Santo Queso The Holy Cheese Cuentos Stories:

El santo queso Jim Sagel,1996 A collection of short stories in Spanish and English explores the ups and downs of life in the borderlands *Land of Disenchantment* Michael L. Trujillo,2010-03-16 New Mexico's Española Valley is situated in the northern part of the state between the fabled Sangre de Cristo and Jemez Mountains Many of the Valley's communities have roots in the Spanish and Mexican periods of colonization while the Native American Pueblos of Ohkay Owingeh and Santa Clara are far older The Valley's residents include a large Native American population an influential Anglo or non Hispanic white minority and a growing Mexican immigrant community In spite of the varied populace native New Mexican Latinos or Nuevomexicanos remain the majority and retain control of area politics In this experimental ethnography Michael Trujillo presents a vision of Española that addresses its denigration by neighbors and some of its residents because it represents the antithesis of the positive narrative of New Mexico Contradicting the popular notion of New Mexico as the Land of Enchantment a fusion of race landscape architecture and food into a romanticized commodity Trujillo probes beneath the surface to reveal the causes of social dysfunction brought about by colonization and the transition from a pastoral to an urban economy **New Mexico Magazine** ,1996 **Literature by Latinas and Latinos of the United States of America**
