The Struggle for Change Marvin T. Chiles, 2023-12-28 A Black majority city with a history of the most severe segregation and inequity Richmond is still grappling with this legacy as it moves into the twenty first century Marvin Chiles now offers a unique take on Richmond's racial politics since the civil rights era by demonstrating that the city's current racial disparities in economic mobility housing and public education actually represent the unintended consequences of Richmond's racial reconciliation measures He deftly weaves municipal politics together with grassroots efforts examining the work and legacies of Richmond's Black leaders from Henry Marsh on the city council in the 1960s to Mayor Levar Stoney to highlight the urban revitalization and public history efforts meant to overcome racial divides after Jim Crow yet which ironically reinforced racial inequality across the city Compellingly written this project carries both local and broader regional significance for Richmonders Virginians southerners and all Americans

Shakespeare's Tragic Form Robert Lanier Reid, 2000 Since about 1960 when five act division in Shakespeare's plays was strongly disputed most critics have focused on individual scenes rather than holistic form This book argues for Shakespeare's use of five acts arranged in three cycles to form a 2 1 2 pattern It also examines the role of multiple plots and centers of consciousness especially in the festive comedies and romances Additionally it traces Shakespeare's gradual mastery of the art of epiphany compares it to Spenser's complementary focus on transcendent reality and traces in Macbeth the dark mode of Shakespeare's dramaturgical pattern

'Ungainefull Arte' Richard Anthony McCabe, 2016 Ungainefull Arte examines how traditional modes of literary patronage responded to the challenge of print as the economies of gift exchange competed with those of the

marketplaces allowing for the reassessment of patronage both as a social practice and a literary theme Bibliography of the History of Medicine ,1993 **Monstrous Adversary** Alan H. Nelson,2003-01-01 The Elizabethan Court poet Edward de Vere has since 1920 lived a notorious second wholly illegitimate life as the putative author of the poems and plays of William Shakespeare The work reconstructs Oxford s life assesses his poetic works and demonstrates the absurdity of attributing Shakespeare s works to him The first documentary biography of Oxford in over seventy years Monstrous Adversary seeks to measure the real Oxford against the myth Impeccably researched and presenting many documents written by Oxford himself Nelson s book provides a unique insight into Elizabethan society and manners through the eyes of a man whose life was privately scandalous and richly documented **The Hawthornden Manuscripts of William Fowler and the Jacobean Court 1603-1612** Allison L. Steenson,2020-09-07 This book explores the unedited material contained in the Hawthornden manuscripts of William Fowler a Scottish poet attached to the court of Queen Anna of Denmark between 1590 and 1612 The material is representative of Fowler s ephemeral and occasional production largely unknown to modern scholars Through the lenses of the Hawthornden fragments this book engages in the exploration of one of the cultural places of the European Renaissance represented by the extensive use of emblems and other literary devices and by the use of manuscript copies to circulate them The discourse mainly focuses on the Jacobean courtly establishment in the first decade of the seventeenth century from the point of view of a Scottish insider By focusing on the intellectual makeup of the court in the newly united Great Britain this work aims at bridging manuscript scholarship and literary studies with a wider perspective on contemporary society politics and culture **The Circulation of Poetry in Manuscript in Early Modern England** Arthur F. Marotti,2021-05-26 This study examines the transmission and compilation of poetic texts through manuscripts from the late Elizabethan era through the mid seventeenth century paying attention to the distinctive material social and literary features of these documents The study has two main focuses the first the particular social environments in which texts were compiled and second the presence within this system of a large body of usually anonymous rare or unique poems Manuscripts from aristocratic academic and urban professional environments are examined in separate chapters that highlight particular collections Two chapters consider the social networking within the university and London that facilitated the transmission within these environments and between them Although the topic is addressed throughout the study the place of rare or unique poems in manuscript collections is at the center of the final three chapters The book as a whole argues that scholars need to pay more attention to the social life of texts in the period and to little known or unknown rare or unique poems that represent a field of writing broader than that defined in a literary history based mainly on the products of print culture **Shakespeare's Imagined Persons** P. Murray,1996-05-10 Challenging our understanding of ideas about psychology in Shakespeare s time Shakespeare s Imagined Persons proposes we should view his characters as imagined persons A new reading of B F Skinner s radical behaviourism brings out how contrary to the impression he created Skinner

ascribes an important role in human behaviour to cognitive activity Using this analysis Peter Murray demonstrates the consistency of radical behaviourism with the psychology of character formation and acting in writers from Plato to Shakespeare an approach little explored in the current debates about subjectivity in Elizabethan culture Murray also shows that radical behaviourism can explain the phenomena observed in modern studies of acting and social role playing Drawing on these analyses of earlier and modern psychology Murray goes on to reveal the dynamics of Shakespeare s characterizations of Hamlet Prince Hal Rosalind and Perdita in a fascinating new light **Current Work in the History of Medicine** ,1992 **Canadian Books in Print. Author and Title Index** ,1975
