Renata Tebaldi

Ethan Mordden

Renata Tebaldi:

Renata Tebaldi Victor Seroff, 1961 The life of a great opera prima donna is traditionally glamorous She lives in a world of costumes and wondrous music of temperament and adulation But her life always remains something of a mystery even to her friends and admirers In this biography of Renata Tebaldi Victor Seroff raises the veil with a bold and sensitive hand giving us a truly intimate portrait of the woman behind the artist She emerges as a shy and charming person passionately devoted to her art proud of her success and aware of what it has cost her From Milan to New York from Vienna to Paris and San Francisco impresarios have only to announce a performance by Renata Tebaldi to assure a packed enthusiastic house For thirty or forty golden evenings each year the soprano performs her miracle and receives her reward But what of the months spent in study and preparation in the exhausting ordeals of travel and recording sessions What incidents and episodes in her life helped to shape and crystallize her ambition Mr Seroff tells of her childhood and adolescence in an Italian village where she lived under the tension of her parents separation During the war while she grieved over the devastation of her beloved Italy she had to cope with the difficult circumstances of her first love She became engaged to a partisan whom she could see only at rare intervals Eventually she was forced to make the agonizing choice between marriage and her career But this is also the story of her triumphs beginnings with her memorable audition with Toscanini Her first appearance at La Scala so great a strain so important to her career was an enormous success Then came a South American tour with another soprano called Maria Callas in the company The ensuing rivalry between the two singers so often misrepresented is described here in detail This book could have been written only by someone who has known Renata Tebaldi personally At first hand Victor Seroff has witnessed many moments of despair and exultation of tragedy and triumph undergone by the singer during her career The result is the compassionate and moving story of a woman who once said When I cannot sing I just don't feel I am alive The book contains 30 illustrations of Renata Tebaldi a discography and an index Dust jacket

Renata Tebaldi Renata Tebaldi, *Renata Tebaldi* Stefano Papi, 2007 Renata Tebaldi, the Voice of an Angel Carlamaria Casanova, 1995 The passing of the great soprano Renata Tebaldi has occasioned the release of an enhanced edition of her biography Additional information about her life letters reminiscences by many of her colleagues and honors she received are included Also of interest to collectors are 16 pages of new photographs and a remastered audio CD **Renata Tebaldi.
