Serving without sinking John Hindley,2013-03-01 Shows busy Christians how to serve joyfully not wearily Many of us are serving and feel like we re sinking We feel joyless weary and burdened John Hindley shows how Jesus was telling the truth when he offered people an easy yoke a way of serving him that is joyful and liberating He explains why serving is so often joyless and how our identity in Christ changes everything If you are serving but sometimes feel as though you re sinking you need this book If you know someone who has burn out or is heading in that direction they need this book too Serving with sinking Is written in a personal warm gospel hearted style Encourages readers to see not only how they serve but WHY they serve Points Christians away from themselves and back to Jesus Frees people from the burdens of joyless duty based serving

Serving Christ in the Workplace Larry Peabody,2004-01-01 Bored and frustrated with your work Do you feel like you re a second class citizen in God s kingdom because you re not a pastor or missionary Here s a how to manual on finding fulfillment in the work God has given you Peabody focuses on changing your attitude towards what you do not in changing what you do

To Serve in the Human Spirit Witness Lee,2016-03-01 This book covers the three basic matters crucial to serving the Lord in the church It shows us that for the proper Christian service we must serve in the Body in our human spirit and by prayer The Bible reveals that the foundation of all genuine Christian service is the built up church God s unique goal is to gain a Body for Christ He did not regenerate us to be individual units complete in ourselves Col 3 15 but to be members of this unique Body 1 Cor 12 12 20 which is a corporate entity a spiritual house a holy and royal priesthood 1 Pet 2 5 9 Having been placed in the Body 1 Cor 12 18 as members we must be tempered together 1 Cor 12 24 and as living stones we must be built up together 1 Pet 2 5 Our service should never be carried out in an independent way or in an individualistic manner but in coordination with the other members in the Body Rom 12 4 5 Our service must be something of the Body in the Body with the Body and for the Body To enter into the reality and practicality of this service growth in life is necessary Without the growth in life the church cannot be built up Eph 2 21 4 15 16 and without the built up church there cannot be the genuine service Also without the Holy Spirit we do not have the way to serve However to apply the Holy Spirit in our service we must serve God in our human spirit Rom 1 9 even in newness of spirit Rom 7 6 When we were regenerated we were born of the Holy Spirit in our spirit John 3 6 and we became one spirit with the Lord 1 Cor 6 17 From this time onward we need to live to walk to act and to serve in the spirit The main purpose of our service is to minister Christ as life to others thus as we serve the Lord in the Body we must use our

spirit to contact the Triune God John 4:24 In the book of Ephesians a book on the Body of Christ Paul speaks of our regenerated human spirit in every chapter 1:17, 2:22, 3:16, 4:23, 5:18, 6:18 Whether we serve the Lord in preaching the gospel offering a prayer ministering the Word visiting the saints or calling a hymn in a meeting we must exercise our spirit By the exercise of our spirit we appropriate the Triune God every time we serve Furthermore we must serve by prayer The book of Acts reveals that the Christians in the early days of the church age served by prayer Acts 1:14, 2:42, 3:1, 6:4, 10:2, 4:9, 11:5, 12:5, 13:1, 3:14, 23:16, 25:20, 36:28, 8: This was the only means used by them to carry out the Lord's work Thus we all need an appetite for prayer for without prayer there is poverty in our service We need much prayer individually and corporately never initiating or doing anything without it and always praying in our spirit Eph 6:18 Today we need the prevailing prayer which is of the Body identified with the Body and in our spirit

The Way of Christian Service Zacharias Fomum, 2016-01-14 This book The Way of Christian Service by Zacharias Tanee Fomum is the outflow of a heart burdened to see the marks of the lordship of Jesus Christ in every aspect of christian service It is the heart cry of a man who is desperate to see a new kind of minister on the horizon of Christian service men and women who know God intimately who fellowship with Him daily and who commune with Him unceasingly It is the cry of a man who believes that the Holy Spirit is the Director of God's Spiritual Service Programme and that He alone has the sovereign right to appoint people and determine the sphere timing and limits of their service The author sees absolute surrender and total consecration of a life and all as fundamental prerequisites to the service of the Lord who gave His all He considers that to withhold anything from the Lord and try to serve Him is self deception This book is rooted in the Bible and is written with a passion for the Lord and a radical commitment to the Bride elect of the Lord Jesus For those who are serving the Lord or who want to serve the Lord in any capacity be it part time or full time this book is a must to read It will make all the difference for such in time and in eternity None can read it and remain the same It is must reading for you [The Way of Christian Service](#) Zacharias Tanee Fomum, 2016-05-22 Serving the Lord is something that is best begun in His immediate presence

