Double Threat Ellin Bessner, 2019-01-24 He died so Jewry should suffer no more These words on a Canadian Jewish soldier s tombstone in Normandy inspired the author to explore the role of Canadian Jews in the war effort As PM Mackenzie King wrote in 1947 Jewish servicemen faced a double threat they were not only fighting against Fascism but for Jewish survival At the same time they encountered widespread antisemitism and the danger of being identified as Jews if captured Bessner conducted hundreds of interviews and extensive archival research to paint a complex picture of the 17 000 Canadian Jews about 10 per cent of the Jewish population in wartime Canada who chose to enlist including future Cabinet minister Barney Danson future game show host Monty Hall and comedians Wayne and Shuster Added to this fascinating account are Jews who were among the so called Zombies Canadians who were drafted but chose to serve at home the various perspectives of the Jewish community and the participation of Canadian Jewish women

Raising the Workers' Flag Stephen Endicott, 2012-09-07 During the Great Depression the conflicting interests of capital and labour became clearer than ever before Radical Canadian workers encouraged by the Red International of Labour Unions responded by building the Workers Unity League an organization that greatly advanced the cause of unions in Canada and boasted 40 000 members at its height In Raising the Workers Flag the first full length study of

this robust group Stephen L Endicott brings its passionate efforts to light in memorable detail Raising the Workers Flag is based on newly available or previously untapped sources including documents from the Royal Canadian Mounted Police s Security Service and the Communist Party s archives Using these impressive finds Endicott gives an intimate sense of the raging debates of the labour movement of the 1930s A gripping account of the League s dreams and daring Raising the Workers Flag enlivens some of the most dramatic struggles of Canadian labour history

Literary Impostors Rosmarin Heidenreich,2018-07-30 In the first half of the twentieth century a number of Canadian authors were revealed to have faked the identities that made them famous What is extraordinary about these writers is that they actually became in everyday life characters they had themselves invented Many of their works were simultaneously fictional and autobiographical reflecting the duality of their identities In Literary Impostors Rosmarin Heidenreich tells the intriguing stories both the true and the fabricated versions of six Canadian authors who obliterated their pasts and re invented themselves Grey Owl was in fact an Englishman named Archie Belaney Will James the cowboy writer from the American West was the Quebec born francophone Ernest Dufault the prairie novelist Frederick Philip Grove turned out to be the German writer and translator Felix Paul Greve Chief Buffalo Child Long Lance Onoto Watanna and Sui Sin Far were the chosen identities of three mixed race writers whose given names were respectively Sylvester Long Winnifred Eaton and Edith Eaton Heidenreich argues that their imposture in some cases not discovered until long after their deaths was not fraudulent in the usual sense these writers forged new identities to become who they felt they really were In an age of proliferating cyber identities and controversial claims to ancestry Literary Impostors raises timely questions involving race migrancy and gender to illustrate the porousness of the line that is often drawn between an author s biography and the fiction he or she produces

Seeds of Hope Jane Goodall,2014-04-01 From world renowned scientist Jane Goodall as seen in the new National Geographic documentary Jane comes a fascinating examination of the critical role that trees and plants play in our world From world renowned scientist Jane Goodall as seen in the new National Geographic documentary Jane comes a fascinating examination of the critical role that trees and plants play in our world Seeds of Hope takes us from Goodall s home in England to her home away from home in Africa deep inside the Gombe forest where she and the chimpanzees are enchanted by the fig and plum trees they encounter She introduces us to botanists around the world as well as places where hope for plants can be found such as The Millennium Seed Bank She shows us the secret world of plants with all their mysteries and potential for healing our bodies as well as Planet Earth Looking at the world as an adventurer scientist and devotee of

sustainable foods and gardening and setting forth simple goals we can all take to protect the plants around us Goodall delivers an enlightening story of the wonders we can find in our own backyards **Chasing the Dragon in Shanghai** John D. Meehan, 2011-10-20 Canadians share a long history with China Canada is home to a large Chinese diaspora it appointed a trade commissioner to Shanghai over a century ago and it was one of the first Western nations to recognize the People's Republic of China This absorbing account of Canadian sojourners in Shanghai from the arrival of Lord Elgin in 1858 to the closing of the consulate general in 1952 gives a human face to that history Some Canadians came to save souls nourish bodies and educate minds others sought financial and political gain Their experiences which unfolded against a backdrop of civil war invasion and revolution in China and were coloured by Canada's evolution from colony to nation reflected Canada's deepening relationship with China and the troubling asymmetries that underpinned it Although Canadians like other foreigners had left Shanghai by the early 1950s their lives and activities foreshadowed more recent Canadian initiatives in that city and in China more generally **The Canadian Historical Review**, 2002 Rogue Tory Denis Smith, 2013-11-19 Winner of the Dafoe Book Prize Winner of the University of British Columbia Medal for Canadian Biography 1995 marked the 100th anniversary of that most charismatic and enigmatic public figure the thirteenth prime minister of Canada John George Diefenbaker Beloved and reviled with equal passion he was a politician possessed of a flamboyant self-fabulizing nature that is the essential ingredient of spellbinding biography After several runs at political office Diefenbaker finally reached the Commons in 1940 sixteen years later he was leader of the Progressive Conservative Party In 1958 after a campaign that dazzled the voters the Tories won the largest majority in the nation's history the Liberal party was shattered its leader Lester Pearson humiliated by an electorate that had chosen to follow John Diefenbaker's victory promised a long and sunny Conservative era It was not to be instead Dief gave the country a decade of continuous convulsion marked by his government's defeat in 1963 and his own forced departure from the leadership in 1967 a very public drama that divided his party and riveted the nation When Diefenbaker died in 1979 he was given a state funeral modeled at his own direction on those of Churchill and Kennedy It culminated in a transcontinental train journey and burial on the bluffs overlooking Saskatoon alongside the archive that houses his papers the only presidential style library built for a Canadian prime minister Canadians embraced the image of Dief as a morally triumphant underdog even as they were repelled by his outrageous excesses He revived a moribund party and gave the country a fresh sense of purpose but he was no match for the dilemmas of the Cold War of Quebec nationalism or the subtleties of the country's relations with the United States This compelling biography illuminating both legend and man and the nation he helped shape was among the most highly praised books of the year **Hidden Heroes of the Rockies** Isaac K. Russell, Howard Roscoe Driggs, 1923 The Living Church, 1996 Index de Périodiques Canadiens, 2001
