CATHERINE M. SCHLEGEL

Satire And The Threat Of Speech Horaces Satires 1

Wisconsin Studies In Classics

**Martin Vöhler, Stella Alekou, Miltos
Pechlivanos**

Satire And The Threat Of Speech Horaces Satires 1 Wisconsin Studies In Classics:

Satire and the Threat of Speech Catherine M. Schlegel, 2005-12-29 In his first book of Satires written in the late violent days of the Roman republic Horace exposes satiric speech as a tool of power and domination Using critical theories from classics speech act theory and others Catherine Schlegel argues that Horace's acute poetic observation of hostile speech provides insights into the operations of verbal control that are relevant to his time and to ours She demonstrates that though Horace is forced by his political circumstances to develop a new unthreatening style of satire his poems contain a challenge to our most profound habits of violence hierarchy and domination Focusing on the relationships between speaker and audience and between old and new style Schlegel examines the internal conflicts of a notoriously difficult text This exciting contribution to the field of Horatian studies will be of interest to classicists as well as other scholars interested in the genre of satire

Dante Satiro Fabian Alfie, Nicolino Applauso, 2020-05-19 This collection of essays is the first comprehensive study on Dante and satire within his entire corpus that has been published Its title evokes the moment when Virgil leads Dante through Limbo the uppermost portion of Hell There they are joined by four classical poets and Virgil describes one of them as Horace the satirist Orazio satiro 4 89 By applying the expression to Dante himself this volume seeks to explore the satirical elements in his works Although Dante is not typically described as a satirist anyone familiar with his works will recognize the strong satirical element in his many writings Ultimately this study shows that Dante engages in satire in order to attain the primary literary tool at his disposal for his prophetic objectives the castigation of vice

Concepts and Functions of Philhellenism Martin Vöhler, Stella Alekou, Miltos Pechlivanos, 2021-01-18 Key aspects of philhellenism political self determination freedom beauty individual greatness originate in antiquity and present a complex reception history The force of European philhellenism derives from ancient Roman idealizations which have been drawn on by European movements since the Enlightenment How is philhellenism able to transcend national cultural and epochal limits The articles collected in this volume deal with 1 the ancient conceptualization of philhellenism 2 the actualization and politicization of the term at the time of the European Restoration 1815-30 and 3 the transformation of philhellenism into a pan European movement During the Greek struggle for independence the different receptions of philhellenism regain a common focus philhellenism becomes an inextricable element in the creation of a pan European identity and a starting point for the regeneration and modernization of Greece It is easy to criticize the tradition of philhellenism as being simplistic naive and self serving but there is an irreducibly utopian element in later philhellenic idealizations of ancient Greece *"Neither Letters nor Swimming": The Rebirth of Swimming and Free-diving* John M. McManamon, 2021-03-01 In a novel study of the impact of classical culture John McManamon demonstrates that Renaissance scholars rediscovered the importance of swimming to the ancient Greeks and Romans and conceptualized the teaching of swimming as an art The ancients had a proverb that described a truly ignorant person as knowing neither letters nor swimming McManamon traces the ancient

