The Dawn Mistaken for Dusk Leonard Sweet, 2009-05-18 In his first book conceived and acquired specifically to be delivered electronically Leonard Sweet contends that the church is blind to the changes that are dragging us into the future

Therefore it is losing its influence as an agent of change and grace in the world There are now some companies who absolutely want to change the world more than the church writes Sweet He sees the church at a crossroads It will either see the future as a new dawn and therefore embrace it as opportunity Or it will see the future as dusk and therefore hide from the darkness of the world Sweet believes that God will be in the future with or without us and that an Acts 27 movement is afoot This book serves as a naturalization manual to help Christians achieve full citizenship in the new postmodern world It will teach them how to go from being immigrants to natives From foreigners in a strange land to people of God confident and at home in a rapidly changing world
