**Invasion of Other Gods** David Jeremiah, C. C. Carlson, 2023-12-19 A critical look at New Age spirituality by a Christian pastor inducted into the National Religious Broadcasters Hall of Fame New Age philosophy is really ancient paganism repackaged for modern consumption In *Invasion of Other Gods* Illumination Book Award winner David Jeremiah shows how this form of spirituality has flooded our culture with teachings and terminology that clearly contradict the Christian Gospel He discusses the history and thinking behind such neo pagan practices as crystals and past life therapy and shows how innocent seekers especially those coping with difficult life situations can fall prey to these phenomena in an informative guide that will fortify your faith against these seductive temptations

**A Fresh Cup of Tolerance** Thomas L. Norris, 2021-11-12 A Fresh Cup of Tolerance pioneers a coherent practical theology of the burgeoning universalism movement It builds on broad spiritual foundations from Native American Asian Neopagan Judeo Christian and Islamic traditions Pragmatic and straightforward it addresses the most pressing global dilemmas of our time environment globalization feminism and gender issues religious strife oppression poverty war and prejudice Theologically it systematically explores our many views of God good evil sin and suffering revelation spirituality in the digital age the spirit of love and community and so on However it is not a pleasant treatise on love It is a living faith in action theology free of rigid words Scriptures beliefs dogma or practices rituals With seven billion people on the planet many more to come cooperating and living loving together is a survival essential In a crisis our best nature surfaces but we seem unable to sustain a sense of true community and compassion for more than a few CNN weeks at a time It is a spiritual priority to seek a means to sustain a loving community for longer periods whether within the family the community the larger society or the world A theology of universalism offers a pathway of hope

**Biblical Counsel**, 1993 **A Handbook of Contemporary Theology** David L. Smith, 2001-02-01 This introduction to contemporary theology looks at the origin and history of each movement their major figures and doctrinal emphases The author evaluates the teachings and practices of each system in light of biblical Christianity *The Christian Countercult Movement* Douglas E. Cowan, 2023-08-24 Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular anticult counterpart and explains how faith based

opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian worldview

**Christian Responses to the New Age Movement** John A. Saliba,1999 For Christians the first encounter with the New Age Movement may prove confusing On the one hand there is an attraction in New Age ideology and ritual practice but on the other this very attraction raises theological and pastoral questions for the Churches whose responses have been ambiguous and conflicting The author analyses the real challenge the New Age offers the Churches today and gives an overview of the way in which Christian groups have responded to it

**The Serpent of Paradise** Erwin W. Lutzer,1986-08-07 How we perceive our enemy will largely determine how we fight against him Unless we grasp how the devil fits into God s scheme of things we will find it difficult to stand against his conspiracy against us personally and his influence within our culture We can have a proper theology of the devil only if we have a proper theology of God Only when we stand in awe of God will we find it unnecessary to be in awe of Satan As Martin Luther once said The devil is God s devil God is still in control The Serpent of Paradise gives an overview of the career of Satan and his interaction with the Almighty It traces his fall from an exalted position to his demise in everlasting shame and contempt It shows us that Satan always loses even when he wins Best of all it confirms that we who have been translated from the kingdom of darkness into the kingdom of light are able to stand against him Be strong in the Lord and in his mighty power Put on the full armor of God so that you can take your stand against the devil s schemes Ephesians 6 10 11 NIV The Serpent of Paradise is a book about Satan but it is also a book about God s power God s program and God s purposes in this world
