Satisfaction The Story Of Mick Jagger:

Satisfaction John Aldridge,1984 *Satisfaction* John Aldridge,1984 **Keith Richards: The Unauthorised Biography** Victor Bockris,2013-01-18 Victor Bockris's much admired biography of Keith Richards has been constantly revised since its original publication now with an additional 12 000 words for a new edition of the Omnibus Press paperback that brings the story up to the present day First published in eight countries in 1992 at that time Keith Richards had stood in the shadow of Mick Jagger for thirty years Then as a result of Victor Bockris biography Richards was put in the spotlight and emerged as the power behind the throne the creator the backbone and the soul of the Rolling Stones Here are the true facts behind Richards battles with his demons the women the drugs and the love hate relationship with Jagger His struggle with heroin and his status as the rock star most likely to die in the 1970s His scarcely believable rebirth as a family man in the 1980s Illuminated with revealing quotes and thoughtful insights into the man behind the band that goes on forever *The Business* Simon Napier-Bell,2023-01-27 The only history of pop music you'll ever have to read Huffington Post Let legendary rock manager Simon Napier Bell take you inside the dodgy world of popular music not just a creative industry but a business that has made people rich beyond their wildest dreams This book describes the evolution of the music industry from 1713 the year parliament granted writers ownership over what they wrote to today when a global 100 billion pound industry is controlled by just three major players Sony Universal and Warner Inside you will uncover some little known facts about the industry including how a formula for writing hit songs in the 1900s helped create 50 000 of the best known songs of all time how Jewish immigrants and black jazz musicians dancing cheek to cheek created a template for all popular music that followed and how rock tours became the biggest quickest sleaziest and most profitable ventures the music industry has ever seen Through it all Napier Bell balances seductive anecdotes pulling back the curtain on the gritty and absurd side of the industry with an insightful exploration of the relationship between creativity and money [The Search for Satisfaction](#) David H. McKinley,2006-05-21 We live in constant search mode looking for purpose and meaning trying to find something anything that might satisfy the deep longings of our heart Yet this search is nothing new Even the wisest man who ever lived struggled with these same issues finding that everything in life was meaningless a chasing after the wind Follow Solomon's search through a fascinating study of Ecclesiastes as in the depths of his despair he discovers that only the God who made the sun can offer real and lasting results under it Satisfaction guaranteed **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope **Let's Spend the Night Together** Pamela Des Barres,2008-09 Presents biographies of twenty four rock groupies in their own words including Tura Satana Miss Mercy Cynthia Plaster Caster and Miss B *The Secret History of Rock 'n' Roll* Christopher Knowles,2010-10-01 Sex Drugs Loud music Wild costumes Dazzling light shows These words can all describe a great rock

concert or a hot dance club but they were also part and parcel of the ancient cultural phenomenon known as the Mystery religions In this book author Christopher Knowles shows how the Mystery religions got a secular reincarnation when a new musical form called rock n roll burst onto the scene The Secret History of Rock n Roll traces the history of the Mysteries their rise their fall and their survival through long centuries of repression Knowles shows how the Mysteries prefigured subcultures as diverse as Santeria Freemasonry Mardi Gras and even the Holiness churches of the American frontier and explains exactly how ancient rituals and music found their way to the New World In the process The Secret History of Rock n Roll traces the development of rock s most popular genres such as punk and heavy metal and reveals how many of rock s most iconic artists play the same archetypal roles as the ancient gods You ll see how many of the rituals and customs and even musical styles of our postmodern society have stunning ancient parallels You ll meet history s first pop **Popular Singers of the Twentieth Century** Robert H. Cowden,1999-07-30 This guide to the biographical literature available on popular 20th century singers covers nearly 1000 artists Much of the literature cited is also cross referenced to major biographical dictionaries encyclopedias and relevant periodicals Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography The artists included in this volume increasingly cross musical boundaries The popular singer category therefore encompasses Broadway Hollywood cabaret and operetta performers as well as recording artists Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies Divided among three sections citations are arranged alphabetically and include information about literature published through 1997 An appendix of additional artists and an index complete the volume
