Santas Gift:

Santa's Birthday Gift Sherrill S. Cannon, 2009-11 A book that ties two holiday traditions into one inspirational tale of wonder as Santa brings gifts to baby Jesus Santa's Gift Onne Andrews, 2025-11-28 Sandra Nicholas finds running the family business a little lonely especially when she's horny as hell and her only options at the North Pole are reindeer and elves When global warming forces her to move the family toy manufacturing operation she needs the help of a human industrial engineer Sexy Scott Bowman fits the bill but can she keep her hands off him long enough to save Christmas

Bad Santas Paul Hawkins, 2013 *Bad Santas* is not a book for children Here you will find the bloody the bawdy and the downright bizarre in a celebration of the most imaginative macabre and curious Christmas figures and customs from across Europe Drawing on that continent's legacy of disquieting folk tales told at wintertime Paul Hawkins gleefully dark exploration of seasonal folklore is the perfect book for reading around the fireside **Santa Claus** Letlhokwa George Mpedi, 2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is

feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people s behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various epistemologies does Santa still make the cut **Santa Claus**

[Santa Claus](#) Gerry Bowler,2011-07-27 An entertaining often surprising look at the life of the world s most influential fictional character He is the embodiment of charity and generosity a creation of mythology a tool of clever capitalists The very idea of him is enduring and powerful Santa Claus was born in early nineteenth century America but his family tree goes back seven hundred years to Saint Nicholas patron saint of children Intervening generations were shaggy and strange whip wielding menaces to naughty boys and girls Yet as the raucous outdoor alcohol fuelled holiday gave way to a more domestic sentimental model a new kind of gift bringer was called for a loveable elf still judgmental but far less threatening In this engaging social and cultural history Gerry Bowler examines the place of Santa Claus in history literature advertising and art He traces his metamorphosis from a beardless youth into a red suited peddler He reveals the lesser known aspects of the gift bringer s life Santa s involvement with social and political causes of all stripes he enlisted on the Union side in the American Civil War his starring role in the movies and as adman for gun makers and insurance companies And he demolishes the myths surrounding Santa Claus and Coca Cola Santa Claus A Biography will stand as the classic work on the long lived and multifarious Mr Claus

Confectionery and Ice Cream World ,1947 *Santa Claus, Last of the Wild Men* Phyllis Siefker,2006-12-11 Much of the modern day vision of Santa Claus is owed to the Clement Moore poem The Night Before Christmas His description of Saint Nicholas personified the jolly old elf

known to millions of children throughout the world However far from being the offshoot of Saint Nicholas of Turkey Santa Claus is the last of a long line of what scholars call Wild Men who were worshipped in ancient European fertility rites and came to America through Pennsylvania s Germans This pagan creature is described from prehistoric times through his various forms Robin Hood The Fool Harlequin Satan and Robin Goodfellow into today s carnival and Christmas scenes In this thoroughly researched work the origins of Santa Claus are found to stretch back over 50 000 years jolting the foundation of Christian myths about the jolly old elf
