**Master Plots** Jared Gardner,2000-12-29 In Master Plots Jared Gardner examines the tangled intersection of racial and national discourses in early American narrative While it is well known that the writers of the early national period were preoccupied with differentiating their work from European models Gardner argues that the national literature of the United States was equally motivated by the desire to differentiate white Americans from blacks and Indians To achieve these ends early American writers were drawn to fantasies of an American race and an American literature came to be defined not only by its desire for cultural uniqueness but also by its defense of racial purity      *Chase the Darkness* J. D. Tyler,2015 The author of *Wolf s Fall* returns with her hot and to die for Alpha Pack a top secret band of Navy SEALs with Psy powers and shifter prowess whose dangerous missions sometimes require a more intimate call to duty Believed dead by his Pack mates Micah Chase a wolf shifter and Dreamwalker was held captive for months subject to tortures that left him physically scarred and emotionally unsettled Now under the care of the Alpha Pack s doctors he s been prescribed an experimental healing drug but he still can t shake the nightmares Even more damning is that Micah s problems pose a danger to his team and if he doesn t get himself under control they ll all suffer a terrible fate There is a key to his salvation Jacee is a beautiful coyote shifter and though her kind is hated she s falling in love with a man whose very future is in her hands Together they ll face his personal demons as well as a deadly enemy and for both of them desire has never come with such risk Praise for the Alpha Pack novels Shifter heroes whom readers will fall head over heels for New York Times Bestselling Author Angela Knight One of my favorite shifter series Under the Covers J D Tyler is a force to be reckoned with Night Owl Reviews      ***Cole's Redemption*** J.D. Tyler,2014-03-04 Once they were Navy SEALs Now they are the Alpha Pack a top secret team of wolf

shifters with Psy powers who take on the darkest dangers on Earth But sometimes the greatest danger lies within their own hearts Healer and black wolf shifter Zander Cole has survived horrors that would have broken a weaker man But when a battle leaves him deaf and his powers dimmed Zan is devastated Believing himself to be a burden to his team he sees only one option leave the Pack forever White wolf shifter Selene Westfall knows pain she is certain her father was responsible for her mother's death And she lives to exact revenge So when she is challenged by a savage black wolf she puts up a vicious fight only to become the black wolf's Bondmate as a result of his bite Two damaged souls one filled with hatred and one who's lost his reason for living are forced together as they come to terms with their unlikely turbulent bond A love neither expected may be all that stands between them and a killer trying desperately to keep the past dead and buried **Hunter's Heart** J.D. Tyler, 2013-09-03 A group of former Navy SEALs the Alpha Pack is a top secret team of wolf shifters with Psy powers combating the greatest dangers in the world And when the battle gets personal their wild side is unleashed Ryon Hunter sees dead people spirits that beg him for help in ways he can't understand He'd do anything to end the torment until a beautiful spirit appears to him with a plea he can't ignore Help me I'm alive The woman is wildlife biologist Daria Bradford mortally wounded after encountering a white wolf calling to Ryon through a rare Psy gift When Ryon locates Daria in the Shoshone National Park it is almost too late but nursing her back to health at the Alpha Pack compound brings a new complication Daria is his destined mate and Ryon is afraid of what will happen when she discovers what he is and what he had to do to save her life But the biggest threat of all is still loose in the forest leaving a merciless trail of death behind it The Alpha Pack goes on the hunt for the mysterious white wolf determined to stop the murderous rogue only to find that the most lethal creature of all is the one they can't see coming *The National Uncanny* Renée L. Bergland, 2015-05-01 Although spectral Indians appear with startling frequency in US literary works until now the implications of describing them as ghosts have not been thoroughly investigated In the first years of nationhood Philip Freneau and Sarah Wentworth Morton peopled their works with Indian phantoms as did Charles Brockden Brown Washington Irving Samuel Woodworth Lydia Maria Child James Fenimore Cooper William Apess Nathaniel Hawthorne and others who followed During the late 19th and early 20th centuries Native American ghosts figured prominently in speeches attributed to Chief Seattle Black Elk and Kicking Bear Today Stephen King and Leslie Marmon Silko plot best selling novels around ghostly Indians and haunted Indian burial grounds Renée L. Bergland argues that representing Indians as ghosts internalizes them as ghostly figures within the white imagination Spectralization allows white Americans to construct a concept of American nationhood haunted by Native Americans in which Indians become sharers in an idealized national imagination However the problems of spectralization are clear since the discourse questions the very nationalism it constructs Indians who are transformed into ghosts cannot be buried or evaded and the specter of their forced disappearance haunts the American imagination Indian ghosts personify national guilt and horror as well as national pride and pleasure Bergland tells the story of a terrifying and triumphant

