Saved Through Fire:

Saved Through Fire Daniel Frayer-Griggs, 2016-04-06 An unusually polyvalent symbol fire assumes numerous functions in the Bible It is a defining feature of theophanies it serves as an instrument of judgment and in some instances it cleanses and purifies Examining a complex of traditions ranging from John the Baptist to Jesus of Nazareth and from the Pauline to the Petrine Epistles Daniel Frayer Griggs identifies a recurring motif in the New Testament arguing that these disparate traditions which appear in both very early and very late New Testament texts testify to a shared belief that everyone both the righteous and the wicked would be subjected to eschatological judgment by fire and that the righteous would experience this judgment as a fiery ordeal through which they would be tested and in some cases ultimately purified *One Accord for the Lord's Move* Witness Lee, 1986

As it was in the Days of Noah Manie Du Preez, 2011-02-28 Doom gloom tribulation apocalypse Armageddon 2012 plaques earthquakes wars rumours of wars these have all become synonymous with what we call the end times Is this really the end that the creator of heaven and earth had in mind when He created all things Did He fail in His original plan Has He lost his grip on creation Is He still in control How did He plan to end what He started Will there be a rapture Will there be great tribulation Will it end in war and ruins Or does the God of the universe have a far greater plan than most men anticipate Let us travel back in time to the days of Noah and get some insight into God's plans for creation As He said But as THE DAYS OF NOAH were so also will the coming of the Son of Man be **Sacraments of the Christian Faith** Hugh of St. Victor, 1951

HOPE BEYOND THE ELECT Jonathan Ramachandran, 2025-06-06 What if salvation isn't limited to the elect In *Hope Beyond the Elect* Jonathan Ramachandran offers a bold thought provoking exploration of a long overlooked question in biblical theology Is there any hope of salvation for those not among the elect Written for everyday churchgoers this accessible volume simplifies and condenses scholarly research while remaining faithful to the conservative early Christian view known as Chiliasm the belief in a literal 1 000 year reign of Christ Drawing from Scripture and quotes from early Church Fathers such as Irenaeus Justin Martyr and Tertullian this book presents the possibility of a future salvation for some outside the elect through what the Bible calls a baptism by fire This is not a work of speculation but of sober scriptural and historical inquiry Whether you are curious about second chances after death the fate of the unevangelized or the purpose of post mortem judgment *Hope Beyond the Elect* offers a unique perspective that challenges assumptions and invites honest reflection Perfect for believers seeking biblical clarity and historical grounding on a controversial topic this book reminds us that God's justice is always righteous and His mercy deeper than we know

Reaching for Eternal Truths Donald Rhody, 2009-09 If our minds are unable to grasp even the concept of eternity how can we possibly understand the many biblical truths written from the perspective of eternity When we misunderstand each other using the written and spoken word why does God use these means to communicate with us *Reaching for Eternal Truths* begins with the understanding that definitive answers to these questions are elusive for finite minds Yet author Donald

Rhody demonstrates the merit in the endeavor as he examines such difficult questions as bull How is it possible for the sovereignty of God and the free will of man to coexist bull If we are saved by grace what is the role of good works bull When God desired to give the early Israelites a covenant sign why did he choose circumcision bull What is our relationship to creation Reaching for Eternal Truthswill guide you as you begin your own explorations into these questions It provides a scriptural foundation not the entire structure beginnings of discovery not complete answers The goal is to bring us closer to understanding God and our place in his world Whatever you finally discover you will emerge from your quest spiritually stronger intellectually more alert and with a new realization that there is much more to learn in the continual search for truth

A Larger Hope?, Volume 1 Ilaria L. E. Ramelli, 2019-07-15 In the minds of some universal salvation is a heretical idea that was imported into Christianity from pagan philosophies by Origen c 185 253 4 Ilaria Ramelli argues that this picture is completely mistaken She maintains that Christian theologians were the first people to proclaim that all will be saved and that their reasons for doing so were rooted in their faith in Christ She demonstrates that in fact the idea of the final restoration of all creation apokatastasis was grounded upon the teachings of the Bible and the church s beliefs about Jesus total triumph over sin death and evil through his incarnation crucifixion resurrection and ascension Ramelli traces the Christian roots of Origen s teaching on apokatastasis She argues that he was drawing on texts from Scripture and from various Christians who preceded him theologians such as Bardaisan Irenaeus and Clement She outlines Origen s often misunderstood theology in some detail and then follows the legacy of his Christian universalism through the centuries that followed We are treated to explorations of Origenian universal salvation in a host of Christian disciples including Athanasius Didymus the Blind the Cappadocian fathers Evagrius Maximus the Confessor John Scotus Eriugena and Julian of Norwich

Jeff Taylor, 2022-06-10 The Protestant church has wrestled since the time of the Reformation with how believers can be saved by grace but rewarded in degrees based on their works Though some through the years have argued that the Scriptures don't actually teach differing degrees of reward this has been the predominant view This book takes the minority view Believers are saved by grace alone through faith alone and the believers rewards and glorification are based on the finished work of Christ alone It is grace from start to finish The church is the bride of Christ and in the end all that is his is hers *Eschatology* Joseph Pohle, Arthur Preuss, 1917 The Colloquies of Desiderius Erasmus Concerning Men, Manners and Things Desiderius Erasmus, 1878 **Recensio Synoptica Annotationis Sacrae** Samuel Thomas Bloomfield, 1828
