Satans Caravan:

Satan's Caravan Grace Conlon, 2005-06 Satan's Caravan a Victory over the Adversary is an action packed story of a young boy orphaned on the prairie during the turbulent pioneer movement of the mid 1800 s It is a novel of historical fiction based in part on the Mountain Meadows Massacre of 1857 The boy is befriended by an unlikely hero a middle aged Boston schoolteacher who is running away from tragic events in his own life In joining a wagon train of misfits they are caught up in a daily struggle to survive Along the way the pioneers barely escape the murderous intentions of rogues with their party lose some members during a flash flood and cope with the constant threat of Indian ambushes culminating in a savage attack and massacre when they reach the territory that is now the state of Utah The Indian attackers in Satan's Caravan as is recorded in history of the region were joined by members of the Mormon Church The author delineates the unsettled state of society which explains how such a massacre might have taken place Satan's Caravan does not propose that this wagon train was the one ambushed in the mountain meadow but rather that the unsavory nature of some western bound pioneers and their behavior toward the earlier settlers may have pushed the situation beyond the limits of human decency **God's Work In**

was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
