Reminiscences of the Hon. Galahad Threepwood Norman T P Murphy,1993-11-01 **Reminiscences of the Hon Galahad Threepwood** Galahad Threepwood,1993 *The Brinkmanship of Galahad Threepwood* Pelham Grenville Wodehouse,1965 A wild concoction in which an English Lord owner of a prize winning pig is pursued by a husband hunter Collier's ,1928 *The P.G. Wodehouse Miscellany* N.T.P Murphy,2015-02-02 P G Wodehouse saw his first article published when still at school and went on to become the leading humour writer of the twentieth century He created characters famous across the English speaking world such as Rupert Psmith Stanley Ukridge Uncle Fred the inhabitants of the Drones Club Bertie Wooster and Jeeves and Lord Emsworth and his beloved Empress all of whom remain as popular today as they were when they first appeared all those years ago But behind all the brilliant metaphors that make us laugh out loud there is a surprising background of reality Wodehouse didn t create his stories from scratch he used real settings and exaggerated the characteristics of people he knew With examples of Wodehouse s unique imagery the P G Wodehouse Miscellany follows the development and progress of his legendary characters tells us where Wodehouse got his ideas from and demonstrates why his admirers included Bertrand Russell Berthold Brecht George Orwell Rudyard Kipling and the Kaiser This informative little miscellany will be a must for all fans of P G Wodehouse Heavy Weather P. Wodehouse,2025-04-25 P G Wodehouse is still the funniest writer ever to have put words on paper Hugh Laurie Ronald Psmith the p is silent as in pshrimp is always willing to help a damsel in distress So when he sees Eve Halliday without an umbrella during a downpour he nobly offers her an umbrella even though it s one he picks out of the Drone Club s umbrella rack Psmith is so besotted with Eve that when Lord Emsworth her new boss mistakes him for Ralston McTodd a poet Psmith pretends to be him so he can make his way to Blandings Castle and woo her And so the farce begins criminals disguised as poets with a plan to steal a priceless diamond necklace a secretary who throws flower pots through windows and a nighttime heist that ends in gunplay How will everything be sorted out Leave it to Psmith **Fish Preferred** Pelham Grenville

Fish Preferred Sir Pelham Grenville Wodehouse, Blandings Castle slept in the sunshine Dancing little ripples of heat mist played across its smooth lawns and stone flagged terraces The air was full of the lulling drone of insects It was that gracious hour of a summer afternoon midway between luncheon and tea when nature seems to unbutton its waistcoat and put its feet up In the shade of a laurel bush outside the back premises of this stately home of England Beach butler to Clarence ninth Earl of Emsworth its proprietor sat sipping the contents of a long glass and reading a weekly paper devoted to the doings of Society and the Stage His attention had just been arrested by a photograph in an oval border on one of the inner pages and for perhaps a minute he scrutinized this in a slow thorough pop eyed way absorbing its every detail Then with a fruity chuckle he took a penknife from his pocket cut out the photograph and placed it in the recesses of his costume At this moment the laurel bush which had hitherto not spoken said Psst The butler started violently A spasm ran through his ample frame Beach said the bush Something was now peering out of it This might have been a wood nymph but the butler rather thought not and he was right It was a tall young man with light hair He recognized his employer's secretary Mr Hugo Carmody and rose with pained reproach His heart was still jumping and he had bitten his tongue Startle you Beach Extremely sir I'm sorry Excellent for the liver though Beach do you want to earn a quid The butler's austerity softened The hard look died out of his eyes Yes sir Can you get hold of Miss Millicent alone Certainly sir Then give her this note and don't let anyone see you do it Especially and this is where I want you to follow me very closely Beach Lady Constance Keeble I will attend to the matter immediately sir He smiled a paternal smile Hugo smiled back A perfect understanding prevailed between these two Beach understood that he ought not to be giving his employer's niece surreptitious notes and Hugo understood that he ought not to be urging a good man to place such a weight upon his conscience Perhaps you are not aware sir said the butler having trousered the wages of sin that her ladyship went up to London on the three thirty train Hugo uttered an exclamation of chagrin You mean that all this Red Indian stuff creeping from bush to bush and not letting a single twig snap beneath my feet has simply been a waste of time He emerged dusting his clothes I wish I'd known that before he said I've severely injured a good suit and it's a very moot question whether I haven't got some kind of a beetle down my back However nobody ever took a toss through being careful Very true sir Relieved by the information that the X ray eye of the aunt of the girl he loved was operating elsewhere Mr Carmody became conversational Nice day Beach Yes sir You know Beach life's rummy I mean to say you can never tell what the future holds in store Here I am at Blandings Castle loving it Sing of joy sing of bliss home was never like this And yet when the project of my coming here was first placed on the agenda I don't mind telling you the heart was rather bowed down with weight of woe

Leisure in Art and Literature Tom Winnifrith, 1992-06-18 The description or depiction of leisure activities has formed part of the subject matter of art and literature for a long time This volume looks at funeral games in Homer leisure as depicted in painting and

The Imperial Japanese Navy

Fred T. Jane, 2025-04-24 In *The Imperial Japanese Navy* Fred T. Jane presents an exhaustive analysis of Japan's naval history emphasizing its strategic evolution and technological advancements leading to the nation's rise as a major naval power. With a meticulous examination of the organizational structure, fleet composition, and pivotal naval engagements, Jane employs a clear, informative literary style rich in detail yet accessible to a wide audience. The work is set against the backdrop of the late 19th and early 20th centuries, a period marked by intense military competition and imperial aspirations, making it a significant contribution to maritime history studies. Jane, a celebrated naval architect and historian, brought to this work his extensive knowledge and firsthand experience from his involvement in naval projects and design. His firsthand observations during critical naval developments in Britain and Asia underscored his appreciation for maritime strategy and the importance of naval power in geopolitics. This background positioned him uniquely to document the Imperial Japanese Navy's transformation and significance within global naval warfare. This seminal work is a must-read for scholars, historians, and naval enthusiasts alike. Jane's insightful analysis not only elucidates Japan's maritime strategies but also enriches our understanding of naval warfare's impact on international relations. Readers seeking to grasp the complexities of naval power dynamics in the era will find this book invaluable.

My Family's Other Recipes Ian Nunn, 2011-12-01 Bullied by his second daughter into putting the family's favourite recipes into book form, this subject became a sub-theme in what turned out to be an autobiography, but one written about an ordinary life, although with an ability to find the humorous side of most events. For serious foodies, this book may be a little thin on content, but there are some interesting pieces of food history, and it is very much a personal view of the last sixty years. The book is set out in four sections based loosely on four periods of the author's life, and given titles based on a four-course meal: hors d'oeuvres, fish, meat, and dessert, entitled *horses do overs*, *fishy tales*, *butcher's meat*, and *just desserts*. If you want a relaxing read on an inconsequential life which may make you smile, buy this book. If you want a serious cookery book or autobiography of someone famous or important, then you will have to look elsewhere. What does come through is here is a book written by a guy with a love of life, a beard more appropriate to a mad badger, and a slightly quirky sense of humour, who writes for his own enjoyment but with a warmth others may find undemanding.
