preserving the good and challenging the rest We should all pay attention D Stephen Long author of Speaking of God Theology Language and Truth I am happy to recommend Daniel Izuzquiza's Rooted in Jesus Christ Toward a Radical Ecclesiology to serious readers in the English speaking world who may have dared to wonder if the traditional church of our time is what Jesus really had in mind And if not what might a church rooted in the Christ of the Incarnation look like Rather than superficially inspiring his readers Izuzquiza brings us face to face with what the body of Christ could be by responding more fully to the truly amazing grace of God that has come to us in

Jesus of Nazareth Traditional Catholics and conservative Protestants alike as well as revolutionaries and political activists for that matter will be confronted and challenged here And rather than concerning ourselves so exclusively with tactics and strategies Izuzquiza reminds us of the importance of simply being the church radically rooted in Jesus Christ John Driver author of *Radical Faith An Alternative History of the Christian Church* **Religion, Politics, and the Christian Right** Mark Lewis Taylor, Princeton theologian Mark Taylor here looks at the influence and stance of the right wing Christian movement in the U S He questions its religious authenticity its claim to be called Christian and the ethical stands it has taken in national politics of the last ten years The heart of Taylor s argument is Jesus himself Using the latest New Testament scholarship on the historical Jesus and his tactic in relation to the Roman Empire Taylor argues that Jesus life and work and message are inherently political and driven by the need to show God s love for the poor condemnation of the oppressor and search for a reign of justice These Christian hallmarks Taylor asserts stand as a critical corrective to a distorted Christianity that often dominates the U S political scene today **Boundaries of Our Habitations** Delwin Brown,1994-01-01 Brown s theory of tradition stands on its own as a significant contribution to the academic study of religions but it also provides the framework for a challenging critique of contemporary American theologies conservative liberal and radical and the basis for a novel understanding of the significance of the racial ethnic feminist and class identified theologies now emerging

Christian Faith Peter Crafts Hodgson,2001-01-01 Addresses three issues including the struggle for justice cultural and religious pluralism and ecological and cosmological awareness arguing for the necessity of revising Christian faith in order to handle changing circumstances Original Paul Tillich Paul Tillich, Paul Tillich forced into exile by the Nazis in 1933 settled in the United States His many theological works and especially his three volume *Systematic Theology* have had a profound influence upon contemporary religious thought This volume concentrates on the key texts and ideas in Tillich s thought It presents the essential Paul Tillich for students and the general reader Taylor s introductory essay and notes on the selected texts set Tillich in his historical context chart the development of this thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Tillich s work illustrate key themes The struggle for a new theonomy Protestant theology amid socialist crisis In the sacred void being and God Amid structures of destruction Christ as new being Among the ambiguities of life Spirit and churches In the end revisioning and hope

Walking with the Mud Flower Collective Stina Busman Jost,2014 Arguing for a retrieval of the landmark work *God s Fierce Whimsy* the author establishes the critical importance of this volume for the construction of a dialogic theological method Finally the author constructively engages various developments in feminist theologies and postcolonial theories

Gather Into One C. Michael Hawn,2003 valuable gift from other cultures to our own 7 sung prayers that can broaden the ways we pray and sing together in corporate worship His extensive research leads to some intriguing proposals with Hawn encouraging diverse expressions of worship endorsing the church musician as a worship 3enlivener 4 and making a case for

3polyrhythmic worship⁴ in our churches A unique resource Gather into One demonstrates the spiritual riches to be gained through multicultural worship and makes a *Feminist Companion to Paul* Amy-Jill Levine, 2003-09-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle These are of particular importance in showing how Paul's authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy Hence there is a particularly strong feminist agenda to be explored here The Pastoral Epistles Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer Luise Schottroff Bonnie Thurston Lilian Portefaix Sara Winter and Ingrid Rosa Kitzberger **Reflections on My Call to Preach** Fred B. Craddock, 2009 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God's will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That's why advice about not being in a hurry taking my time was not helpful even if wise If it was my decision why could I not make it now if it was God's decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt from *Reflections on My Call to Preach*

Reasonable Faith for a Post-Secular Age William Greenway, 2020-12-16 Our global community desperately needs overt awakening to an age of reason and faith Reasonable Faith for a Post Secular Age meets this need by interpreting faith not in terms of belief in propositions but in terms of living surrender to having been seized by agape for every Face including one's own Virtually all faith traditions from Buddhism to Humanism to Wiccan are rooted in agape and therefore share considerable spiritual and ethical common ground a truth long veiled In contrast to ethically feckless secular rationality over which a devastating global social Darwinism currently runs roughshod faith qua living surrender to agape grounds moral realism awakens us to love for all creatures and inspires struggles for justice Inspired by the philosophy of Emmanuel Levinas and Christian spirituality Greenway engages on the one hand intellectuals like Stanley Hauerwas Richard Rorty Gayatri Chakravorty Spivak Jeffery Stout Charles Taylor and Bernard Williams and on the other contemporary debates over consciousness free will evil and metaethics He details the character of secular rationality's devastating scission from moral reality and clarifies the promise of understanding faith and spirituality in terms of agape *Liberating Jonah* De La Torre,
