### **Saturday Night Fever Pg Version:**

*Risky Business* William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century Rock music and its interaction with film is the subject of this significant book that re examines and extends Serge Denisoff's pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie's success and the success of its soundtrack began to change the silver screen In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Graffiti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change

Free and Easy? Sean Griffin, 2017-07-24 A History of the American Musical narrates the evolution of the film musical genre discussing its influences and how it has come to be defined the first text on this subject for over two decades it employs the very latest concepts and research The most up to date text on the subject with uniquely comprehensive coverage and employing the very latest concepts and research Surveys centuries of music history from the music and dance of Native Americans to contemporary music performance in streaming media Examines the different ways the film musical genre has been defined what gets counted as a musical why and who gets to make that decision The text is written in an accessible manner for general cinema and musical theatre buffs whilst retaining theoretical rigour in research Describes the contributions made to the genre by marginalized or subordinated identity groups who have helped invent and shape the musical

'Grease Is the Word' Oliver Gruner, Peter Krämer, 2019-11-22 Bringing together a group of international scholars from diverse academic backgrounds Grease Is the Word analyses the cultural phenomenon Grease With essays covering everything from the film's production history political representations and industrial impact to its stars and reception the book shines a spotlight on one of Broadway's and Hollywood's biggest commercial successes By adopting a range of perspectives and drawing on various visual textual and archival sources the contributors maintain a vibrant dialogue throughout offering a timely reappraisal of a musical that continues to resonate with fans and commentators the world over

**The World of Normal Boys** K.M. Soehnlein, 2001-08-01 Winner of the Lambda Literary Award This first novel is so eloquent because it is hellbent on collaring the reader and telling him or her the whole passionate story Edmund White author of Our Young Man This is a rich and unflinching book The New York Times Book Review Extraordinary an exhilarating experience that Soehnlein has produced as his first novel a work of such maturity and excellence is little short of astounding Fenton Johnson author of Scissors Paper Rock The time is the late 1970s an age of gas shortages head shops and Saturday

Night Fever The place suburban New Jersey At a time when the teenagers around him are coming of age Robin MacKenzie is coming undone While normal boys are into cars sports and bullying their classmates Robin enjoys day trips to New York City with his elegant mother spinning fantastic tales for her amusement in an intimate ritual he has come to love He dutifully plays the role of the good son for his meat and potatoes father even as his own mind is a jumble of sexual confusion and painful self doubt But everything changes in one horrifying instant when a tragic accident wakes his family from their middle American dream and plunges them into a spiral of slow destruction As his family falls apart day by day Robin finds himself pulling away from the unquestioned unexamined life that has been carefully laid out for him Small acts of rebellion lead to larger questions of what it means to stand on his own Falling into a fevered triangle with two other outcasts Todd Spicer and Scott Schatz Robin embarks on an explosive odyssey of sexual self discovery that will take him beyond the spring green lawns of suburbia beyond the fraying fabric barely holding together his quickly unraveling family and into a complex future beyond the world of normal boys Karl Soehnlein s stunning first novel reads like a cross between the film American Beauty and Edmund White s A Boy s Own Story The Advocate The World of Normal Boys is a work of authenticity as relevant to those who lived a similar coming of age experience many years ago as it will be to those who are living that experience now Bay Area Reporter An amusingly detailed and largely accurate picture of life in the Jersey burbs Publishers Weekly Full of tension and suspense Soehnlein s well paced debut novel is a fresh look at one boy s sexual awakening in the 1970s and his journey to find a place where he can fit it Booklist

**The Studios after the Studios** J. D. Connor,2015-04-08 Modern Hollywood is dominated by a handful of studios Columbia Disney Fox Paramount Universal and Warner Bros Threatened by independents in the 1970s they returned to power in the 1980s ruled unquestioned in the 1990s and in the new millennium are again besieged But in the heyday of this new classical era the major studios movies their stories and styles were astonishingly precise biographies of the studios that made them Movies became product placements for their studios advertising them to the industry to their employees and to the public at large If we want to know how studios work how studios think we need to watch their films closely How closely Maniacally so In a wide range of examples The Studios after the Studios explores the gaps between story and backstory in order to excavate the hidden history of Hollywood s second great studio era **Focus**
