Saved by Grace Ronald Cammenga, Ronald Hanko, 2002 *Saved by Grace Study Guide* Ronald Cammenga, Ronald Hanko, 1995-01-01 *The Five Points of Calvinism* Edwin H. Palmer, 1996-02-01 Using the classic TULIP acronym Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints this primer on the five points of Calvinism is perfect for students and laypeople alike Using the Scriptures from which they are drawn Edwin H Palmer analyzes each point and explains them in accessible language Helpful discussion questions follow each chapter making this book ideal for classes or study groups This important resource also includes a new foreword by Michael Horton and relevant historic catechisms and confessions **Saved by Grace through Faith or Saved by Decree?** Geoffrey D. Robinson, 2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed **The Five Points of Calvinism** Edwin H. Palmer, 2010-04 Using the well known TULIP acronym this primer on the five points of Calvinism is perfect for students and laypeople alike *Saved by Grace* Anthony A. Hoekema, 1994-09-06 This is a comprehensive dynamic and practical presentation of the biblical teaching on salvation including discussion of the role of the Spirit union with Christ the gospel call regeneration conversion repentance and more **Living for God's Glory** Joel R. Beeke, Sinclair B. Ferguson, 2008 In this introduction to Calvinism Joel Beeke with contributions from Sinclair Ferguson Michael A G Haykin Derek W H Thomas and others displays the biblical God centered comprehensive and practical nature of Calvinism Explore Calvinism in history in the mind in the heart in the church in society and more **Huskey's Study Notes on Historical Theology** Michael Huskey, 2020-10-08 My people are destroyed for a lack of knowledge Hosea 4:6 The modern church is in grave danger If you pay attention at all this is easy to see One of the reasons we are in grave danger is our lack of knowledge The late Dr R C Sproul once said Everyone is a theologian The danger here lies in that if we do not have a correct understanding of God and his attributes we will create an idol of who we would like God to be Scripture tells us to love God with our whole minds A study of church history and of theology will help us accomplish this What you will find within the pages of this study is an emphasis on theology and doctrine as it was forced to become razor sharp due to people making God into the god they idolized As you proceed through these chapters you will be faced with questions that will help you to learn

how to think critically You will learn many of the attributes of God You will also learn Christology soteriology hermeneutics apologetics polemics and a number of other tools to help guide you into who the biblical God truly is *The Doctrines of Grace* James Montgomery Boice, Philip Graham Ryken, 2009-04-01 There is no question that we live in an age of weak theology and casual Christianity We have substituted intuition for truth feeling for belief and immediate gratification for enduring hope Evangelicalism desperately needs to return to the doctrines that once before reformed the world radical depravity unconditional election particular redemption efficacious grace and persevering grace James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace but also look briefly at their historical impact The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical minded kind hearted and most importantly biblically based The Five Points of Calvinism David N. Steele, Curtis C. Thomas, 1963 **Trăind pentru slava lui Dumnezeu** Joel R. F. Torrance's Theology of Incarnation Man Kei Ho, 2008 This

book analyses T F Torrance's theology of incarnation His theology is built upon several crucial presuppositions This book examines these presuppositions and their role within the framework of Torrance's theology It explores its unitary structure by analyzing his fundamental methods in hermeneutics dialectics natural theology and natural science In particular the study addresses the internal incoherence inconsistency and seemingly paradoxical nature of his writings such as the integration of dualistic ideas into a unitary theological structure and highlights the impact of Barthian theology on his theological formulation

Wesley, Whitefield and the 'Free Grace' Controversy Joel Houston, 2019-11-06

When approaching the most public disagreement over predestination in the eighteenth century the Free Grace controversy between John Wesley and George Whitefield the tendency can be to simply review the event as a row over the same old issues This assumption pervades much of the scholarly literature that deals with early Methodism Moreover much of that same literature addresses the dispute from John Wesley's vantage point often harbouring a bias towards his Evangelical Arminianism Yet the question must be asked was there more to the Free Grace controversy than a simple rehashing of old arguments This book answers this complex question by setting out the definitive account of the Free Grace controversy in first decade of the Evangelical Revival 1739-49 Centred around the key players in the fracas John Wesley and George Whitefield it is a close analysis of the way in which the doctrine of predestination was instrumental in differentiating the early Methodist societies from one another It recounts the controversy through the lens of doctrinal analysis and from two distinct perspectives the propositional content of a given doctrine and how that doctrine exerts formative pressure upon the assenting individuals What emerges from this study is a clearer picture of the formative years of early Methodism and the vital role that doctrinal pronouncement played in giving a shape to early Methodist identity It will therefore be of great interest to scholars of Methodism Evangelicalism Theology and Church History

"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism Stephen J. Hamilton, 2017-04-03

Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives

the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics

Raccoon John Smith Elder Sparks, 2005-12-23 The Disciples of Christ one of the first Christian faiths to have originated in America was established in 1832 in Lexington Kentucky by the union of two groups led by Alexander Campbell and Barton W Stone The modern churches resulting from the union are known collectively to religious scholars as part of the Stone Campbell movement If Stone and Campbell are considered the architects of the Disciples of Christ and America's first nondenominational movement then Kentucky's Raccoon John Smith is their builder and mason Raccoon John Smith Frontier Kentucky's Most Famous Preacher is the biography of a man whose work among the early settlers of Kentucky carries an important legacy that continues in our own time The son of a Revolutionary War soldier Smith spent his childhood and adolescence in the untamed frontier country of Tennessee and southern Kentucky A quick witted thoughtful and humorous youth Smith was shaped by the unlikely combination of his dangerous feral surroundings and his Calvinist religious indoctrination The dangers of frontier life made an even greater impression on John Smith as a young man when several instances of personal tragedy forced him to question the philosophy of predeterminism that pervaded his religious upbringing From these crises of faith Smith emerged a changed man with a new vocation to spread a Christian faith wherein salvation was available to all people Thus began the long ecclesiastical career of Raccoon John Smith and the germination of a religious revolution Exhaustively researched engagingly written Raccoon John Smith is the first objective and painstakingly accurate treatment of the legendary frontier preacher The intricacies behind the development of both Smith's personal religious beliefs and the founding of the Christian Church are treated with equal care Raccoon John Smith is the story of a single man but in carefully examining the events and people that influenced Elder Smith this book also serves as a formative history for several Christian denominations as well as an account of the wild early years of the Commonwealth of Kentucky

Predestination Greg Kame, 2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

Justification as the Speech of the Spirit

Jeffrey K. Anderson,2021-08-10

In the past few decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer s righteousness These attempts are in part rooted in the absence of any overt pneumatology in the doctrine s typical formulation One need only read the above sentences to see that there is no mention of the Holy Spirit This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly As a result there is no need to redefine the theology of the Reformers and their successors
