Stallings,2020-08-31 Are there sufficient evidences to plausibly warrant positing a global Noahic Flood within the auspices of a specific Old Earth biblical paradigm If so what are they It is our firm conviction that God has allowed the passage of time to cover the blatant earthen signs of the Noahic Flood in such a way and just enough as to require earnest seekers of truth to use their eyes of faith and their vision of the kingdom metanarrative along with their empirical sight and senses to view and interpret the richness of the evidence Prerequisites in this quest include a great respect for the authority of Holy Scripture a pure heart with a simple desire for God s truth and a relentless willingness to look for both the forest and the trees viz to see the multitudes of seemingly unrelated small scenes always in light of the big picture The negation of any of these necessities will completely nullify the veracity of one s conclusions However we strongly aver that the totality of these necessities can bring the historical truth of the mystery of the Noahic Flood into a much much greater clarity **The Torah: Bereishis**

Boteach,2024-01-23 As many as one in three long term marriages in America are sexless and most people accept this as the inevitable course of a romantic relationship In this groundbreaking book Rabbi Shmuley Boteach explains why the prioritizing of love and companionship in marriage is all wrong and why we should not go quietly into that dark night of celibate marriage It is not love Rabbi Shmuley shows but lust that is the glue of a marriage In this book you will learn how to restore lust to its rightful place as the central pillar of marriage You will learn about the three principles of lust and how to tap into them to keep the flames burning in the family hearth Finally you will discover the incredible emotional and spiritual potential of the intimate marital bond In a wide ranging discussion that plumbs the depths of the erotic mind Rabbi Shmuley delivers a revolutionary message with the power to completely transform your most important relationship **The Imagery**

of Scripture: Genesis David Stellwagen,2024-02-15 This Bible study focuses on what the ancient church fathers referred to as typology It is an approach to reading Scripture that has been overlooked for centuries The Imagery of Scripture series takes the core idea of typology and builds upon it on an epic scale Twenty years and more than ten thousand hours of a magnificent obsession have yielded a unique Bible study for the ages The Imagery of Scripture Genesis is the second book in the series a series that focuses on seeing the Word of God with both new and ancient eyes This approach will allow the reader to admire the Bible in a profound way revealing the wonder of God s Word and how it points in untold ways to a place named Calvary

Brothers and Sisters Henry Abramovitch,2014-10-07 Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s Brothers and Sisters explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister

Mystery of Black Fire, White Fire Bruce Friedman,2016-05-17 Faith forms the foundation of both science and religion In Mystery of Black Fire White Fire author Bruce Friedman uses this thought as a springboard for a discussion of the commonalities existing between these two realms particularly with regard to cosmology and the origins of the universe Mystery of Black Fire White Fire provides a contemplation of the Creation and begins by offering an understanding of the basic principles of both Judaism and science The mysticism of kabbalah with its inclusion of creation from nothing among its other features is found to grapple with issues that science could only start to properly address in the twentieth century Combining the tools and knowledge of science with those of Judaism Friedman shows that new avenues of thought and revelation can be found But he also communicates that with all of the resources of science and religion available to humanity the resolution of the basic mystery of creation with which kabbalah concerns itself remains elusive Praise for Mystery of Black Fire White Fire What has Athens to do with Jerusalem a writer of antiquity famously asked Or as we might put it today what has modern science to do with the Torah This fascinating and erudite book combining great scientific and theological sophistication gives us the answer Stephen M Barr physics professor at the University of Delaware and author of Modern Physics and Ancient Faith

"Type-Scenes" in the Pentateuch Nevada Levi DeLapp,2018-01-25 An examination of the presence of theophanic scenes in the final form of the Pentateuch which argues that rather than there being a single overarching theophanic type scene there are multiple such scenes which reflect the individual theological tendencies of the biblical books within which they appear The Genesis type scene revolves around YHWH's promises in crisis situations i e YHWH only appears when there is a crisis or threat to the Abrahamic promise The Exodus type scene typically includes the appearance of YHWH's dangerous fiery presence Kabod Adonai a communal setting and divine action constituting or preserving Israel as a people in preparation for the Abrahamic inheritance In Leviticus the theophanies augment the Exodus type scene with a liturgical setting where a specific priestly action brings forth a theophanic response DeLapp then shows how Numbers recontextualizes each of the preceding type scenes as it retells the exodus narrative post Sinai When read synchronically the three type scenes build on each other and follow the developing narrative logic of Israel's larger story Deuteronomy then re-reads the Exodus type scene and indirectly the Genesis type scene to ensure that later readers read the theophanies appropriately i e YHWH only appeared as formless and shrouded in fire The Story of Dinah Gavi S.
