Hoover, 2008-03 Learn about the true source of fear sickness disease infirmities depression bitterness and calamity and how to avoid them Does God impart sickness to you or does He allow Satan to do it Does God cause or allow sickness in order to draw you closer to Him or teach you a lesson Was Job's incredible ordeal of suffering a result of a contest or wager between God and Satan Did Job experience loss as a result of ignorance about the true nature or character of God The answer to one of these four questions is a resounding yes Experience new hope a healthy respect and a deeper profound love for God by learning the truth about His true nature in a deeper study of the Book Of Job Douglas Hoover was born in Jackson Michigan in 1947 a four year disabled Navy veteran father of Heidi Renee and Chad Douglas and has lived in San Diego CA for the past twenty five years Douglas has been writing articles for magazines for many years and is a platinum author on the internet He is the founder of Beautiful Feet Outreach Ministries and CEO and founder of Aquamedia Corporation in San Diego CA Douglas Hoover has received invitations from pastors around the world to come and preach the Gospel Serving the Lord is his passion and preaching the Gospel is his major goal Matthew 6 33 He believes that if we will seek God and put Him first in our life He will provide us with everything we need love health peace joy and even financial needs Douglas encourages fellow believers to develop a burden for the lost and a desire to know the true nature and character of God the God of Abraham Isaac and Jacob <http://www.beautifulfeetoutreach.com> **Powers of Darkness** Clinton E. Arnold, 2025-06-12 Satan worship Witches New Age channelers The last two decades of the twentieth century witnessed a vast upsurge in occult activity Scores of popular books have warned Christians of the dangers and urged them to do battle against these spiritual forces Few books however have developed a careful biblical theology on demons principalities and powers Clinton Arnold seeks to fill this gap providing an in depth look at Paul's letters and what they teach on the subject For perspective he examines first century Greek Roman and Jewish beliefs as well as Jesus teaching about

magic sorcery and divination Arguing against many recent interpretations that have seen principalities and powers as impersonal social economic and political structures Arnold contends that the New Testament view is that such forces are organized personal beings which Jesus defeated at the cross and will bring into full subjection at his return In his concluding section Arnold suggests practical ways in which Christians today can contend with the forces of evil Powers of Darkness is a thoughtful biblical look at an urgent challenge facing the church
