R. Bawa Muhaiyaddeen,1975-01-01 **Breaths from Beyond the Curtain** Shaykh Muhammad Nazim Adil Al-Haqqani,Muhammad Nazim Adil al-Haqqani Naqshbandi,2010 The Lord Almighty in His kindness compassion and mercy may give everyone billions but He knows well that human beings are never going to be in pleasure when they are given without limits Therefore God gives according to His wisdoms a little little bit But man is running to reach more and more saying It is not enough Humankind living on this planet are asking for pleasure in their lives and mostly now people are looking and seeing that pleasure is through riches They think that if they get richer there is going to be more pleasure for them and that is wrong Their egos are like a thirsty person thirsty for physical and material desires They are running to the ocean to take away their thirst but no matter how much salty water they drink they become even more thirsty But when a thirsty person drinks once cup of pure plain water that cup is enough to take his thirst away Our physical being is only for a short time a very short time and its perfection is only for keeping our souls in but it is not a perpetual being Yesterday we were nothing Tomorrow we are going to be nothing Between two nothings how are we going to claim I am here Our physical being is going to be dust But the perfection of our spiritual being that is something else If you reach that perfection you are most fortunate Those who took care of their spiritual perfection should be happy with a new beginning with a new structure with a new being They should reach unknown places that they only heard about before and their perfection should continue in the afterlife also Therefore the Lord sent from His Divine Presence from Heavens chosen servants adorned with that secret power to arrange the lives of people on earth for reaching their ultimate perfection Therefore those who are asking for pleasure in their hearts they understand that they will find it only in the Divine Presence and the way to the Divine Presence passes through Divine messengers those who are on the way of God If you listen to someone whose speech gives your heart satisfaction taking darkness away from your heart and your mind and cleaning your intellect you can understand that his level is high If you find such a one hold onto his hand until he takes you to your final destination in the Divine Presence Remembrance of God in Islam Sami M Fereig,2021-03-11 In the Holy Quran God says Remember Me and I will remember you Chapter 2 Verse 152 The remembrance of God will bring His Mercy and Contentment and cause believers to feel peace and tranquillity Almighty God encourages us in so many verses of the Holy Quran to continuously remember Him and always be connected to Him God will then reward us greatly and forgive us Contentment will cause believers to have a righteous and satisfying life Everyone hopes for God s care and to be close to Him It was narrated from the Prophet Muhammad peace be upon him that God says I am just as My servant thinks I am and I am with him when he remembers Me Remembrance is one of the easy and righteous deeds that bring the believer closer to his
