of confidence and self esteem This can only be accomplished when given the right tools to make spiritual life choices We welcome each youth to take this confirmation journey in developing their spiritual understanding God among Sages Kenneth Richard Samples,2017-01-31 Was Jesus just a spiritual leader like Buddha Krishna Confucius and Muhammad Or is he something more something else entirely In God among Sages apologist Ken Samples offers readers a biblical and historical portrait of Jesus grounded in the claims Jesus makes about himself Then Samples compares and contrasts Jesus with Buddha Krishna Confucius and Muhammad using eight relevant categories of evaluation He also helps readers understand the competing philosophies of religious pluralism inclusivism and exclusivism The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself worthy of our full allegiance and worship Christians who struggle to answer claims that Jesus was just a good teacher as well as those haven t quite made up their minds about Jesus s claims to divinity will value this accessible introduction to comparative religions Peasants and Religion Mats Lundahl,Jan Lundius,2012-10-02 This book examines the relationship between economics politics and religion through the case of Olivorio Mateo and the religious movement he inspired from 1908 in the Dominican Republic The authors explore how and why the new religion was formed and why it was so successful Comparing this case with other peasant movements they show ways in which folk religion serves as a response to particular problems which arise in peasant societies during times of stress **The Cross and Salvation (Hardcover)** Bruce Demarest,2006-08-01 With America s confidence in the Bible at an all time low and the strength of her spiritual convictions waning it is essential for Christians especially Christian leaders to be well grounded in biblical theology To have a clear and comprehensive understanding of the key doctrines of evangelicalism In response professor and award winning author Bruce Demarest has made plain God s glorious plan of salvation his provision for the human dilemma through Christ s work on the cross and the application of saving grace to unbelievers Demarest s unique approach defines each topic identifies its most pressing issues examines the ways in which the doctrine has been understood historically and interprets the Bible s revelation The result is a clear and carefully constructed doctrinal statement that you can defend live out and communicate to others This singular comprehensive treatment of one of Christianity s essential doctrines gives definitive Bible based answers about salvation and the cross and about related theological issues such as grace and regeneration It s perfect for clarifying your theology and gaining deep understanding of this foundational theme Part of the Foundations of Evangelical Theology series **Christian Mysticism** ,1927 The Kingdom of the Cults Walter Martin,Ravi Zacharias,2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold Joyful Journeying with God/joy in Celebrating God's Life 5 Teacher's Manual1st Ed 2005 , **The Philosophy of a Novitiate** Annie M. Long De Boer,1920 *The God Who Loves* John F. MacArthur,2008-07-06 God is love It s the most basic definition of God in Scriptures but so profound that it s often misunderstood In this probing book a brilliant Bible expositor brings us into the

very heart of God by answering such questions as If God is love how could He send anyone to hell What s the difference between the loving God of the New Testament and the angry God of the Old Testament If God is love why did He require His Son to die such a cruel death on the Cross How can God be both loving and jealous The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to punishment of the disobedient and God as an angry tyrant who would rule by threats Both extremes paint a distorted picture of God and further confuse the issue of understanding God s love Dr MacArthur writes He insists that what God loves is actually defined by what He hates and that neither His love nor His wrath can be understood in isolation from the other Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church his doctrinal presentations arise more from the biblical text than from dogmatic theology He examines in detail the way John the apostle of love treats love in his First Epistle then fleshes out the doctrine of God s love in vivid representations of real people interacting with divine love
