Peter B. Dedek,2017-06-12 In The Cemeteries of New Orleans Peter B Dedek reveals the origins and evolution of the Crescent City s world famous necropolises exploring both their distinctive architecture and their cultural impact Drawing on a fascinating body of research Dedek takes readers from muddy fields of crude burial markers to extravagantly designed cities of the dead illuminating a vital and vulnerable piece of New Orleans s identity Where many histories of New Orleans cemeteries focus on the famous people buried within them Dedek sets his sights on the marble cutters burial society members journalists and tourists who shaped these graveyards into internationally recognizable emblems of the city In his detailed exploration of cemetery architecture Dedek reveals the impacts of ancient and medieval grave traditions and styles the city s geography and the arrival of trained European tomb designers such as the French architect J N B de Pouilly in 1833 and Italian artist and architect Pietro Gualdi in 1851 As Dedek shows the nineteenth century was a particularly critical era in the city s cemetery design Traditional French and Spanish patterns prevailed until the first garden cemetery Metairie Cemetery was built on the site of an old racetrack in 1872 Like the older walled cemeteries this iconic venue served as a lavish expression of fraternal and ethnic unity a backdrop to exuberant social celebrations and a destination for sightseers During this time cultural and religious customs such as the celebration of All Saints Day and the practice of Voodoo rituals flourished within the spatial bounds of these resting places Over the course of the twentieth and twenty first centuries however episodes of neglect and destruction gave rise to groups that aimed to preserve the historic cemeteries of New Orleans an endeavor that according to Dedek is still wanting for resources and political will Containing abundant illustrations

The Cemeteries of New Orleans is a comprehensive and intriguing resource on these fascinating historic sites *Place, Race, and Story* Ned Kaufman, 2009-09-11 In *Place Race and Story* author Ned Kaufman has collected his own essays dedicated to the proposition of giving the next generation of preservationists not only a foundational knowledge of the field of study but more ideas on where they can take it Through both big picture essays considering preservation across time and descriptions of work on specific sites the essays in this collection trace the themes of place race and story in ways that raise questions stimulate discussion and offer a different perspective on these common ideas Including unpublished essays as well as established works by the author *Place Race and Story* provides a new outline for a progressive preservation movement the revitalized movement for social progress **Cruising World** , 2003-08 *Architectural Conservation in Europe and the Americas* John H. Stubbs, Emily G. Makaš, 2011-05-04 From such well known and long vexed sites as the Athenian Acropolis to more contemporary locales like the Space Age Modernist capital city of Brasilia the conflicting and not always neatly resolvable forces that bear upon preservation are addressed as clearly and thoughtfully as the general reader could hope for New York Review of Books an astonishing feat of research compilation and synthesis Context The book delivers the first major survey concerning the conservation of cultural heritage in both Europe and the Americas *Architectural Conservation in Europe and the Americas* serves as a convenient resource for professionals students and anyone interested in the field Following the acclaimed *Time* Honored this book presents contemporary practice on a country by country and region by region basis facilitating comparative analysis of similarities and differences The book stresses solutions in architectural heritage protection and the contexts in which they were developed **Hillary** Diana Walker, 2014-10-21 A collection of photographs by a *Time* magazine photographer chronicles the political career of Hillary Rodham Clinton from her time as first lady to her tenures as senator secretary of state and presidential candidate **Current National Parks Bills** United States.