American aesthetic that repeatedly transforms horror into glory national dishonor into national pride      **Black Moon** J.D. Tyler,2012-12-04 A group of former Navy SEALs the Alpha Pack is a top secret team of wolf shifters with Psy powers combating the greatest dangers in the world But sometimes those dangers are more intimate than they bargained for Ever since he saved Dr Mackenzie Grant s life panther shifter and sorcerer Kalen Black has had trouble keeping the beautiful doctor out of his thoughts and his heart The brush with death awakened an intense passion between them one that for the first time had the notorious loner letting down his guard With the Alpha Pack battling an evil Fae who is slowly gaining control over Kalen s mind Kalen can no longer trust his own actions and he breaks off his affair with Mackenzie in order to keep her safe But when Mackenzie learns that she is carrying Kalen s child no amount of danger will keep her away from the man she loves To protect his mate and unborn child Kalen will have to battle a terrible evil unleash the full fury of his power and risk destroying them all      The Ethics of Exile Timothy Strode,2013-11-05 The book investigates the problem of how narrative normally conceived of temporally encodes its relation to space especially the territorial space that is the subject of colonial possession and dispossession The book approaches this problem by first providing a theoretical framework derived from the work of Martin Heidegger and Emmanuel Levinas on the ethical and political implications of human dwelling and second by using this framework to examine cultural forms in two historical periods colonial America and postcolonial South Africa the primary interest being the works of Charles Brockden Brown and J M Coetzee This book is unique in its elaboration of a spatial or more exactly territorial conception of narrative form      **A Dangerous Taste of Passion** Anne Mather,2017-01-01 Will she surrender to the stranger at Orchid Cay For Lily Fielding the small safe Caribbean island is all she s ever known But the appearance of an intriguing newcomer is about to change everything for this unworldly vicar s daughter for the sensual awakening he promises is both intoxicating and illicit Raphael Oliveira should resist the temptation that beautiful Lily presents after all he knows that wherever he goes danger follows Although once she is under his spell Rafe s intense passion and dark past threaten to destroy them both      **American Enchantment** Michelle Sizemore,2018 American Enchantment presents a new understanding of the social order after the American Revolution one that enacts the concept of enchantment as a unique way of describing and coalescing popular power and social affiliation      The Oxford Handbook of Charles Brockden Brown Philip Barnard,Hilary Emmett,Stephen Shapiro,2019-05-15 Over the past few decades the writings of Charles Brockden Brown 1771 1810 have reclaimed a place of prominence in the American literary canon Yet despite the explosion of teaching research and an ever increasing number of doctoral dissertations there remains no up to date overview of Brown s work The Oxford Handbook of Charles Brockden Brown provides a state of the art survey of the life and writings of Charles Brockden Brown a key writer of the Atlantic revolutionary age and U S Early Republic The seven novels he published during his lifetime are now studied for their narrative complexity innovations in genre and social political commentaries on life in early America and the revolutionary Atlantic Through the late twentieth century Brown was best

Fictions of the Black Atlantic in American Foundational Literature Gesa Mackenthun,2004-08-02 This book is a significant contribution to existing research on the themes of race and slavery in the founding literature of the United States It extends the boundaries

of existing research by locating race and slavery within a transnational and oceanic framework The author applies critical concepts developed within postcolonial theory to American texts written between the national emergence of the United States and the Civil War in order to uncover metaphors of the colonial and imperial unconscious in America s foundational writing The book analyses the writings of canonized authors such as Charles Brockden Brown James Fenimore Cooper Edgar Allan Poe and Herman Melville alongside those of lesser known writers like Olaudah Equiano Royall Tyler Frederick Douglass Martin Delany and Maxwell Philip and situates them within the colonial and postcolonial context of the slave based economic system of the Black Atlantic While placing the transatlantic slave trade on the map of American Studies and viewing it in conjunction with American imperial ambitions in the Pacific *Fictions of the Black Atlantic* in American Foundational Literature also adds a historical dimension to present discussions about the ambivalence of postcoloniality
