Michael Strelow

Saving Stanley The Brickman Stories:

Saving Stanley Scott Nadelson, 2011-04-01 WINNER OF THE H L DAVIS AWARD FOR SHORT FICTION at the 2004 Oregon Book Awards and GLCA s 2005 New Writers Award Scott Nadelson s interrelated short stories are graceful vivid narratives that bring into sudden focus the spirit and the stubborn resilience of the Brickmans a Jewish family of four living in suburban New Jersey The central character Daniel Brickman forges obstinately through his own plots and desires as he struggles to balance his sense of identity with his longing to gain acceptance from his family and peers In Kosher Daniel s disdain for his parents values and lifestyle for their materialism and need for security leads him to take a job as a telemarketer for the Robowski Fund for the Disabled a charity benefiting two people only Daniel and Helen Robowski And in Young Radicals Daniel gathers research for a thesis on early Soviet history by interviewing his grandfather now a retiree in Florida who painted factories and sang Communist work songs in 1920s Leningrad before immigrating to America This fierce collection provides an unblinking examination of family life and the human instinct for attachment Soldiers in Hidina Richard Wiley, 2011-10-01 It's Tokyo 1941 Teddy Maki and Jimmy Yakamoto are Japanese American friends and jazz musicians playing Tokyo s lively nightclub scene Stranded in Japan after the bombing of Pearl Harbor Teddy and Jimmy are drafted into the Japanese army and sent to fight against American troops in the Philippines Their perilous attempts to remain neutral in a conflict where their loyalties are deeply divided are shattered when Jimmy is killed by the commanding officer for refusing to shoot an American prisoner The deed then falls to Teddy Thirty years later Teddy is married to Jimmy s widow father to his son a star on Japanese TV and still wrestling with the guilt over Jimmy s death Winner of the 1987 PEN Faulkner Award for Best American Fiction Soldiers in Hiding is a haunting portrayal of war s lingering emotional burdens This revised edition features a new preface by the author and an introduction by Nobel Prize winner Wole Soyinka Aftermath: Stories Scott Nadelson, 2011 THE CHARACTERS IN SCOTT NADELSON S third collection are living in the wake of momentous events the rupture of relationships the loss of loved ones the dissolution of dreams and yet they find new ways of forging on with their lives making accommodations that are sometimes delusional sometimes destructive sometimes even healthy In Oslo a thirteen year old boy on a trip to Israel with his grandparents grapples with his father's abandonment and his own rocky coming of age In The Old Uniform a young man left by his fianc e revisits the haunts of his single days and on a drunken march through nighttime Brooklyn begins to shed the false selves that have kept him from fully living And in the title story a couple testing out the waters of trial separation quickly discover how deeply the fault lines of their marriage run and how desperately they want to hang onto what remains Mining Nadelson's familiar territory of Jewish suburban New Jersey these fearless funny and quietly moving stories explore the treacherous crossroads where disappointments meet unfulfilled desire <u>Leaving Brooklyn</u> Lynne Sharon Schwartz, 2011-10-05 An injury at birth left Audrey with a wandering eye Though flawed the bad eye functions well enough to permit her an idiosyncratic view of the world one she welcomes in

the stifling postwar Brooklyn of the 1950s During a journey to Manhattan to see a doctor about her sight she begins to explore the sexual rites of adulthood But can her romance last In this beautifully observed novel Lynne Sharon Schwartz raises themes of innocence and escape while illuminating the rich inner life of a singular girl Clown Girl Monica Drake, 2007 Clown Girl lives in Baloneytown a seedy neighborhood where drugs balloon animals and even rubber chickens contribute to the local currency Against a backdrop of petty crime she struggles to live her dreams calling on cultural masters Charlie Chaplin Kafka and da Vinci for inspiration In an effort to support herself and her layabout performance artist boyfriend Clown Girl finds herself unwittingly transformed into a corporate clown trapping herself in a cycle of meaningless high paid gigs that veer dangerously close to prostitution Monica Drake has created a novel that riffs on the high comedy of early film stars most notably Chaplin and W C Fields to raise questions of class gender economics and prejudice Resisting easy classification this debut novel blends the bizarre the humorous and the gritty with stunning skill Peter Fogtdal, 2008 Soerine a deformed female dwarf from Denmark is given as a gift to Tsar Peter the Great who is smitten by her freakishness and intellect Against her will she becomes a jester in his court in this masterfully told and brilliantly translated novel about aberration endurance and the human condition Seaview Toby Olson, 2011-09-21 The action of Toby Olson's PEN Faulkner Award winning novel Seaview sweeps eastward following three men and two women across a wasted American continent to an apocalyptic confrontation on Cape Cod Melinda hopes to reach the seaside where she was born before she dies of cancer Allen her husband earns their way back by golf hustling working the links en route Outside of Tucson the two meet up with a Pima Indian also headed toward the Cape to help a distant relative who has claims on a golf course there that is laid out on tribal grounds Throughout the journey Allen knows he is being stalked by a former friend Richard a drug pusher whom he has crossed and who is now determined to murder him The tortured lives of Richard and his wife Gerry stand as a dream of what might have become of Allen and Melinda had things been otherwise The lines that draw these people together converge at Seaview Links and on the mad battlefield that this golf course becomes the novel reaches its complex ending Seaview's vibrant language and fateful plot make this study of an America on the edge an unforgettable Faraway Places Tom Spanbauer, 2011-10-20 During a fateful summer 13 year old Jake Weber witnesses the brutal read murder of a Native American woman by the town banker Jake's parents forbid him to speak of the killing or name its perpetrator even as the woman's African American lover stands falsely accused The crime and what follows it forever alter Jake s view of his parents and the world around him Faraway Places won widespread praise for its vivid narrative and incantatory style and Spanbauer displays singular skill in inhabiting the mind of a troubled adolescent boy **Core** Kassten Alonso, 2011-03-01 THIS INTENSE AND COMPACT NOVEL crackles with obsession betrayal and madness and was an Oregon Book Award Finalist for fiction 2005 As the narrator becomes fixated on his best friend s girlfriend his precarious hold on sanity rapidly deteriorates into delusion and violence This story can be read as the classic myth of Hades and

