The 5 Sex Needs of Men and Women Gary Rosberg, Barbara Rosberg, Ginger Kolbaba, 2006 Lists the top sex needs of husbands and wives and discusses how to meet those needs from a Christian perspective [The Art of a Virtuous Serve](#) Samuel Monaco Jr., 2015-12-03 It is my personal intention sole purpose and desire for this book to draw attention to many of the outstanding tennis programs and organizations which continue to inspire help and support countless others in their life and faith journeys It is my hope that the inspiring stories of some of the tennis personalities athletes programs and charitable organizations mentioned in The Art of a Virtuous Serve may inspire your own life journey of faith while helping you to develop and execute to perfection the kind of serve that we witness to each and every day of our lives on and off the tennis court The true serve which improves lives helps those in need gives us hope and allows us to know of God's unconditional and immense love for all of us This book was written for tennis players and even non players with the desire to hit an occasional service ace whether it is on the court or not

Ethics as Scales of Forms Richard Allen, 2014-09-18 This book is an important contribution to moral philosophy and also to moral theology It overcomes the dichotomising fragmentation of much contemporary moral philosophy which tends to take one aspect or component of moral activity such as the consequences of actions rules or intentions and to make it the only one The book employs an adaptation of Collingwood's scheme of scales of forms to provide a synthesis which does justice to all aspects and components by placing each aspect or component on a scale in which each lower one presupposes the next higher and each higher one needs to be appropriately enacted and expressed in the next lower one The lowest of all is that of the consequences of single actions and the highest in which all the others are fulfilled is that of the unique person as essentially an ens amans a loving being That scale is itself insufficient for it in turn presupposes a scale of values and ends to be realised and pursued and thus overcomes another false dichotomy that of deontological duty versus axiological value ethics for duties without values and ends are pointless and arbitrary and values and ends without duties are of no moral significance The order of types of love from mere liking and enjoyment to love of the unique person provides an appropriate scale integrated with one of various types of fulfilment pleasure happiness virtue whose summit love itself is also that of the previous scale Thus insofar as we become what we ought to be then ceteris paribus we shall also find our true fulfilment At each point relevant texts from Greek to contemporary European philosophy along with mentions of some other world and life views are cited to illustrate and give substance to the argument

Chaucer and the Art of Storytelling Leonard Michael Koff, 2023-04-28 Uncover the

intricate artistry behind Geoffrey Chaucer's storytelling in this compelling study that redefines our understanding of his narratives and their profound social and moral dimensions. This book offers a fresh perspective on Chaucer's role as a storyteller, emphasizing his dedication to the collective wisdom of olde bokes and the communal experience of reading. Through a blend of historical and theoretical exploration alongside close readings of *The Canterbury Tales*, it reveals how Chaucer's narratives create a shared space for reflection, blending medieval traditions with universal themes. By exploring concepts like parabolic listening and the moral implications of storytelling, the book connects Chaucer's tales to their historical roots while showcasing their enduring relevance. Challenging long-held assumptions, *Chaucer and the Art of Storytelling* argues that Chaucer's works are not cryptic puzzles but accessible narratives designed to inspire collective understanding and individual self-awareness. Through in-depth analyses of tales like the Merchant's Tale, the Wife of Bath's Tale, and the Parson's Tale, the book illustrates Chaucer's ability to balance humor, morality, and social commentary. A must-read for anyone interested in medieval literature, this study illuminates Chaucer's narratives as living texts that connect readers across time, offering both historical insight and a celebration of the timeless art of storytelling. The Constructive Promise of Schleiermacher's Theology Shelli M. Poe, 2021-04-08. This volume demonstrates how Friedrich Schleiermacher's thought can be used to address contemporary doctrinal refinement and development. Taking a constructive approach, Shelli M. Poe weaves Schleiermacher's theology together with current scholarship in feminism, womanism, ecotheology, and queer theology. While Schleiermacher is widely acclaimed as the progenitor of modern theology, Poe is one of the first to use his work as a springboard to refine contemporary doctrine. This book demonstrates the promise of Schleiermacher's mature work for contemporary constructive forms of theology.

Sohkido Sky, 2012-03-27. SohKiDo is a Japanese hybrid word created by Dr. Sky that essentially means the way of transpersonal creativity. SohKiDo reveals writing as a means to express and heal, to grow and probe the depths of spiritual mysteries. It is a multi-faceted book offering insights into energy, creativity, and spirituality. A theoretical framework and practical tool is introduced to identify whether the writing is Personal, Transpersonal, or Universal. This Prism of Consciousness tool enhances writers' ability to increase their awareness of the sources and the final product of their inspiration and allows transpersonal to be identified and manifest in the written word.

Christian Thought, 1907 *That You Might Believe - Study on the Gospel of John* Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20:31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24:32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1:29 **Loving Like Jesus (Women of the Word Bible Study Series)** Sharon A.
