Restaurant Business ,1995 *The Professor's Daughter* ,2010-11 The Professor's Daughter is a fictional memoir about an eccentric professor who's been a non conformist his entire career After his wife's death he tries to re establish his relationship with his estranged daughter Athena She wants to know about her father's secret life that he lived apart from both her and her mother Reluctantly the professor tells Athena about the other women in his life through stories filled with passion humor and irreverence In writing what he calls a fictional memoir Gamow knows that there is always a risk that friends and family might take offense However his aim is to explore the mysteries of romance and have a good natured laugh at the wild chemistry created when mixing men women and love The Professor's Daughter is a fictionalized memoir in which the life and loves of a recently widowed professor are recounted to his estranged daughter Drawn home by the death of her mother Athena must confront her father and the memories of the night years ago that pushed them apart In the telling of his side of the story the professor tells of the many loves in his life and expounds on his unique perspective on romantic love Gamow's extensive experience in film is evident in this narrative which is filled with vibrant characters crisp dialogue and a well developed sense of scene A highly entertaining read with a flare for the risqu Stephanie Walker Literary Editor Boulder Colorado I am both shocked and enthralled after reading The Professor's Daughter Like a number of his heroes Watson and Crick Einstein and Charles Darwin the controversial Professor Gamow has turned heads and ruffled feathers with a surprising new publication I have known him over the past twelve years as a teacher mentor research partner and friend Nothing could have prepared me for this revealing memoir which sheds an interesting light on a man with an extremely divisive history I have long been inspired by Professor Gamow's quixotic idealism but this book will cause many to question

whether or not he has gone too far I highly recommend this read as it places an interesting twist on decades of rumors
 hearse and speculation Aaron M Shupp MD Candidate University of Colorado School of Medicine In typical Gamowian
 fashion this book entertains while stretching the imagination with both humor and innovation Gino Segre Professor of
 Physics and Astronomy at the University of Pennsylvania and Author of Faust in Copenhagen Gamow paints a picture that
 will leave the reader questioning just how much is real The dialogue is crisp and believable making the story an easy read
 The change in point of view is smooth and easy to follow Gamow leads the reader to an almost instant empathy with Athena
 Like her the reader is waiting for her father to prove himself The plot moves smoothly from the time she hears of her mother
 s death goes home and reconnects with those who influenced her childhood and as her father returns to tell his story The
 unexpected ending leaves the reader wondering Pat Avery ForeWord Clarion Reviews **The New York Times Magazine**

 of Victorian poverty and into the 20th century With Love Story s success Bacon became a national spokesperson declaring
 that the modern woman could have it all in love in marriage and in the business world Yet Bacon herself struggled to achieve
 that ideal especially in her own romantic life built around a long term affair with a married man Drawing on exclusive access
