Renascent Empire? Glenn Joseph Ames, 2000 Dit boek is gebaseerd op uitgebreid onderzoek in archieven in Portugal India Engeland en Frankrijk en is de eerste monografische studie van een cruciale maar totnogtoe weinig bestudeerde periode in de geschiedenis van Portugals Aziatische rijk de jaren 1640 1683 Ames revisionistische werk laat zien dat in tegenstelling tot het traditionele beeld van onvermijdelijk verval en stagnatie in het Estado da India na 1640 deze jaren een vernieuwende en dynamische hervorming laten zien die de geo politieke en economische stabilisatie van Portugees Azi rond 1683 tot gevolg hadden Glenn Ames gaat in op de details van deze fundamentele verandering in het koloniale beleid jegens Azi zoals dat werd geïnitieerd door prins Regent Pedro van Braganza 1668 1702 en later zeer effectief in praktijk werd gebracht door Viceroy Luis de Medon a Furtado e Albuquerque Empires between Islam and Christianity, 1500-1800 Sanjay Subrahmanyam, 2018-12-27 Empires Between Islam and Christianity 1500 1800 uses the innovative approach of connected histories to address a series of questions regarding the early modern world in the Indian Ocean the Mediterranean and the Atlantic The period between 1500 and 1800 was one of intense inter imperial competition involving the Iberians the Ottomans the Mughals the British and other actors Rather than understand these imperial entities separately Sanjay Subrahmanyam reads their archives and texts together to show unexpected connections and refractions He further proposes in this set of closely argued studies that these empires often borrowed from each other or built their projects with knowledge of other competing visions of empire The emphasis on connections is also crucial for an understanding of how a variety of genres of imperial and global history writing developed in the early modern world The book moves creatively between political economic intellectual and cultural themes to suggest a fresh geographical conception for the epoch Protection and Empire Lauren Benton, Adam Clulow, Bain Attwood, 2018 This book situates protection at the centre of the global history of empires thus advancing a new perspective on world history Entangled Empires Jorge Canizares-Esguerra, Jorge Cañizares-Esguerra, 2018-02-01 According to conventional wisdom in the sixteenth century Spain and Portugal served as a model to the English for how to go about establishing colonies in the New World and Africa By the eighteenth century however it was Spain and Portugal that aspired to imitate the British Editor Jorge Cañizares Esguerra and the contributors to Entangled Empires challenge these long standing assumptions exploring how Spain Britain and Portugal shaped one another throughout the entire period from the sixteenth to the nineteenth centuries They argue that these empires were interconnected from the very outset in their production and sharing of knowledge as well as in their economic activities Willingly or unwillingly African slaves Amerindians converso traders smugglers missionaries diplomats settlers soldiers and pirates crossed geographical linguistic and political boundaries and cocreated not only local but also imperial histories Contributors reveal that entanglement was not merely a process that influenced events in the colonies after their founding it was constitutive of European empire from the beginning The essays in Entangled Empires seek to clarify the processes that

rendered the intertwined histories of these colonial worlds invisible including practices of archival erasure as well as selective memorialization Bringing together a large geography and chronology Entangled Empires emphasizes the importance of understanding connections both intellectual and practical between the English and Iberian imperial projects The colonial history of the United States ought to be considered part of the history of colonial Latino America just as Latin American history should be understood as fundamental to the formation of the United States Contributors Ernesto Bassi Benjamin Breen Jorge Ca izares Esguerra Bradley Dixon Kristie Flannery Eliga Gould Michael Guasco April Hatfield Christopher Heaney Christopher Schmidt Nowara Mark Sheaves Holly Snyder Cameron Strang