textual and iconographic evidence for an art of swimming demonstrates its importance in warfare and highlights the activities of free divers who exploited the skill of swimming to earn a living Renaissance theorists of a humanist education first advocated a rebirth for swim training Erasmus included the classical proverb in his *Adages* and two sixteenth century scholars wrote treatises in dialogue form on methods for teaching young people how to swim [A Companion to Ancient Epigram](#) Christer Henriksen, 2019-02-12 A delightful look at the epic literary history of the short poetic genre of the epigram From Nestor's inscribed cup to tombstones bathroom walls and Twitter tweets the ability to express oneself concisely and elegantly continues to be an important part of literary history unlike any other This book examines the entire history of the epigram from its beginnings as a purely epigraphic phenomenon in the Greek world where it moved from being just a note attached to physical objects to an actual literary form of expression to its zenith in late 1st century Rome and further through a period of stagnation up to its last blooming just before the beginning of the Dark Ages *A Companion to Ancient Epigram* offers the first ever full scale treatment of the genre from a broad international perspective The book is divided into six parts the first of which covers certain typical characteristics of the genre examines aspects that are central to our understanding of epigram and discusses its relation to other literary genres The subsequent four parts present a diachronic history of epigram from archaic Greece Hellenistic Greece and Latin and Greek epigrams at Rome all the way up to late antiquity with a concluding section looking at the heritage of ancient epigram from the Middle Ages up to modern times Provides a comprehensive overview of the history of the epigram The first single volume book to examine the entire history of the genre Scholarly interest in Greek and Roman epigram has steadily increased over the past fifty years Looks at not only the origins of the epigram but at the later literary tradition *A Companion to Ancient Epigram* will be of great interest to scholars and students of literature world literature and ancient and general history It will also be an excellent addition to the shelf of any public and university library *Imperium and Cosmos* Paul Rehak, 2009-05-20 Caesar Augustus promoted a modest image of himself as the first among equals princeps a characterization that was as popular with the ancient Romans as it is with many scholars today Paul Rehak argues against this impression of humility and suggests that like the monarchs of the Hellenistic age Augustus sought immortality an eternal glory gained through deliberate planning for his niche in history while flexing his existing power *Imperium and Cosmos* focuses on Augustus's Mausoleum and Ustrinum site of his cremation the Horologium Solarium a colossal sundial and the Ara Pacis Altar to Augustan Peace all of which transformed the northern Campus Martius into a tribute to his major achievements in life and a vast memorial for his deification after death Rehak closely examines the artistic imagery on these monuments providing numerous illustrations tables and charts In an analysis firmly contextualized by a thorough discussion of the earlier models and motifs that inspired these Augustan monuments Rehak shows how the princeps used these on such an unprecedented scale as to truly elevate himself above the common citizen [American Book Publishing Record](#), 2006 *Afterlives of the Roman Poets* Nora Goldschmidt, 2019-12-05 This innovative book

reconceptualises Roman poetry and its reception through the lens of fictional biography biofiction **Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio,2005-05 **Prostitutes and Courtesans in the Ancient World** Christopher A. Faraone,Laura K. McClure,2006-02-06 These essays explore the implications of sex for pay from ancient Mesopotamia to the early Christian period They reflect the debates engendered by research by confronting the ambiguous terms for prostitution in ancient languages as well as the political and social implications of literary representations of prostitutes *Horace: Satires* Horace,2012-01-12 Horace's first book of Satires is his debut work a document of one man's self-fashioning on the cusp between Republic and Empire and a pivotal text in the history of Roman satire It wrestles with the problem of how to define and assimilate satire and justifies the poet's own position in a suspicious society The commentary gives full weight to the dense texture of these poems while helping readers interpret their most cryptic aspects and appreciate their technical finesse The introduction puts Horace in context as late Republican newcomer and a vital figure in the development of satire and discusses the structure and meaning of Satires I literary and philosophical influences style metre transmission and Horace's rich afterlife Each poem is followed by an essay offering overall interpretation This work is designed for upper level students and scholars of classics but contains much of interest to specialists in later European literature *The Satirist Makes Satire* Catherine McKee Schlegel,1994 *The Satires and Epistles [with Ars poetica] of Horace, interpreted by D. Hunter* Quintus Horatius Flaccus,1838 *Horace: Satires Book I* Horace,2012-01-12 Horace's first book of Satires is his debut work a document of one man's self-fashioning on the cusp between republic and empire and a pivotal text in the history of Roman satire It wrestles with the problem of how to define and assimilate satire and justifies the poet's own position in a suspicious society The commentary gives full weight to the dense texture of these poems while helping readers interpret their most cryptic aspects and appreciate their technical finesse The introduction puts Horace in context as late Republican newcomer and a vital figure in the development of satire and discusses the structure and meaning of Satires I literary and philosophical influences style metre transmission and Horace's rich afterlife Each poem is followed by an essay offering overall interpretation This work is designed for upper level students and scholars of classics but contains much of interest to specialists in later European literature **Satires and Epistles** Horace,2011-04-14 Horace exposes the vices and follies of his Roman contemporaries in his Satires and the Epistles include the famous Art of Poetry whose advice on poetic style influenced many later writers and dramatists John Davie's new prose translations perfectly capture the ribald style of the original *Studies in classical satire and related literary theory* Rooy,2024-11-11 **Satires, Epistles and Art of Poetry (Ars Poetica)** Horace,1854 *Satires and Epistles* ,1893 **Satire** ,1981 *Juvenal: Satires Book I* Juvenal,1996-03-07 This volume presents a new commentary on the first book of satires of the Roman satirist Juvenal In the Introduction Braund situates Juvenal within the genre of satire and demonstrates his originality in creating an angry character who declaims in the grand style The Commentary illuminates the content and style of Satires 1-5 The essays on

each of the poems together with the overview of Book I in the Introduction present the first integrated reading of these Satires as an organic structure
