Satan's Super Soldiers Barry Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader

and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31 *The Curse of Satan's Collar* John W. Miller, 2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn't see thought he was blind and had a massive hangover from his Daddy's Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o'clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn't see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I'm chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It's my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It's got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man's rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn't matter what direction he walked Finally exhausted he couldn't get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

Satan and the Problem of Evil Gregory A. Boyd,2025-08-04 Where does evil come from If there is a sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God s sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God s providential oversight of all creation and history How does God interact with human intention and action If people act freely does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in *God at War* with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition While all may not agree with Boyd s conclusions *Satan and the Problem of Evil* promises to advance the church s discussion of these critical issues

Right Romance Emily Griffiths Jones,2020-04-23 In this book Emily Griffiths Jones examines the intersections of romance religion and politics in England between 1588 and 1688 to show how writers during this politically turbulent time used the genre of romance to construct diverse ideological communities for themselves *Right Romance* argues for a recontextualized understanding of romance as a multigeneric narrative structure or strategy rather than a prose genre and rejects the common assumption that romance was a short lived mode most commonly associated with royalist politics Puritan republicans likewise found in romance strength solace and grounds for political resistance Two key works that profoundly influenced seventeenth century approaches to romance are Philip Sidney s *New Arcadia* and Edmund Spenser s *The Faerie Queene* which grappled with romance s civic potential and its limits for a newly Protestant state Jones examines how these works influenced writings by royalists and republicans during and after the English Civil War Remaining chapters pair writers from both sides of the war in order to illuminate the ongoing ideological struggles over romance John Milton is analyzed alongside Margaret Cavendish and Percy Herbert and Lucy Hutchinson alongside John Dryden In the final chapter Jones studies texts by John Bunyan and Aphra Behn that are known for their resistance to generic categorization in an attempt to rethink romance s relationship to election community gender and generic form Original and persuasive *Right Romance* advances theoretical discussion about romance pushing beyond the limits of the genre to discover its impact on constructions of national communal and personal identity
