Remnants Of War:

Explosive Remnants of War Stockholm International Peace Research Institute,1985 *The Remnants of War* John Mueller,2007 Mueller argues that war is an idea like dueling or slavery that has been substantially discredited reduced to its remnants or dregs and thugs are the residual combatants *Aftermath: The Remnants of War* Donovan Webster,2011-06-29 In riveting and revelatory detail *Aftermath* documents the ways in which wars have transformed the terrain of the battlefield into landscapes of memory and enduring terror in France where millions of acres of farmland are cordoned off to all but a corps of demolition experts responsible for the undetonated bombs and mines of World War I that are now rising up in fields gardens and backyards in a sixty square mile area outside Stalingrad that was a cauldron of destruction in 1941 and is today an endless field of bones in the Nevada deserts where America waged a hidden nuclear war against itself in the 1950 s the results of which are only now becoming apparent in Vietnam where a nation s effort to remove the physical detritus of war has created psychological and genetic devastation in Kuwait where terrifyingly sophisticated warfare was followed by the Sisyphean task of making an uninhabitable desert capable of sustaining life *Aftermath* excavates our century s darkest history revealing that the destruction of the past remains deeply inextricably embedded in the present Explosive Remnants of War ,2001 **Explosive Remnants of War** ,2001 **Aftermath** Donovan Webster,1996 In riveting and revelatory detail *Aftermath* documents the ways in which wars have transformed the terrain of the battlefield into landscapes of enduring terror and memory in France where millions of acres of farmland are cordoned off to all but a corps of demolition experts responsible for the undetonated bombs and mines of World War I that are now rising up in fields gardens and backyards in a sixty square mile area outside Stalingrad that was a cauldron of destruction in 1941 and is today an endless field of bones in the Nevada deserts where America waged a hidden nuclear war against itself in the 1950s the results of which are only now becoming apparent in Vietnam where a nation s effort to remove the physical detritus of war has created biologic and psychological devastation in Kuwait where terrifyingly sophisticated warfare was followed by the Sisyphean task of making an uninhabitable desert capable of sustaining life Only now at century s end can we begin to see how the destructive often lethal remnants of past wars remain deeply fatally embedded in the present **Explosive Remnants of War** ,2001 **Explosive Remnants of War** International Committee of the Red Cross,2014 *Explosive Remnants of War* ,2001 **Explosive Remnants of War** International Committee of the Red Cross,2001 **Explosive Remnants of War** ,2002 **Definition for Explosive Remnants of War** Russian Federation,2003 **The Law of War** William H.
