 Douglas Sedgwick *The Inconvenient Child* dee mcquesten ,2020-07-05 dee mcquesten brings to life the phrase It takes a
 village From dee s early childhood on the villagers in her life instilled in her the capacity for resilience The concept of
 resiliency attributed to early 20th Century thinker Walter Lippmann is the capacity for personal growth for recalibration and
 for principled improvisation in the face of new circumstances dee s story is this definition expressed in her own life of
 obstacles overcome and in a life dedicated to making our village a better place from the Elwha River Dam Project to our
 historic market but most importantly for the children abused traumatized and abandoned by the rest of our society
 Christopher Staeheli M D Child Psychiatrist I ve always known that dee was a tremendously strong person with unrelenting
 empathy for children enduring trauma and toxic stress Now I understand where that came from She is a model of how to turn
 childhood trauma into lasting resilience dee s experience will bring hope to others and inspire them to give back to their
 communities Read this book to be inspired by an amazing woman Kaaren Andrews Washington Director Center for High
 School Success Principal for 9 years of the Academy for traumatized and marginalized teens in Seattle s Columbia City dee s
 life exemplifies the saying Do not hide one s light under a bushel She was born with a light that years of abuse could not
 diminish dee s story with her vivid memory of details including her Norman Rockwell style formative years years of abuse
 mentally and physically and final happiness gives us courage to use our talents and become the persons we were meant to be
 Her intelligence and creativity boosted by her sense of spiritual need have helped her to find many ways to care for others
 For the past 38 years dee has worked and struggled to provide for her son and done so with humility and humor The amount
 of personal and communal good work she has done at the same time is truly astounding We cheer for her when she finds
 happiness with a man who is equally kind and generous Pam Schell Co founder of two successful theater companies Seattle s
 Intiman Theatre and Whidbey Island s WICA Whidbey Island Center for the Arts formerly Seattle s First Lady as wife of
 Seattle Mayor Paul Schell *Cherry Days* David Leo, A coming of age story set in 1950s Singapore written with
 photorealistic clarity Skinny and his friends grow up in a self sufficient kampong along an unnamed road Reading about their
 lives a distinctive character of their long gone childhood and of Singapore emerges raw from a recently concluded war alive
 with student riots and social movements Among the themes explored by the narrator is one of change such as the transition
 from rural to urban living and the role of women in a developing society as if inevitably the road must lead to it Stories of
 love death and forgiveness line the unnamed road at the heart of life in the kampong Reader Reviews This is a local book that

should be of interest to Westerners because it's such a well told story This is really one of the first works I've read that didn't have an assumption that Singapore's history is of interest to the rest of the world This book simply had an unassuming way of speaking about childhood while navigating through an interesting period in time The writer had such wonderful discipline at keeping perspective and wrestling the story down to size at delivering a really well shaped tale that has a lot of universal resonance and local affection David Leo had a really deft hand Fran Lebowitz *Cherry Days* is a very ambitious and largely very effective contained novel that is essentially set on one stretch of an unnamed road The setting is one of the real strengths of the book a coming of age fiction set in the Singapore of the 1950s that effectively creates a mood of nostalgia There is an elegiac quality to Skinny's story about his long gone childhood in the kampong even as the book explores parallel developments in history especially the changing role of women The attention to detail in recreating the location and some strong characters are notable highlights David Leo writes with a simplicity and clarity that works to bolster the essential tone of the narrative Shoba Viswanathan The unassuming deceptively simple prose of *Cherry Days* belies its big hearted emotional core from which the characters are vividly lovingly and empathetically drawn The book draws the readers in steadily keeping them enthralled in the bucolic kampong life and shenanigans of its inhabitants Yet layer by layer it peels away the patina of innocence revealing the loss and poignancy that comes with growing up *Cherry Days* is a treasure trove of precious memories and epitomes of neighbourly love William Phuan managing director of The Select Centre *Cherry Days* appeals with nostalgia and a familiar sense of community The straightforward prose imparts with affection defining moments and memories of youth and family Tan Mei Ching writer of novels short stories creative nonfiction plays children's books **TV**
