Remembering Old Johannesburg:

The Anatomy of Inclusive Cities Hangwelani Hope Magidimisha-Chipungu, Lovemore Chipungu, 2023-04-27 Creating cities inclusive of immigrants in Southern Africa is both a balancing act and a protracted process that requires positive attitudes informed by accommodative institutional frameworks This book revolves around two key contemporary issues that cities around the globe are trying to achieve viz the need to build inclusive cities and the need to accommodate immigrants The search for building inclusive cities is an on going challenge which most cities are grappling with This challenge is complicated by the need to include immigrants who are always side lined by policies of host countries This book discusses the host immigrant interface by providing a detailed insight of anchors of inclusive cities and a holistic picture of who immigrants are These are then discussed contextually within the Southern African region where insight into selected cities is provided to some depth using empirical evidence The discussion on inclusive cities and immigrants is a universal narrative targeting practitioners and students in town and regional planning urban studies urban politics migration and international relations The Southern African region once more provides an opportunity to further interrogate and understand the dynamics of immigration in selected cities This book will also be of interest to policy makers dealing with challenges of inclusivity in the light of immigrants

The Landscape Painter Craig Higginson, 2013-03-01 It is winter in London in 1947 When Arthur Bailey an elderly painter who lives alone catches sight of a young woman Felicity about to move into the neighbouring bed sit he is stirred to recall in haunting detail a long suppressed narrative The Landscape Painter is a double tale of obsession betrayed trust and irrepressible hope which emerges as Arthur s story unfolds As a young brilliant landscape painter he travelled to South Africa in 1898 in pursuit of his best friend s sister the beautiful and mysterious Carwyn Hamilton Carwyn s subsequent shocking betrayal led Arthur down a dark path of humiliation and haunted him for the next fifty years As Arthur delves ever deeper into his most intimate thoughts and desires the past and present come together in a series of surprising turns and parallels and we meet a range of memorable characters from the malevolent German governess Miss Klimt to Carwyn s flirtatious and increasingly senile grandmother Mutti Finally Arthur is forced to confront Felicity with the irreducible damage done to him From the gold crazed streets of early Johannesburg to the epic battlefields of the Anglo Boer War and the austerity of post Second World War Britain The Landscape Painter is a spectacular historical novel packed with wit and insight and crafted in Higginson s lyrical and sinuous but surgical prose

A Concise Historical Dictionary of Greater Johannesburg Naomi Musiker, 2000 [Between Two Fires](#) John Kane-Berman, 2017-03-15 John Kane Berman is uniquely qualified to look back over the enormous political and social changes that have taken place in his lifetime in this fractious country In his career as student leader Rhodes Scholar newspaperman independent columnist commentator and Chief Executive for thirty years of the South Africa Institute of Race Relations Kane Berman has been at the coal face of political change in South Africa The breadth and depth of ideas and events covered in Between Two Fires are striking the
