**Quick Hits for Service-Learning** M. A. Cooksey, Kimberly T. Olivares, 2010-11-15. Service learning, the integration of classroom instruction with community service projects, is rapidly gaining momentum as a successful teaching and learning strategy that benefits both students and their communities. *Quick Hits for Service Learning* presents more than 80 examples of innovative curricula developed by educators in a wide range of disciplines designed to combine community service with instruction and reflection. Seven chapters offer tips for classroom activities that focus on the education of children and youth, civic awareness, engagement, and activism, language, literature, and communication, global studies, and local outreach to exceptional populations, the study of history, the social sciences, and the arts, business, industry, and the health sciences, and the teaching of research and other tools of the trade. Brimming with ideas that busy faculty members can easily adapt to their own classrooms, this book is a valuable reference for faculty new to the field or seasoned practitioners looking for fresh ideas.

**Service-learning** National Center for Service-Learning (U.S.), 1980. **Resources in Education**, 1997-07. Restructuring Education Simon Hakim, Daniel Ryan, Judith C. Stull, 2000-08-30. American education is undergoing rapid change. Concern over poor student performance, the ability and motivation of teachers, and the inefficiency of school bureaucracy have led to numerous recommendations for changing the structure of American education. These vary from small changes in the current structure to wholesale privatization of public schools. The contributions in this book discuss a wide range of proposals, including greater school choice, charter schools, promoting contact with the business community, public-private partnerships, and more. Several chapters assess the current research on choice and restructuring. Overall, the consensus is that proposed reforms have a good chance of yielding significant benefits.

**Advances in Education Research**, 1998. **Learning to Serve** Maureen E. Kenny, Lou Anna K. Simon, Karen Kiley-Brabeck, Richard M. Lerner, 2012-12-06. Service learning, as defined by the editors, is the generation of knowledge that is of benefit to the community as a whole. This seventh volume in the Outreach Scholarship book series contributes a unique discussion of how service learning functions as a critical cornerstone of outreach scholarship. The sections and chapters of this book marshal evidence in support of the idea that undergraduate service learning, infused throughout the curriculum and coupled with outreach scholarship, is an integral means through which higher education can engage people and institutions of the communities of this nation in a manner that perpetuates civil society. The editors, through this series of models of service

learning make a powerful argument for the necessity of engaged institutions      *Examining the Impact of Community Colleges on the Global Workforce* Jones, Stephanie J., Smith, Dimitra Jackson, 2015-08-04 In an effort to create a more educated workforce in the United States many community colleges are implementing new practices and strategies to assist under prepared students These efforts will ultimately support a stronger and more resilient global workforce Examining the Impact of Community Colleges on the Global Workforce provides relevant theoretical and conceptual frameworks best practices and emerging empirical research about new approaches being employed in community colleges to prepare students for their post collegiate careers Featuring recent initiatives in educational settings this publication is a critical reference source for higher education practitioners policymakers and graduate students in higher education administration programs interested in the innovative practices utilized by community colleges to educate underserved students      **National Community Service Act of 1989** United States.