Persephone Core rewritten for a twenty first century audience as well as a dark foreboding tale of unreguited love and loneliness Alonso skillfully uses language to imitate memory and psychosis putting the reader squarely inside the narrator s head In addition deliberate misuse of standard punctuation blurs the distinction between the narrator's internal and external worlds A sense of alienation and Faulknerian grotesquerie permeate this landscape where desire is borne in the bloom of a daffodil and sanity lies toppled like an applecart in the mud The Next Scott Nadelson Scott Nadelson, 2013-02-18 Beginning in the summer of 2004 Scott Nadelson's life fell apart His fiance left him a month before their planned wedding for another woman who made her living performing as a drag king He moved into a drafty attic His car's brakes went out He learned that his cat was dying Over the next two years he d struggle with equivocal and sometimes humiliating results to get back on his feet in the process re examining his past to understand his present circumstances. The Next Scott Nadelson A Life in Progress is a literary self portrait that revolves around the dissolution of a relationship but encompasses the long process of a young man's halting self discovery Exploring episodes from the life of its author narrator marked by failure suffering and hope as well as literary and cultural influence the book weighs the things that make us want to give up against the things that keep us going Though many of the pieces are comic and self deprecating some self lacerating they are above all meditations on the nature of the self and the way it can be constructed through memory desire and the imagination Together they form a larger narrative a search for fulfillment and identity in a life often governed by fear With humor and unflinching honesty Scott Nadelson scrutinizes his life to discover who he is and finds just how elusive such a discovery can be To read the resulting book is to join him on a personal journey that is thoughtful surprising occasionally hilarious and unapologetically human The Greening of Ben Brown Michael Strelow, 2011-08-15 MICHAEL STRELOW WEAVES THE STORY OF A TOWN and its mysteries in his debut novel The Greening of Ben Brown an Oregon Book Award Finalist for fiction 2005 Ben Brown the protagonist becomes a citizen of East Leven Oregon after he recovers from an electrocution that has not left him dead but has turned him green He befriends eighteen year old Andrew James and together they unearth a chemical spill cover up that forces the town to confront its demons and its citizens to choose sides Strelow s lyrical prose and his talent for storytelling come together in this poetic and important first work that looks at how a town and the natural environment are inextricably linked The Greening of Ben Brown will find itself in good company on the shelves between Winesburg Ohio and To Kill a Mockingbird and readers of both will have a new story to cherish The Cantor's Daughter Scott Nadelson, 2011-04-01 The Cantor's Daughter is the compelling new collection from Oregon Book Award Winner and recipient of the GLCA's New Writers Award for 2005 Scott Nadelson In his follow up to Saving Stanley these stories capture Jewish New Jersey suburbanites in moments of crucial transition when they have the opportunity to connect with those closest to them or forever miss their chance for true intimacy In The Headhunter two men develop an unlikely friendship at work but after twenty years of mutually supporting each other s families and careers their friendship comes to an abrupt and

surprising end In the title story Noa Nechemia and her father have immigrated from Israel following a tragic car accident her mother did not survive In one stunning moment of insight following a disastrous prom night Noa discovers her ability to transcend grief and determine the direction of her own life And in Half a Day in Halifax Beth and Roger meet on a cruise ship where their shared lack of enthusiasm for their trip sparks the possibility of romance Nadelson's stories are sympathetic heartbreaking and funny as they investigate the characters fragile emotional bonds and the fears that often cause those bonds to falter or fail Empathy Magdalen Powers, 2017-09-01 Humans relate to one another in many ways but no connections are as deep as those built around shared experiences Empathy invites us to feel others feelings to see the world how they see it The world seems to need empathy now more than ever This collection of essays historical documents stories and poetry explores the American tendency to decide who is us and who is them in terms of race sexuality immigration status ability and other categories of difference The collection offers readings of varying levels of difficulty and from a wide range of perspectives This book features not just examples of empathy in practice which shows readers what it looks like and invites participation in empathy but also examples where empathy was needed in history and none was found Selections include works by Marcus Aurelius Kate Chopin Frederick Douglass Ralph Waldo Emerson Lawson Fusao Inada Harriet Ann Jacobs Emma Lazarus Barack Obama Franklin Delano Roosevelt Margaret Sanger Sonia Sotomayor Sojourner Truth and many more

The Low-Residency MFA Handbook Lori A. May,2011-01-13 Provides aspiring Creative Writing graduate students with all the information they need on which low residency program is best suited to them So Late, So Soon D'Arcy Fallon,2004 **The Southern Review**,2011 **Poets & Writers**,2006 <u>Crazy Horse</u>,2009 **South Dakota Review**,2006 *Tin House* Rob Spillman,2006
