Unconditional Life Deepak Chopra, M.D.,2011-06-08 Deepak Chopra M D has emerged as one of the most powerful leaders in the revolutionary field of mind body medicine His extraordinary bestseller Quantum Healing explored the mind s connection to seemingly miraculous cures for cancer and other serious illnesses Now in Unconditional Life he undertakes an even greater challenge to explain how consciousness can lead the way to total freedom and perfect health Unconditional Life brings together disciplines ranging from modern physics and neuroscience to the ancient traditions of Indian wisdom to show how our perceptions create our reality for good or ill and how the outside world can be shaped by altering the world within In a book filled with hope and inspiration Dr Chopra offers compelling proof of the power of consciousness and a daring new vision of our own unlimited potential **Brotherhood** Deepak Chopra,Sanjiv Chopra,2013 Traces the lives of the Chopra brothers from India to America where they both excelled in healing one as a world renowned spiritual teacher the other as a professor at Harvard Medical School **Peace Is the Way** Deepak Chopra, M.D.,2005-03-08 Deepak Chopra s passionate new book Peace Is the Way was inspired by a saying from Mahatma Gandhi There is no way to peace Peace is the way In a

world where every path to peace has proved futile the one strategy that hasn't been tried is the way of peace itself We must not bring one war to an end or thirty Chopra tells us but the idea of war itself How can this be done By facing the truth that war is satisfying and then substituting new satisfactions so that violence is no longer appealing War has become a habit We reach for it the way a chain smoker reaches for a cigarette promising to quit but somehow never kicking the habit But Chopra tells us that peace has its own power and our task now is to direct that power and multiply it one person at a time Behind the numbing headlines of violence running out of control there are unmistakable signs of a change Chopra believes that a majority of people are ready to see an end to war Right now 23 million soldiers serve in armies around the world Can't we find ten times that number who will dedicate themselves to peace A hundred times Peace Is the Way challenges each of us to take the next leap in personal evolution You aren't asked to be a saint or to give up any belief You are only asked to stop reacting out of fear to change your allegiance from violence to peace In a practical seven step program Chopra shows the reader how to become a true peacemaker Violence may be innate in human nature but so is its opposite love The next stage of humanity the leap which we are poised to take will be guided by the force of that love This is more than a hope or an aspiration It is a new way of being in the world giving each individual the power to end war in our time **Deepak**
