Satan Lewis Chafer,2008-10-02 We walk in the midst of his snares We hear on every hand his doctrines proclaimed by men of blameless lives We and are allured by the pleasure and power of his organized world system Now understand the dispensational aspects of the one who stands totally defeated Satan **True Evangelism** Lewis Sperry Chafer,1911 A classic that expounds biblical evangelism by explaining topics such as false forces in evangelism salvation as the objective in evangelism and conviction by the Spirit *Hijacked!* Clarence

Washington Sr.,2025-05-01 ABOUT THE BOOK The first four volumes of Hijacked How Dr King s Dream Became a Nightmare explores the goals that must be achieved and the methods that must be used to fix what is wrong with America However these things have been hijacked by various forces including some super natural spiritual forces and caused the once unthinkable devastating nightmare in America which we are now experiencing These dark forces must be dealt with through an effective super natural spiritual warfare prayer strategy Volume 5 The Demonic explores everything that We the People need to do this and bring America back from the brink of total decline and destruction And Volume 6 explores the great mercy extended to America on November 5 2024 by the God orchestrated landslide victory of Donald Trump instead of giving us what we deserved because of the wickedness of America which was Kamala Harris But instead God looked pass our faults and saw our needs However the church must initiate a nationwide revival to accompany the reformation promised by Donald Trump so that the reformation remains for more than just his presidency Simply put America is at the crossroads of revolution and civil war or reformation and revival in other words the crossroads of The End or The Last Chance God orchestrated the reformation through the landslide victory of Donald Trump and a conservative majority US Senate and House Now it s on the church to conduct a nationwide revival to accompany the reformation because both are needed to feed

Be Basic (Genesis 1-11) Warren W. Wiersbe, 2010 When life gets complicated it's time to get back to basics The Be Basic Bible commentary shares fundamental truths from the book of Genesis on relationships faith sin and spiritual fulfillment *My New Normal* Deborah Newhouse, 2010-08 ON THAT DAY in February that day that changed my living and my life hell's minions had moved in around me like a black ops team on a critical mission of destruction The enemy had sat patiently within the strongholds I had helped build planning this siege and launching his assault to destroy me Those old taunts from the enemy punctuated my thoughts old wounds fueled the fight I was on a downward spiral into my own slough of despond accelerating fast towards self destruction It was a silly thing really that thing that made the facade of my unhealed unyielded life crack and shatter to the ground around my feet I can see all too clearly now in hindsight how often and how willingly I had worked with my enemy to take me down I was persuaded by my false self that I was hiding well what I knew I was fearful and needy That day so many old hurts and pains were bumped Angry tears rushed to the surface as suddenly as if they had just happened I had cooperated with the dark domain and gone to a destructive place by succumbing to the lies I had been hearing from my enemy for years By the simple act of forgetting a sandwich the scab of insignificance was torn off and my wounds fully exposed I had cried out for deliverance from my past with a puny voice of supplication many times before but this time when I cried for help a gentle guiding soul led me to a place of yielding a place I had never traveled a place where I could be SURPRISED BY GOD *Satan's Strategies to Steal Your Identity: To Defeat God's Purposes in Your Life* Savannah Micheals, 2018-08-10 Savannah Micheals is a dedicated believer and disciple of Jesus Christ who has a strong desire to encourage others in their faith about salvation and the gospel message She has served in the Social Services Mental Health and Addictions profession for the past 30 years and utilizes her knowledge and experience when exploring the sufferings and struggles of humanity Savannah has written this book for the purpose of inspiring and encouraging others to confront and overcome the destructive and self defeating strategies of the enemy of their souls This is a spiritual self help book that will assist Christians and non Christians alike with the exploration of their faith and belief in God This book will expose the tactics of the devil in his attempts to destroy a Christian's spiritual walk with Jesus Christ and provide spiritual weapons of warfare that will defeat the devil and enable a Christian to walk victoriously in Christ
