One Million Words of Book Notes, 1958-1993 Richard Kostelanetz, 1996 Kostelanetz excels for instance at astutely cynical debunkings of many of the radical chic culture heroes of the 60s He can be scathingly funny as well deflating both the over rated trendy avant gardists and the New York Intellectual elders who tyrannized the time As a meticulously reconstructed record of literary coming of age in a particularly propitious cultural moment One Million Words has carved out a unique place in the annals of literary autobiography Library **Print Quarterly** ,1987 *The Publishers' Trade List Annual* ,1976

game Born in Dickens on the southern outskirts of Los Angeles the narrator of The Sellout spent his childhood as the subject in his father s racially charged psychological studies He is told that his father s work will lead to a memoir that will solve their financial woes But when his father is killed in a drive by shooting he discovers there never was a memoir All that s left is a bill for a drive through funeral What s more Dickens has literally been wiped off the map to save California from further embarrassment Fuelled by despair the narrator sets out to right this wrong with the most outrageous action conceivable reinstating slavery and segregating the local high school which lands him in the Supreme Court In his trademark absurdist style which has the uncanny ability to make readers want to both laugh and cry The Sellout is an outrageous and outrageously entertaining indictment of our time The Great American Boogaloo Paul Flower,2022 **Insurrection**

Resurrection James R. Keena,2001-05-01 Man is born free yet is everywhere in chains How did this happen Insurrection Resurrection provides an answer In this dark satire founding father Thomas Jefferson mysteriously appears in modern America to incite a second American Revolution out of revulsion for contemporary politics It s a tale of Alice in Wonderland surrealism Catch 22 farce and Atlas Shrugged philosophical controversy The antagonist is a tyrannical politician known only as the Head Honcho He controls the puppet strings of the U S government with the guile of Nixon the subterfuge of J Edgar Hoover the scandal of Clinton and the mystery of the X Files Smoking Man He s a ruthless power mongering juggernaut who continuously pursues reelection with animalistic Neanderthal fervor He believes in government of the politicians for the politicians and by the politicians He spews out innocuous slogans unkeepable promises contradictory positions and pompous deceit He s embroiled in a ceaseless witch hunt for a mysterious rebel known only as the Insurrectionist who is actually the resurrected Jefferson The protagonist is Freeman a career bureaucrat who plods along as the Head Honcho s public relations stooge Apathy and purposelessness haunt him He unwittingly becomes associated with Jefferson who gradually enlightens him about the absurdity of today s politics Through the unique perspective of the resurrected Jefferson it becomes apparent that the current American government is as corrupt and oppressive as the British monarchy we revolted against two centuries ago Astonished by the opulent lifestyles of American politicians the enormity of the federal government and its utter disdain for ordinary taxpayers Jefferson organizes tax revolts exposes corrupt politicians and recruits citizen militias The Head Honcho counters with propaganda censorship murder and war to divert attention from his malfeasance and a comic series of governmental malfunctions Blood begins to flow in a crimson river all around him His behavior exemplifies a government run amok as he violates civil rights and turns the bureaucracy into an engine of surveillance to hunt down the Insurrectionist His surreptitious cover ups obstructions of justice and deceptions lead to a constitutional crisis and a public tidal wave of revulsion He creates a new state religion called Ismism a generic philosophy with zero principles all of which are politically correct This gives him lots of room to maneuver while avoiding clashes with facts To stave off mounting rebellions the Honcho enacts the Insurrection Act which gives him wartime powers to apprehend and prosecute suspected

rebels The Act exemplifies the unadulterated goal of all governments which is self preservation at any cost to individual liberty Still the Insurrectionist eludes him Freeman becomes aware through his friend Jefferson that the American experiment has edged day by day month by month year by year away from its original premise and now threatens the American people with a bureaucratic leviathan more imposing and intrusive than all previous examples put forth by history It becomes clear that when government makes peaceful revolution impossible violent revolution is inevitable Utterly despondent the Honcho reminisces about days gone by when kings were kings serfs were serfs and everyone politely stayed in their place He travels back in time to England in 1775 where he becomes the tyrant King George to try to prevent the original American Revolution from happening in order to make America a more hospitable place for tyrants in subsequent centuries Unfortunately there s so much inertia behind the American drive for independence from British bureaucratic oppression that he s powerless to stop the revolution America s violent revolt creates humanity s first separation of church and state and establishes h
