*From Shy to Hi* Michal Stawicki, 2015 The quiet masses the curse of being shy Shyness exists in every corner of the world every level of society every workplace and school in boardrooms bars churches and bus stops in places large and small The digital age with all the interconnection it offers has only made things worse For those living under the shyness curse life can be discomfiting at best and terrifying at worst While many people experiencing social anxiety simply resign themselves to the fact and retreat from social interaction this need not be the case OK so I am shy So what That's just who I am While shyness may seem just as much a part of you as your elbow the difference between your elbow and your shyness is that you weren't born with your shyness It was cultivated and fostered over the years quite possibly unknowingly through the processes of your sneaky mind There is good news here for you You might never succeed at thinking away your elbow but you can apply your mind's amazing power to banish your social anxiety for good I've tried overcoming my shyness before I am just not sure it's worth it OK so there are shy people who live content lives despite their affliction But how many of them could honestly claim to have lived a truly full and rewarding life Experiencing the full richness and beauty of our world requires some measure of confidence and the ability to create real meaningful human relationships In addition to receiving

what others have to offer those comfortable interacting with new people are also able to give of themselves in enriching ways. Such symbiosis requires the ability to reach out to others, to trust the unknown. But that unknown, that's the uncomfortable part. And that is ok. Growth often requires stepping outside of your comfort zone. Author Michal Stawicki knows this firsthand and has seen the extraordinary results. Michal was once painfully shy and it limited him in his personal, professional, and social life. So when he set out to change his life, he knew that his shyness had to go. And go it did. It wasn't always comfortable, but it also wasn't that difficult. But it can't be that easy, right? From Shy to Hi follows Michal's successful 10 Minutes Philosophy, a strategy that has helped Michal and thousands of his readers to bring about big changes in their lives through small but sustained action. You will not go from wallflower to the life of the party overnight. Instead, the book offers practical, easy-to-implement strategies to help you dismantle your social anxiety through daily, non-intimidating steps.

**Confidence**

James W. Williams, 2018-12-19. What would it be like to become a confident person and a great conversationalist? How do you get past the paralyzing fear that grips you every time you want to talk to a group of people? Wouldn't it be nice to be at the center of attention for once? If you want to overcome your shyness, take charge of your social life professionally and personally, then read this book. *Confidence: Simple Proven Methods to Manage Anxiety and Shyness and Transform Your Personal and Professional Life* explores social anxiety in depth and provides practical tips that will transform your life. Anxiety and shyness go hand in hand. If you suffer from acute shyness, you are not alone. There are millions of people all over the world who share the same problem. It is a general knowledge that people who suffer from acute shyness tend to live a lonely life, isolated from friends and family. And even those who manage to come out of their shells are only ever really themselves with a handful of people. This doesn't have to be the case with you. What you are holding right now has the power to change your story. This book is not about a magical formula that can instantly transform you from shy Sean to Brazen Boris overnight. It is based on sound psychological principles that have been applied in regular scenarios by shy people. Each step is detailed and outlined in very uncomplicated terms. While the results vary in degree, the final outcome is an experience of increased confidence in the individual and a more positive outlook on life. There are many proven ways to overcome shyness, and this book addresses the most effective methods. From discovering the real reasons behind your shyness to uncovering mental barriers that keep you from living a fulfilling, confident life, this book is designed to peel back the layers of myths and facts about shyness and put you in charge of your life. In this book, you will understand:

- The key factors that influence your anxiety and make you incredibly shy.
- 5 reasons why being shy actually makes you a better person.
- How to cope with anxiety in stressful situations.
- Ways you can make yourself relevant in the workplace.
- How to overcome shyness in social settings.

This book is not just another self-help manual to swipe off the shelf and store at the bottom of your magazine rack. It explores scientifically proven methods of coping with social anxiety using simple and easy-to-follow steps that can be applied to day-to-day scenarios. Essentially, if you are ready to meet the super-confident new you, buy this book today and turn over to the next stage to begin.
