## **Serious**

**and Violent Juvenile Offenders** Rolf Loeber, David P. Farrington, 1998-01-27 Detailed and comprehensive Serious and Violent Juvenile Offenders presents authoritative discussions by a select group of leading scholars on issues surrounding serious and violent juvenile offenders This population is responsible for a disproportionate percentage of all crime and poses the greatest challenge to juvenile justice policymakers Under the skillful editorship of Rolf Loeber and David P Farrington this unique volume integrates knowledge about risk and protective factors with information about intervention and prevention programs so that conclusions from each area can inform the other Current literature on these two areas does not for the most part apply directly to serious and violent juvenile offenders This volume contends that serious and violent juvenile offenders tend to start displaying behavior problems and delinquency early in life warranting early intervention It is the contributors thesis that prevention is never too early They also maintain however that interventions for serious and violent juvenile offenders can never be too late in that effective interventions exist for known serious and violent juvenile offenders Augmented by charts tables graphs figures and an extensive bibliography Serious and Violent Juvenile Offenders is an excellent reference work and a must read for policy and lawmakers judges attorneys law enforcement personnel education administrators researchers academics social workers sociologists as well as graduate students and interns
