**Sarah and the Angel** Jeffcoat Brenda B., 1991-01-01      **And the Angels Whispered...** Sarah B. Diamond, 2019-10-03 I believe some things in life are predestined and that we have the capabilities of discovering what they are utilizing Astrology Numerology and other intuitive tools Having kept a journal I was able to validate my theory In 1995 a special someone from my past had re entered my life This led me to question my marriage and the direction I was headed I sought to find answers through psychics tarot readers and God but it wasn't until I looked within that I found what I was looking for I found the person I wanted to become The key was discovering the link to my higher self intuition It is the voice within I have come to trust and listen to on the path I have chosen to follow Along the way I have had to face certain fears risking love in order to find what was missing in my life monetary security and being judged by others for my beliefs However the journey back to spiritual awareness has been worth it to find what was missing in my life By sharing my story I hope it inspires others to heighten their inner awareness utilizing ancient tools to gain a better understanding of their past present and possibly their destiny