When a person has served Him in His immediate presence and satisfied His heart He may send such a one to go and serve on His behalf Serving the Lord in His immediate presence consists essentially in worshipping Him Of the leaders of the church in Antioch it was said While they were worshipping the Lord and fasting the Holy Spirit said Set apart for me Barnabas and Saul for the work to which I have called them Then after fasting and praying they laid their hands on them and sent them off Acts 13 2 3 Barnabas and Saul were sent out to serve from the presence of the Lord to the work to which God had called them They were ministering in His presence when He sent them away to minister on His behalf All service of the Lord ought to begin that way Serving the Lord is invariably tied to resurrection life No one can truly serve the Lord without that He the Lord of all glory has taken the initiative to bring that one into His service This is so because those who serve Him must know death with Christ and resurrection with Him Service is the flow of the life of God and without resurrection life there can be no flow People can do many things in the Lord s name but only that which flows from life will last and to have the flow of life there must first of all be death A person will minister in proportion to the extent to which he has died and risen with Christ Those who spare themselves the hard demands of the cross will find that they have also spared themselves the ministry of life The extent to which a person surrenders himself to death to the world and the flesh is the extent to which that one will know resurrection life and resurrection ministry There can be a work in might and power that is not fully of the Holy Spirit Samson ministered in power although he was out of vital fellowship with the Holy God God demands holiness from all who would serve Him to His satisfaction Finally we want to say that Christian work is acceptable in His sight and satisfies His heart only to the extent to which it is in harmony with His will and under His direction Every work that is outside His will and direction is not only useless it is an abomination to Him Too many believers today are doing nothing for the Lord They are shy and withdrawn and lack boldness and a clear sense of direction Where are those who would dare to step out at His command and take entire villages towns provinces nations and continents for Him Where are those who would seek great things for Him My prayer is that the Lord of the harvest should use these messages to raise servants and slaves unto His glorious Son and that such will start in His presence and as He directs end in the uttermost parts of the world Lord Jesus ignore the weaknesses and shortcomings both of these messages and of the human messenger and use them Lord for Your glory Amen

Christian Service Ellen G. White, 2002 **The Service of Love; Or, Ministry for Christ in Our Daily Life** A. M. James, 1876 **Discovering Christ the Servant** Deacon Dominic Cerrato, Ph.D., 2022-03-24

Because Jesus came not to be served but to serve Mk 10 45 his Mystical Body the Church is essentially a servant Church It s precisely through this service that she carries out her mission The ancient diaconate was instituted and has been restored in our time not simply to stand alongside priestly religious and lay ministry but to imbue and empower each with a renewed sense of service Indeed the Greek word diakonia which is translated in English as service can also be translated into the Latin word ministerium translated in English as ministry Thus when we look at episcopal ministry priestly ministry religious ministry or

lay ministry service is essential to all Service is not something we do but someone we give our very selves It is an act of love rooted in a divine love already poured out for us This book provides a radical but thoroughly consistent rethinking of the Christian life that takes up the tradition and builds upon it in a way that is both old and new About the Author Deacon Dominic Cerrato Ph D is editor of OSV s The Deacon magazine executive director of Diaconal Ministries and director of the diaconate for the Diocese of Joliet He also offers spiritual direction through the Pastoral Solutions Institute Formerly he served in full time pastoral ministry specializing in adult faith formation In 2020 he was appointed by Pope Francis to the international pontifical commission on women and the diaconate He and his wife Judith have been married for 39 years and they have ten children and many grandchildren

10 Power Principles for Christian Service Warren W. Wiersbe, David W. Wiersbe, 2010-07-01 In a church culture that is rapidly losing its unique intergenerational make up in favor of small groups and even entire churches designed to target specific age groups it can be difficult for ministers to relate to those who are not in their own demographic But Warren and David Wiersbe representing two generations believe that generational differences should not keep ministers from relating to their congregations In this thoughtful and practical book they offer ten principles for Christian service that always work at all times and in all places inviting ministers to get back to the basics of serving others New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages

Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource
